Seller shall place into escrow all necessary documents to convey the above referenced real property interests to Buyer free and clear of all liens and encumbrances, taxes and assessments, including those that are levied (owed) but may not yet be due. Monies payable under this Agreement may be due holders of secured and unsecured obligations (Lienholders) up to and including the total amount of principal, interest and allowable penalties. Upon demand, those sums shall be paid to the Lienholders, who shall be required to provide any necessary releases or consents for the Property. The escrow agent shall make prorations based on the date of closing and the size of the Property. All escrow fees, document preparation expenses and recording fees shall be paid by Buyer. If title insurance is desired by Buyer, it shall pay a premium therefor. Transfer of fee title shall be by Warranty Deed in a form approved by the Buyer. All other forms of interest to be conveyed shall be on a form approved by the Buyer.

**Leases.** Seller represents that the leases identified in Exhibit "C" are the only leases, rental agreements, or agreements permitting someone to use or occupy the Property and that Seller has provided Buyer with copies of all such agreements or leases. Upon Buyer's request, Seller shall cause its tenants to provide to Buyer estoppel certificates in a form acceptable to Buyer.

**Sale in Lieu of Condemnation:** The sum paid by Buyer represents full and complete payment due Seller, including but not limited to any and all severance damages as to any remaining property owned by Seller. Seller herein acknowledges the sale of real property to the Buyer may have tax consequences to Seller, and is advised to seek legal and/or financial assistance as necessary to determine those consequences, which may include reporting of income received from the sale to the Internal Revenue Service.

**Inspection:** The Seller shall permit the Buyer to conduct such inspections of the Property and/or the Seller's remaining property as the Buyer deems necessary. If inspections indicate a potential condition and further testing or inspection is recommended, the parties hereby agree to extend the date of closing to at least 30 days after the issuance of a final report for such additional testing or inspection.

**Environmental:** During pre-construction due diligence, Buyer shall obtain a Phase I ESA at Buyer's sole expense. If any environmental inspection reveals the presence of contamination or the need to conduct any environmental cleanup, the Seller shall remediate all contamination within the Property to bring it into compliance with all applicable Federal, State or local environmental regulations and to the satisfaction of the Buyer prior to closing. Seller defends, indemnifies, and holds the Buyer and its employees, successors, assigns, agents, contractors, subcontractors, experts, licensees, lessees and invitees (collectively "Indemnitees"), harmless from and against any and all liability, obligations, losses, damages, penalties, claims, environmental response and cleanup costs, fines, actions, suits, costs, taxes, charges, expenses, and disbursements, including legal fees and expenses of whatever kind and nature (collectively "claims" or "damages") imposed on, incurred by, or reserved against the Indemnitees in any way relating to or arising out of any noncompliance with any federal, state, or local environmental laws, the existence or presence of any regulated substance on or emanating from the Seller's property and any claims or damages in any way relation to or arising out of the removal, treatment, storage, disposal, mitigation, cleanup, or remedy of any regulated substance on, under, or emanating from the Seller's property.

**Possession:** The Seller hereby grants to the Buyer, its agents and assignees, Right of Entry to the Property for project related purposes including but not limited to construction. If this Agreement is not acted upon by the BCC within 90 days of the Seller's acceptance of this Agreement, this Right of Entry shall be terminated immediately and without further act or action. Possession of the Property shall be given to Buyer upon close of escrow and recording of the documents conveying the Property.

**Risk of Loss:** The Seller shall be responsible for the risk of loss for any and all damage to the improvements located on or within the Property prior to close of escrow and recording of the documents conveying the Property.

**No Salvage:** The Seller shall not salvage or remove any fixtures, improvements or vegetation located within the Property without prior written approval of the Buyer. Any personal property located on or within the Property must be removed prior to close of escrow.
