### ***San Marcos Open House Meeting Agenda:***

The San Marcos Community Planning Open House will provide an opportunity for the community to review and discuss the San Marcos Community Plan Update and Community District Overlay and proposed zoning with neighbors, members of the San Marcos Planning Committee and Santa Fe County staff. The proposed Community District Overlay will provide design and land use standards as outlined in the San Marcos Community Plan for the San Marcos Planning Area. The San Marcos Community Plan and District Overlay will be a guide for future development and land use for the San Marcos area of Santa Fe County.

The San Marcos Community Plan update will be presented to the Santa Fe County Board of County Commissioners (BCC) to be considered for adoption by Resolution as an update to the Sustainable Growth Management Plan. The proposed San Marcos Community District Overlay will be considered for adoption as part of the Sustainable Land Development Code (SLDC) amendment process. The proposed zoning will also be presented to the BCC to be considered for adoption as part of the Official Zoning Map.

You are invited to attend either of the meetings during any of the listed times. The information will be the same at both meetings and you do not need to attend both unless you have additional comments or questions.
