## *RESOLUTION NO. 2006-58*

### **A RESOLUTION OF SUPPORT FOR A STRATEGIC PLAN FOR MANAGING SANTA FE COUNTY GROWTH**

---

WHEREAS, THE MISSION of Santa Fe County is to provide responsive public services based upon the needs of our constituents as set forth in the policies and ordinances established by the Board of County Commissioners and this mission is carried out through the collective efforts of a motivated and professional workforce and our citizens; and

WHEREAS, an additional goal of the mission is to provide essential services to everyone in the County, especially those who are not served by other political jurisdictions; and

WHEREAS, numerous previous planning initiatives have been undertaken to develop an existing approach to County growth management and include, among others: a 40 Year Water Plan; the Buckman Diversion Project; the County Growth Management Plan; a City/County Water Service Agreement; the Metropolitan Planning Organization (MPO) Long Range Plan; the Community College District Plan; an Open Space and Trails Plan; a Regional Planning Authority (RPA) Land Use and Growth Management Plan; various Community Plans and Departmental Plans, including various economic development and infrastructure funding strategies; and

WHEREAS several staff retreats and strategic planning workshops have been conducted to discuss long-range planning; and

WHEREAS the County has initiated a formal strategic planning process that began with a Strategic Planning Workshop conducted on February 22, 2006 and will now focus on developing a specific growth management planning approach;

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Santa Fe County that:

1. A Strategic Plan for Managing Santa Fe County Growth will be undertaken that will:
  - Describe a desired future for Santa Fe County;
  - Fit with Existing Plans;
  - Describe what is needed to achieve this future;
  - Act as a guide to budget decision making;
  - Act as a guide to departmental and BCC decision making; and
  - Provide clarity about responsibility for implementation of results;

2. The Strategic Planning Approach will outline three directions for strategic planning: Internal Organization; Land Use and Infrastructure; and Supporting Resources;
3. This Strategic Planning Approach will create clusters that will consider Internal Organization; Land Use and Infrastructure; Information Technology; Facilities; and Workforce Development;
4. Action Plans will be developed for each cluster; and
5. Priorities will be identified and the sequence of high priority actions will be determined.
6. The Board of County Commissioners supports this effort.

APPROVED, ADOPTED AND PASSED this 20 day of March, 2006.
