

NEWS FROM COMMISSIONER LIZ STEFANICS
DISTRICT 5 - SANTA FE COUNTY
FEBRUARY 14, 2012
BOARD OF COUNTY COMMISSION SUMMARY

I am attending the Turquoise Trail Community School's Open House this evening, February 16 and will be at the San Marcos Homeowner's Association Annual meeting later tonight.

On March 1, I will be presenting a talk on *Senior Health* during the lunch hour at the Ken and Patty Adam Senior Center in Eldorado.

I look forward to seeing some of you there.

Thanks, Liz

Here is a summary of the actions taken by the Santa Fe Board of County Commission. All five of the Commissioners were present.

CONSENT CALENDAR

Resolutions unanimously approved

- Authorizing the County Manager to execute documents associated with the Rio Quemado water project fund loan
- Increasing the general fund to budget cash reserves in support of the Los Alamos National Laboratory Regional Coalition in the amount of \$5,000

Agreements

- A Memorandum of Agreement between Santa Fe County and the North Central Regional Transit District to provide bigger buses to accommodate additional riders for the route between Santa Fe and Edgewood was approved

PUBLIC HEARINGS

The public hearing on a resolution to adopt the Galisteo Community Plan was tabled to the February 28, 2012 meeting.

COMMUNITY SERVICES DEPARTMENT

The Commission approved the Sole Community Provider requests for Fiscal Year 2013 for CHRISTUS St. Vincent Regional Medical Center, Los Alamos Medical Center, and Española Hospital. The amount

recommendation came from the Health Policy and Planning Commission. The motion passed (3-2) with Commissioners Anaya and Mayfield voting against.

PUBLIC SAFETY AND SHERIFF'S OFFICE

The request to Publish Title and General Summary of an ordinance establishing policies, procedures and protocols for compliance with federal immigration law and the Immigration and Customs Enforcement Services (ICE) of the Homeland Security Department, concerning undocumented criminal immigrants committing serious property crimes or other felonies incarcerated at the Santa Fe Detention Facility did not pass (4-1) Commissioner Anaya voting for it. The Commission expressed concern that having an ordinance, rather than a resolution or policy, would have unintended legal consequences and could possibly supersede state or federal law. They did express the desire to establish procedures, but would like to have input from local law enforcement, ICE officials, local groups, residents, and staff.
