

Project Focus Area I

Assets:

Project Focus Area I includes Los Potreros Open Space, which is a 40 acre property focusing on preserving traditional agriculture. Los Potreros Open Space has a management plan to guide improvements and maintenance.

There is an opportunity to connect this property with adjacent BLM property in the future. There are also two park properties in the area with the potential for trail connections, Chimayo Community Center Park and Bennie J. Chavez Community Center Park.

Potential projects:

- Los Potreros Open Space (LPOS) restoration projects
- LPOS/Rio Quemado watershed restoration phase II

Opportunity for Partnerships

- BLM
- Chimayo Community

Future Trail Connections

- Connection to BLM
