**THRU:** Pablo Sedillo, Public Safety Director

**DATE:** July 2, 2015

**SUBJECT:** Request Authorization from the Board of County Commissioners to accept the donation of a 2005 Ford Expedition from the Town of Edgewood to the Edgewood Fire District/Santa Fe County Fire Department for the use by the Fire District as a Command vehicle.

---

### ISSUE:

The Santa Fe County Fire Department requests Board of County Commission approval to accept the donation of a 2005 Ford Expedition from the Town of Edgewood. This vehicle will be utilized by the Edgewood Fire District/Santa Fe County Fire Department as a Command vehicle for the District.

### BACKGROUND:

The Town of Edgewood has offered to donate a 2005 Ford Expedition to the Edgewood Fire District/Santa Fe County Fire Department for use as a District Command vehicle. The Edgewood District does not currently have a command vehicle for use by the volunteer District Chief or District Officers to respond directly to emergency scenes in order to establish and operate the Incident Command System (ICS). Ten other Santa Fe County Fire Districts support Command vehicles in order to coordinate and facilitate the operation of their Fire District and the response of volunteers.

The vehicle has 89968 miles and has been inspected by the Fire Department Fleet Manager and found to be in sound condition. Vehicle maintenance and fuel costs will be assumed by the Edgewood District from their existing budget. The donation has been approved by the governing body of the Town of Edgewood and the Local Government Division of the Department of Finance and Administration.

**RECOMMENDATION:**

The Fire Department recommends that the Board of County Commissioners accept the donation of a 2005 Ford Expedition from the Town of Edgewood to the Edgewood Fire District/Santa Fe County Fire Department to be utilized as a Command vehicle for the Edgewood Fire District.
