

# Project Focus Area IV

## Assets:

Project Focus Area IV includes the Santa Fe River Trail Project. This important facility includes a river trail, trailheads and a river restoration component. Currently underway through partnership with the City and County, this project is envisioned to connect the Santa Fe Plaza to the airport and beyond.

## Potential Projects:

- Santa Fe River Greenway
- Romero Park Improvements Phase II
- South Meadows Open Space Phase I

## Opportunity for Partnerships

- City of Santa Fe
- National Historic Trails
- BLM
- State Land Office

**What do you think?**  
 Do you agree with these opportunities?  
 Did we miss something?  
 Mark it on the map!
