

Santa Fe County Geography Awareness Week “The Adventure in Your Community”

Adventure 1: Where in the County?!

Location 1: _____

Location 2: _____

Location 3: _____

Location 4: _____

Location 5: _____

Location 6: _____

Location 7: _____

Adventure 2: Stump the Geographers!

Send us photos from the ground and from an online aerial mapping website that shows your favorite place for an adventure. The location should be some place you can see from a public road or place. If you stump us, you win!

Adventure 3: Your Own Maps!

Make a map of your neighborhood, or your favorite location to have an adventure. Remember to include some common mapping elements such as a north arrow and a legend. The GIS office will vote for our favorite maps in each age category.
