5. CANCELLATION.

- A. The County reserves the right to cancel without cost to the County all or any part of any order placed under this Price Agreement if the items or deliverables fail to meet the requirements of this Price Agreement.
- B. The failure of the Contractor to perform its obligations under this Price Agreement shall constitute a default of this Price Agreement.
- C. The Contractor may be excused from performance if the Contractor's failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor, unless the County shall determine that the item, to be furnished by a sub-contractor, is obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery schedule.
- D. Such causes of excuse include, but are not limited to, acts of God or the public enemy, acts of the County or Federal government, fires, floods, epidemics, quarantine

restrictions, strikes, freight embargoes, unusually severe weather and defaults of sub-contractors due to any of the above.

- E. The County may cancel all, or any part, of any order without cost to the County if the Contractor fails to meet material provisions of the order and the Contractor shall be liable for any excess costs incurred by the County that is associated with such default.
