Re: Recognition of Years of Service for Santa Fe County Employees

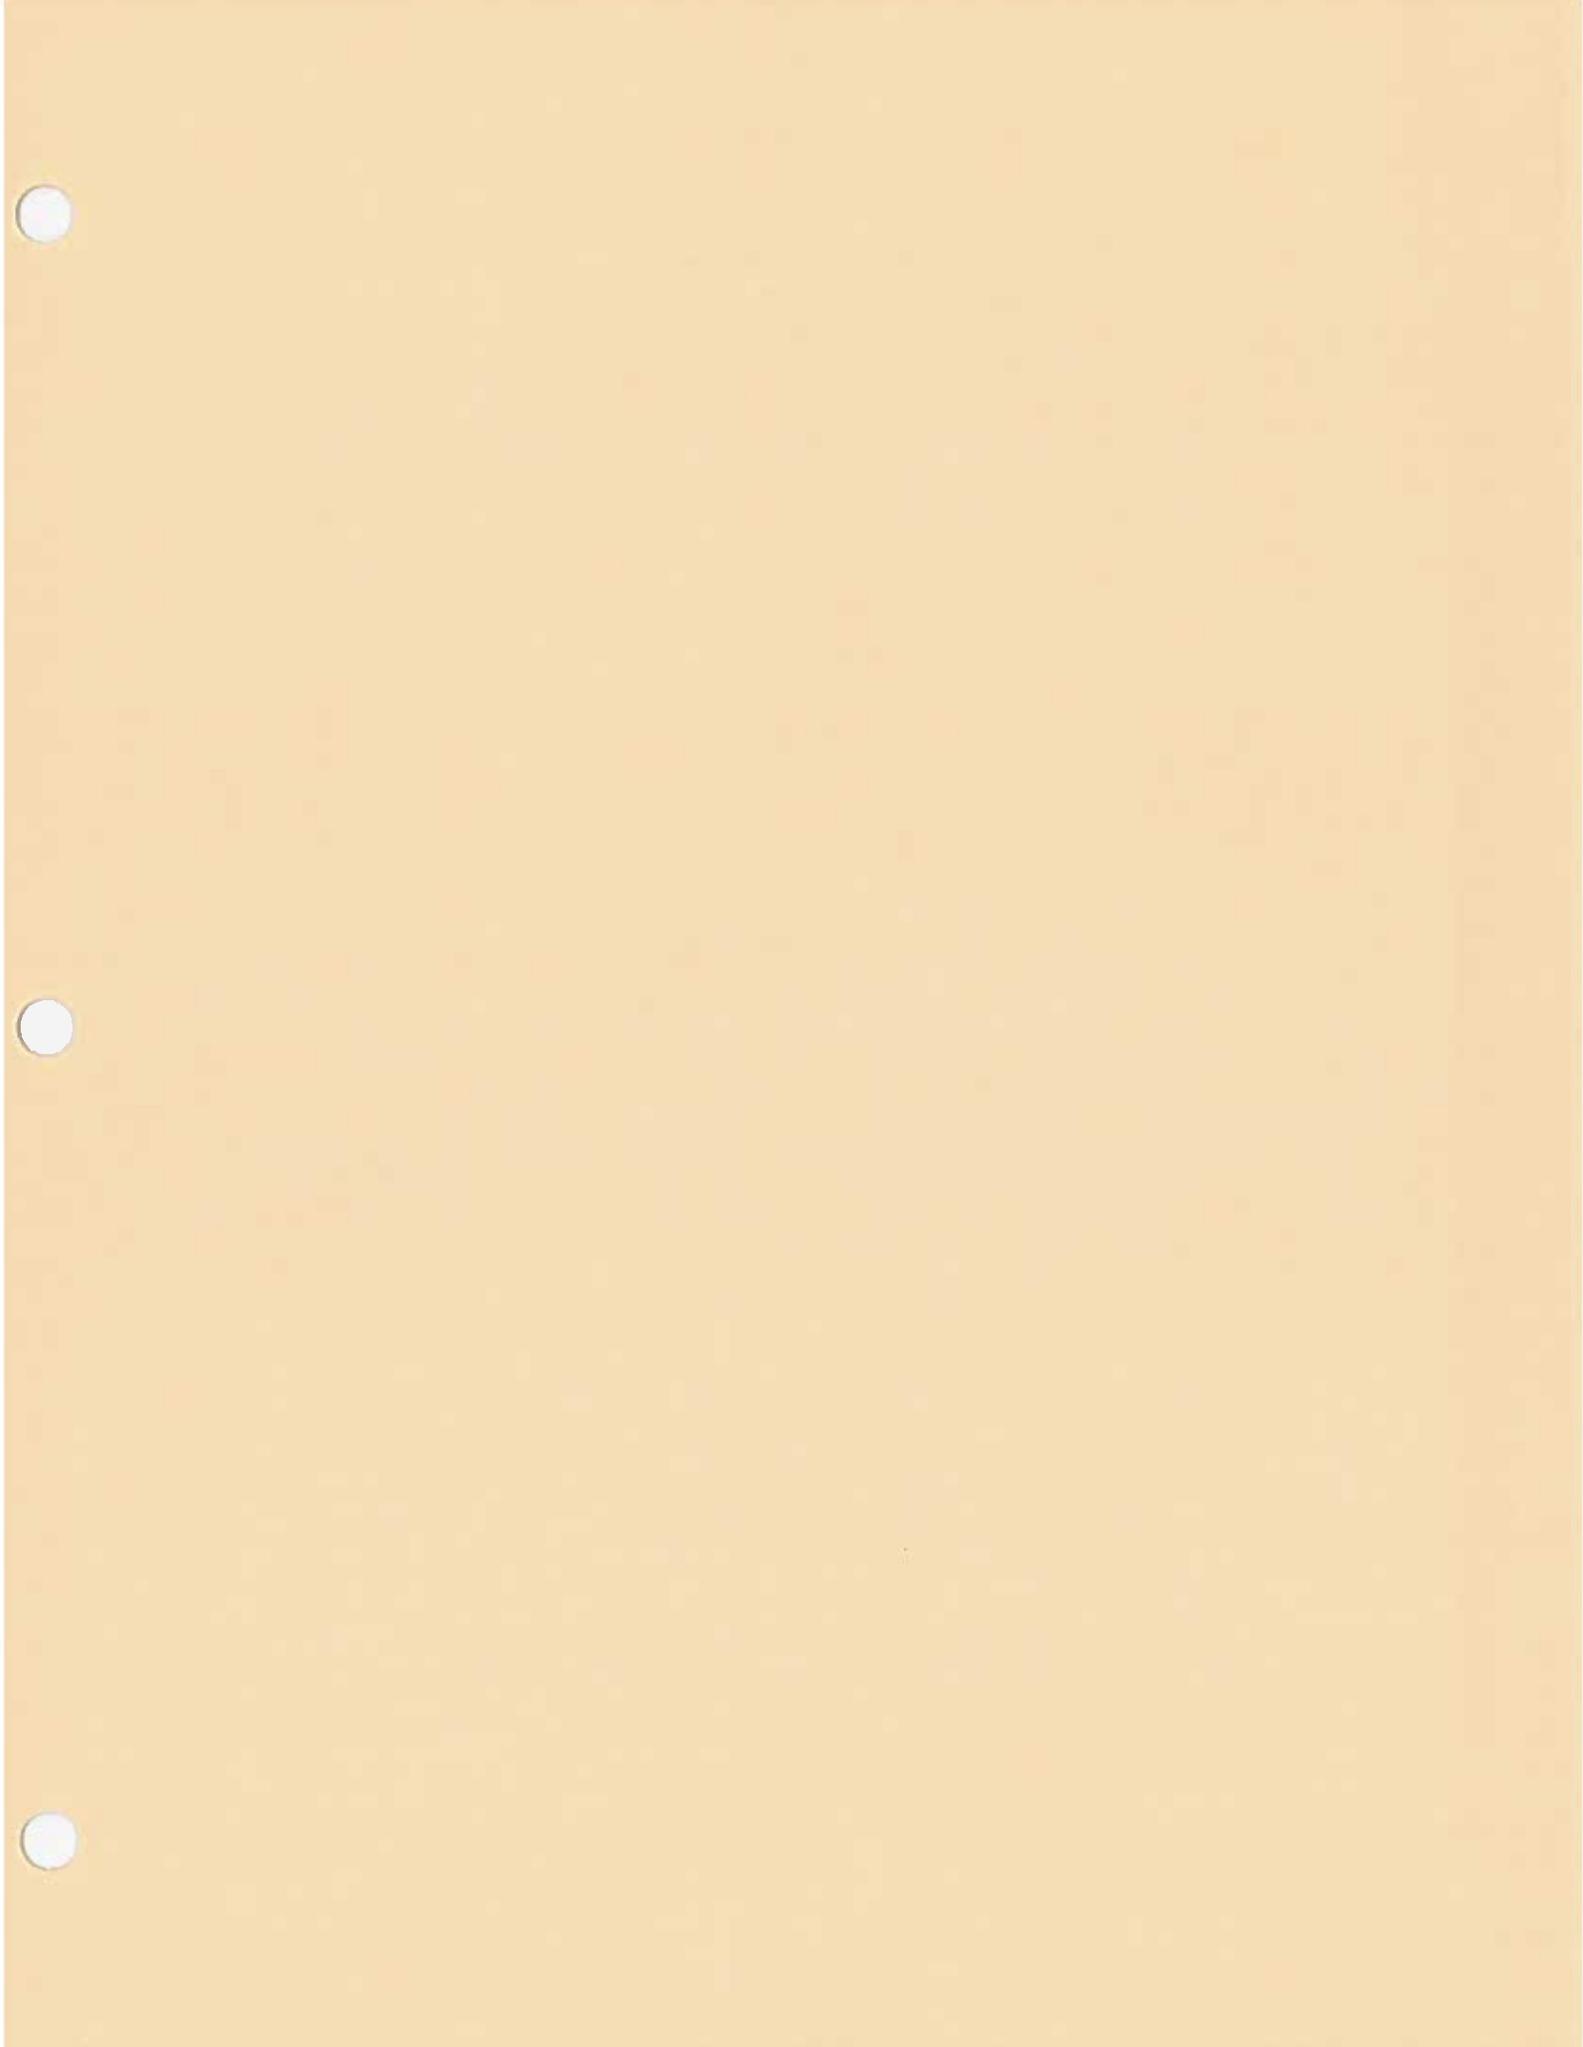

Santa Fe County initiated a years of service recognition program in July. This program recognizes employees on a monthly basis who have completed years of service in five year increments. Employees receive a service pen with the years of service listed.

Santa Fe County recognizes the value of employee retention. It is important that we express our appreciation to those employees who contribute to the County and choose to make their career with us.

For the month of December, the following employees will be recognized:
