Reference: Resolution for Donation of Water Tanks

Attached is a Resolution requesting the donation of three water tanks to the community of Chimayo for the purpose of watering cattle that graze the Chimayo area.

Fire Chief Stan Holden is acting as the liaison with the community of Chimayo and supports the donation of this equipment. He describes the tanks as 10,000-gallon tanks, approximately 18 feet in diameter and 30 to 40 feet in height.

The water tanks are not being utilized by the County, are no longer on the Santa Fe County fixed asset database, do not have a dollar value other than that of scrap metal, and are being vandalized with graffiti.

Thank you for your consideration of the Resolution for Donation of Water Tanks to the community of Chimayo.
