Re: FUNDING 2016/2017 LGRF PROGRAM

Dear Mr. Martinez,

At this point, I would like to inform you that the New Mexico Department of Transportation Commission has approved your project for 16/17. The funding amount is as follows:

<u>Project No.</u>	<u>Control No.</u>	<u>Entity Share (25%)</u>	<u>State Share (75%)</u>	<u>Project Total</u>
CAP-5-17(470)	L500255	\$37,548.00	\$112,645.00	\$150,193.00

The following will be the scope of work:

PAVEMENT REHABILITATION/IMPROVEMENTS OF VARIOUS COUNTY ROADS

If the above funding amount requires that your project be adjusted from what was originally proposed (i.e. **Changing lengths or adding or deleting roads with NO change in scope for "type of work to be done"**), please submit the new adjusted project with the roads that are to be done and/or their new lengths. In this submittal you will need to submit a new Estimated Cost Summary detailing the above and all their corresponding costs, map of the new location and the new total for the Project.

Please submit the **resolution** for your project including the project scope, project limits, project location and the project amounts as indicated above. Upon receipt of your resolution I will generate four agreements for execution.

If changing the scope - **as to type of work to be done** - is absolutely necessary, then you will need to submit to the District Engineer a request for this scope change in writing explaining the reason for the change and a new resolution indicating the new scope of work. This will require approval at the next State Transportation Commission meeting.

To ensure funding of this project the agreements must be fully executed by October 31, 2016. Therefore we will need the above as soon as possible.

I hope you find this information helpful. If you have any questions, please contact me at (505) 995-7787. Please submit the applicable information as soon as possible so that I can send you four copies of the agreement for execution.

Sincerely,

Susan Godina
