Certificates are issued by the state taxation and revenue department.

If a Bidder submits with its proposal a copy of a valid and current in-state resident business certificate, the bidder’s bid will be deemed to be 5% of the bid actually submitted.

Certification by the department of taxation and revenue for the resident business takes into consideration such activities as the business or contractor’s payment of property taxes or rent in the state and payment of unemployment insurance on employees who are residents of the state.

OR

B. New Mexico Resident Veteran Preference.

New Mexico law, Section 13-1-22 NMSA 1978, provides a preference in the award of a public works contract for a “**resident veteran business**”. Certification by the department of taxation and revenue for the resident veteran contractor requires the bidder to provide evidence of annual revenue and other evidence of veteran status.

A Bidder who wants the veteran business preference to be applied to its bid is required to submit with its bid the certification from the Department of Taxation and Revenue and the sworn affidavit attached hereto as Appendix D.

If a Bidder submits with its proposal a copy of a valid and current veteran resident business certificate, the bidder’s bid will be deemed to be 10%, 8% or 7% lower than the bid actually received, depending on the business’ annual revenue.

**The resident contractor preference is not cumulative with the resident veteran business preference.**

This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

Furthermore, the state agency or local public body shall void an executed contract or cancel a solicitation or proposed award for a proposed contract if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

**“Campaign Contribution”** means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to either statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

**“Family member”** means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law.

- C. **Quantities.** It is understood that this is an indefinite quantity Price Agreement and the County may purchase any quantity of the items listed on Exhibit A on an as-needed basis. No guarantee or warranty is made or implied that any order for any definite quantity of items be issued under this Price Agreement. 3. The Department will inform the Contractor within five (5) business days that a deliverable is unacceptable by the Department.

- D. Such causes of excuse include, but are not limited to, acts of God or the public enemy, acts of the County or Federal government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of sub-contractors due to any of the above.
