**Question #1:** Please define the scope Santa Fe County needs for the after-hours physicals. With what regularity would these services be needed?

**Answer #1:** These services would be needed very infrequently after hours. They could be required in situations where there is reasonable suspicion that an employee may be under the influence of drugs or alcohol.

Please add this Addendum #2 to the original proposal documents and refer to proposal documents, hereto as such. This and all subsequent addenda will become part of any resulting contract documents and have effects as if original issued. All other unaffected sections will have their original interpretation and remain in full force and effect. Responders are reminded that any questions or need for clarification must be addressed to Maricela Martinez, Senior Procurement Specialist at [mcmartinez@santafecountnm.gov](mailto:mcmartinez@santafecountnm.gov).
