**II.** Roll call indicated the presence of a quorum with the following members present:

**Members Present:**

Zella Cox  
Marcia Mikulak  
Thomas Morgan  
Solomon Sedillo  
Russell Winslow

**Members Absent:**

None

**County Staff Present:**

Katharine Clark, County Clerk  
Kristy A Brusso, Bureau of Elections, Election Worker & Outreach Coordinator  
Andrea Tapia, Bureau of Elections, Administrative Supervisor  
Cristella Valdez, Assistant County Attorney  
Gary Reid, Election Administrative Specialist

**III. Approval of Agenda**

Mr. Winslow moved to approve the agenda as published. Ms. Mikulak seconded and the motion passed by unanimous [5-0] voice vote.

**IV. Review of the List of Eligible Voter as Required by NMSA 1978, Section 1-4-28(E)**

Clerk Clark said the list includes those that have not updated their status as an inactive voter, i.e., they have not voted in two federal/general elections and a confirmation or bounced mailing was received from the USPS. The proper procedure for flagging these individuals for potential removal from the eligible voters list was utilized. She said she was pleased that the number, 3,379, was as low as it is and noted that indicates that the maintenance of the list over the years

SFC CLERK RECORDED 03/14/2025

by her staff has been very effective.

It was noted that the list was dated 2/26/25 and the Board questioned whether any status of individuals had changed. Clerk Clark said staff will pull the list again on March 14<sup>th</sup> to ascertain whether there were any changes.

Chair Cox asked for questions from the Board. Mr. Sedillo commented that he was acquainted with some of the individuals on the list who may be dead or otherwise have moved.

Clerk Clark said removing someone from the ineligible list requires data.

Mr. Reid mentioned a rule within election law that prohibits anyone from using their business address as the voter's registration address.

Clerk Clark said the diversity on the list supports that it is not biased against a gender, political party, etc. She pointed out that there were federal elections in 2022 and 2024 and some of the individuals on the list have not voted since 2008 or 2012. Chair Cox asked how someone who has not voted in several years had not been removed earlier. Clerk Clark said a return card from USPS was not received. She said that the flaw in the system is its reliance in the USPS.

Chair Cox said she sorted the list by age and the mean age is 65.

Gender designation "U" indicates unidentified as allowed by NM law. The party designations were identified and a key will be provided in the future.

Mr. Reid provided a registration form for the Board's perusal.

Clerk Clark said the task before this Board is to ensure there are no anomalies.

There is a currently a bill in the legislature that would permit an individual with "DTS," declined to state, as their political party designation, to vote in primaries without changing their registration.

Chair Cox stated she was adequately satisfied that the list presented individuals who should be removed from the voter registration list as a result of criteria established by law.

Clerk Clark said approximately 75 percent of the people under the age of 25 don't vote. The Clerk's office presents a Democracy 101 class at local high and middle schools and pre-registers them to vote if eligible.

There are old addresses, i.e., first house north of fire station, that are valid.

Clerk Clark said the indigenous populations have very good turnouts for voting. They have their own voting program and their own polling sites. Culturally relevant assistance and training is are provided.

Ms. Brusso provided a breakdown of the political party designations from the list: 1,457, Democrats; 1,357, DTS (declined to state); 42 Greens, 10 Independent; 457, Republicans and a some random parties. These numbers are proportional to the registration numbers.

Chair Cox noted that today's list was 3,378 compared to the list received via email that was 3,379. The Board asked staff to identify that voter that updated their registration. Clerk Clark offered that the Board can take action and in the form of a motion approve the 3,378 list and direct staff to remove that one individual from the list.

Ms. Mikulak said she has not reviewed the list and would defer to her Board colleagues.

The Board recessed from 2:57 to 3:18 to allow staff to find the name of the individual who updated their registration.

Returning to open session, Clerk Clark said A.N. Murphy should be removed from the list of ineligible voters.

Mr. Morgan moved to direct the County Clerk to use the list emailed to the Board with the exception of A.N. Murphy. Ms. Mikulak seconded and the motion passed by unanimous [5-0] voice vote.

Clerk Clark said 3,378 names will be removed from the voters' roll.

**VI. Approval of Future Meeting Schedule**

Assistant Attorney Valdez recommended that the Board meet again to approve the minutes from the March 5<sup>th</sup> and March 7<sup>th</sup> meetings.

**VII Adjournment**

Upon motion by Mr. Sedillo and second by Mr. Winslow, this meeting was declared adjourned at approximately 3:21 p.m.
