Re: Agreement No. 2013-0256-PW/MS between Sullivan Design Group, Inc. and Santa Fe County.

Dear Mr. Sullivan:

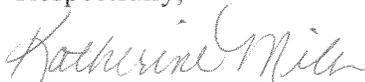

Pursuant to Paragraph 6.05.B.2 (Termination for Convenience by Owner) and Exhibit C, C2.03.C.2 of Agreement 2013-0256-PW/MS, this letter is to notify Sullivan Design Group that the County has decided to terminate Agreement No. 2013-0256-PW/MS effective on the date of your receipt of this notice. The County has decided to pursue an alternative method of providing quality water to the La Familia Medical Clinic and has decided not to pursue the CR62/Caja del Oro project through final design and construction.

The County's decision not to pursue this particular project is not a reflection on the services provided by Sullivan Design Group. The County has been satisfied with Sullivan Design Group's engineering service and I hope you will continue to have an interest in working with Santa Fe County in the future.

SDG has been paid in full by Santa Fe County for all design services provided to date. The County is in receipt of the Preliminary Design deliverables from Sullivan Design Group and you will receive payment on Invoice No. 5. In order to close out this Agreement, please provide and assemble any remaining project materials for this project and submit the files to: Project Facilities Director Mark A. Hogan, Community Services Department, 901 W. Alameda, Suite 20-C, Santa Fe, NM, 87501.

Thank you for your services on this project.

Respectfully,

  
Katherine Miller  
Santa Fe County Manager
