Galisteo Open House Meeting Agenda:

The Galisteo Community Planning Open House will provide an opportunity for the community to review and discuss the Galisteo Community District Overlay and proposed zoning with neighbors, members of the Galisteo Planning Committee and Santa Fe County staff. The proposed Community District Overlay will provide design and land use standards as outlined in the Galisteo Community Plan for the Galisteo Planning Area. The Galisteo Community District Overlay will be a guide for future development and land use for the Galisteo area of Santa Fe County

As part of the Sustainable Land Development Code (SLDC) amendment process the Galisteo Community District Overlay will be presented to the Santa Fe County Board of County Commissioners (BCC) at two public hearings and to be considered for adoption. The proposed zoning will also be presented to the BCC to be considered for adoption of the Official Zoning Map.

You are invited to attend either of the below meetings during any of the listed times. The information will be the same at both meetings and you do not need to attend both unless you have additional comments or questions.
