MEMORANDUM

TO: Board of Santa Fe County Commissioners

FROM: Theresa Martinez, Deputy Finance Director *TM*

DATE: July 18, 2006

RE: Fiscal Year 2007 Final Budget Adjustment

Santa Fe County received the attached letter from the NM Department of Finance and Administration (DFA), Local Government Division, dated July 12, 2006, approving the Fiscal Year 2007 Interim Budget. Approval of the Final Budget is contingent upon addressing the items detailed in the letter from DFA. As requested, the Santa Fe County Finance Department has addressed the issues as follows:

- 1) Adjustments/revisions dealing with discrepancies between Budget Recap totals and the budget detail, associated with the Wildlife/Mountains Fund, and the Water Enterprise Fund. These are resolved and the detail now matches the Recap amounts.
- 2) Prior year EMS carryover approval from Darlene Maestas, Department of Health. This approval is secured in July once carryover amounts for the EMS districts become known, after the submission of the Interim budget. The approval letter follows in this document.
- 3) List of Budget Priorities (changes from FY 2006 budget) for the upcoming year. The Budget Priorities list immediately follows this memorandum.
- 4) Unaudited beginning cash balances as per year-end financial report and Investments. The Fiscal Year 2007 Final Budget Recap contains these cash balances with a track back to banked cash.
- 5) The year-end financial report for the period ending June 30, 2006. This report will be submitted by the Accounting Division.

SANTA FE COUNTY FISCAL YEAR 2007 BUDGET

BUDGET PRIORITIES

Priorities are defined here as significant changes to the Fiscal Year 2006 Budget. These changes account for an increase of \$29,165,928 in all funds from Fiscal Year 2006 to Fiscal Year 2007. The main increments of this \$29.2 million increase are the State Special Appropriations Fund, \$10.5 million; the 2005 Series GOB Proceeds fund, \$11.5 million; a large first year GOB payment in the GOB Debt Service fund, \$5.0 million, and the collection of a new 1/16 cent General Fund GRT increment, \$2.2 million. The specific changes from Fiscal Year 2006 are as follows:

- 1) General Fund
 - a. The FY 2007 Budget includes \$2.25 million budgeted as receipts from the newly enacted 1/16 cent GRT increment. This is set-aside in the Finance Department for uses to be determined by the County Board of Commissioners during the course of the Fiscal Year.
 - b. About \$1.7 million in additional property taxes, and \$0.9 million in increased budgeted investment income over the prior year are appropriated for transfers to the Equipment Loan fund and replenishment of Contingency, associated with the purchase of the Paramount Building, \$1.1 million, transfers to the Jail Enterprise fund, \$0.5 million, and baseline increases to County departments, \$1.1 million.
- 2) Capital Outlay GRT Fund: Revenues in the Fiscal Year 2007 budget increased by \$400,000. Expenses are generically budgeted according to formula to Water, Open Space, Road, and Building projects.
- 3) The Correction GRT Fund revenues increased by \$200,000. These are all transferred to the Jail Enterprise Fund for operation of the Corrections programs.
- 4) The budget of the Fire ¼ Cent Excise Tax is reduced by \$612,000, reflecting a decrease in capital projects and fire equipment purchases.
- 5) A Budget of \$250,000 was established in the Developer Fees fund for capital projects.
- 6) The EMS Health Care fund increased by \$295,000, due mainly to increases in Gross Receipts taxes and Ambulance revenue. Most of the EMS Health Care GRT revenue is appropriated for the Sole Community Provider (community hospital) program and County health services and the fire department are in portion funded through a resultant MOA with St. Vincents Hospital.
- 7) The Detox Programs fund budget increased by \$525,000, due mainly to the anticipated opening of the Sobering Center, funded from St. Vincents MOA carryover funding.

- 8) Cash Carryover has increased the Housing Capital Projects fund budget by \$295,000.
- 9) State funded road and building projects, not included in the Fiscal Year 2006 original budget, have been included in the budget for Fiscal Year 2007, as the appropriations have been revealed from the state. These are: Road Projects Fund, \$1,259,836, and Special Appropriations Fund, \$10,529,053.
10. Projects stemming from the receipt of bond proceeds from the 2005 Series GOB bond increased this budget in Fiscal Year 2007 by \$11,477,923.
11. The 2001 Series GOB fund bond proceeds fund decreased by \$2,229,051, as money has been expended on projects in Fiscal Year 2006.
12. Open Space land acquisitions have decreased the Open Space GOB bond proceeds fund budget by \$371,046.
13. The General Obligation Bond Debt Service Fund budget increased by \$5,005,688, chiefly due to a large first year payment on the 2005 Series General Obligation Bond.
14. Water Enterprise capital projects have increased the budget of that fund by \$439,015.
15. The Jail Operations Fund budget increased by \$1,773,550 mainly to cover increases in the operation of the Adult Facility.
