Gang Resiliency Opportunities Work

Teen Court of Santa Fe County and iYouthWorks! will partner in an approach to teach at-risk youth the opportunity to learn responsible work habits by modeling life skills.

Any case referred to Teen Court for any involvement with gangs will be required to perform community service at iYouthWorks!

Our task is to prevent youth from problem behaviors such as gang affiliation, substance abuse, and truancy.

Contact the Teen Court office with any questions 995.9555
