**Re:** RESOLUTION 2016 -- A RESOLUTION TO RECOGNIZE LA CIENEGA VALLEY ASSOCIATION AS A COMMUNITY ORGANIZATION FOR LA CIENEGA AND LA CIENEGUILLA COMMUNITY DISTRICT.

---

### SUMMARY:

The purpose of this Resolution is to establish a Community Organizations (CO) for La Cienega Valley Association (LCVA) for La Cienega-La Cieneguilla Community District in accordance with the Sustainable Land Development Code (SLDC).

### BACKGROUND:

The Board approved the Sustainable Growth Management Plan (SGMP) by Resolution 2015-155 as the County's Comprehensive Plan which set forth a process for increased public participation through the creation of Community Organizations (CO) and Registered Organizations (RO). The SLDC details the application process for the establishment of a CO. A CO is defined as a new or pre-existing organization that is recognized by the Board to represent a specified geographical area within the County in accordance with the application procedures identified in the SLDC.

Once approved by the Board, the CO will have rights and responsibilities identified in the SLDC to include the right to receive notice and provide written recommendations for any discretionary development application within the defined geographic area.

Members of La Cienega Valley Association have met with County Planning staff and have submitted an application in accordance with the SLDC. The application includes a map with the geographic boundaries of the CO which is identified as La Cienega-La Cieneguilla Community District. LCVA representation for the CO includes Upper La Cienega, Lower La Cienega and La Cieneguilla. Staff has reviewed the application and worked with the LCVA to ensure representation for the CO geographical boundary to include Santo Domingo Pueblo and the commercial district and Pojoaque Pueblo for the Santa Fe Downs PDD.

The CO checklist is included in the packet along with the application. Staff has reviewed the application in accordance with the SLDC. The CO application is included as Exhibit A.

**STAFF RECOMMENDATION:**

Staff recommends that the Board approve the Resolution to recognize La Cienega Valley Association as a Community Organization for La Cienega-La Cieneguilla Community District.

**RE:** A Resolution Supporting Conservation of Oil and Gas, A Natural Resource  
(Commissioner Liz Stefanics)

---

### BACKGROUND

The Bureau of Land Management is considering rules to reduce methane waste and decrease the amount of methane released into the environment from the oil and gas industry. These rules will ensure the waste of natural gas is minimized and will provide state and local governments the ability to recoup the maximum revenues possible to offset negative impacts to local communities.

**THE BOARD OF COUNTY COMMISSIONERS  
OF SANTA FE COUNTY**

**RESOLUTION NO. 2016 - \_\_\_\_\_**

---

**A RESOLUTION SUPPORTING CONSERVATION OF OIL AND  
GAS, A NATURAL RESOURCE**

---

**WHEREAS**, energy development is critically important to the economy of the State of New Mexico;

**WHEREAS**, each year oil and gas companies waste more than \$100,000,000 on federal and tribal lands in New Mexico alone;

**WHEREAS**, enough natural gas is wasted on federal and tribal lands across the United States each year to have met the home heating needs for a population larger than the State of New Mexico;

**WHEREAS**, the Bureau of Land Management typically does not charge royalties on methane – the primary component of natural gas – that is leaked, flared or vented

**WHEREAS**, oil and gas revenue is the cornerstone of the State of New Mexico's educational funding and the State is facing a \$120,000,000 shortfall over the next two years;

**WHEREAS**, the State of New Mexico lost upwards of \$50,000,000 in tax revenue for education due to natural gas waste on public lands over the last five (5) years;

**WHEREAS**, independent economic analysis has shown that cutting natural gas waste would be net-positive for existing oil and gas wells in the San Juan Basin under any price scenario:

**WHEREAS**, the Bureau of Land Management has proposed new rules that would modernize how the government accounts for methane waste on public lands;

**WHEREAS**, the recent National Aeronautics and Space Administration study discovered a methane cloud the size of Delaware above the Four Corners region where much of the venting, flaring and leaks occur;

**WHEREAS**, technologies to cut methane waste would also cut toxic air pollutants such as benzene and ozone-forming volatile organic compounds and greenhouse gases;

**WHEREAS**, recent studies show that as much as 90% of the methane wasted could be put to use;

**WHEREAS**, our neighboring state of Colorado saw an increase in natural gas production after adopting state rules to cut methane waste; and,

**WHEREAS**, efforts to cut methane waste have spurred new economic development by companies working to address methane mitigation.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of County Commissioners of Santa Fe County hereby supports a strong and final Bureau of Land Management natural gas waste rule to cut methane waste on the State of New Mexico's federal and tribal lands.

ITEM AND ISSUE: BCC Meeting September 27, 2016  
Resolution No. 2016-\_\_, A Resolution Requesting a Net Budget Increase to Various Capital Project Budgets to Realign the FY2017 Budget to the FY2016 Balances / \$1,424,659. (Carole Jaramillo/Finance Director/Erik Aaboe, Public Works Business Finance Manager)

---

**SUMMARY:**

This resolution will adjust the budgets for various capital projects to align for end of the year encumbrances, expenditures and closed encumbrances for FY16 after the submittal of the FY17 Budget.

**BACKGROUND:**

Each year, the Finance Department must prepare a budget for the following fiscal year for approval by the Board of County Commission at the last meeting in June. In order to provide budget amounts to roll into the next fiscal year, the project amounts are calculated without the activity for May and June. For the remainder of FY16, the Projects Division continued to encumber and expend funds. This results in the need to adjust projects budgets at the beginning of this fiscal year.

**DISCUSSION:**

The attached Budget Adjustment decreases capital project budgets to adjust for encumbrances and expenditures made at the end of Fiscal Year 2016 and increases capital project budgets to adjust for closed encumbrances made at the end of Fiscal Year 2016.

**ACTION REQUESTED:**

Approval of Resolution adjusting capital project budgets for the 2017 Fiscal Year.

**RE:** Resolution No. 2016-\_\_\_\_\_, Requesting an Increase to the Project Funding Allocation For the Chimayo Fire Station Addition, Cundiyo Fire and Community Center, Madrid Fire Station, Santa Fe County Civil War Monument, and Women's Health Building Renovations, And Requesting a Budget Increase in the State Special Appropriations Fund (318) to Budget Grants Received for Those Projects. / \$550,447 (Finance Division / Carole Jaramillo)

---

### **SUMMARY:**

The purpose of this request is to increase the project funding allocation for five projects for which Santa Fe County has received grants and to budget those grants in the State Special Appropriations Fund (318).

### **BACKGROUND:**

Santa Fe County received a number of grants from the State Legislature which have now been executed. Grants had not been executed when the BCC formalized project allocations at the February 24, 2015 meeting. Details of the grants are as follows:

- Grant 16-A2501 from the 2016 Legislative Session to plan, design, construct and equip an addition to the Chimayo fire station in the amount of \$100,000.
- Grant 15-0853 from the 2015 Legislative Session to acquire property and easements for and to plan, design, construct and upgrade a fire and community center in the Cundiyo area in the amount of \$20,000.
- Grant 16-A4083 from the 2016 Legislative Session which was a reallocation of the unexpended balance of the appropriation to the local government division in Subsection 179

FAX: 505-995-2740 [www.santafecountynm.gov](http://www.santafecountynm.gov)

of Section 31 of Chapter 225 of Laws 2013 for affordable housing for veterans and low- to moderate-income families in Santa Fe. The grant is now to plan, design, construct and equip improvements to the fire station in Madrid in the amount of \$20,000.

- Grant 16-A2504 from the 2016 Legislative Session to plan, design and construct an American Civil War monument, including the purchase and installation of information technology and related equipment, furniture and infrastructure, in Glorieta in the amount of \$50,000.
- Grant 16-A4085 from the 2016 Legislative Session which was a reallocation of the unexpended balance of the appropriation to the local government division in Subsection 212 of Section 28 of Chapter 3 of Laws 2015 (S.S.) to purchase a unit dose packaging system for women and family health services in Santa Fe County. This grant is now to plan, design, renovate, construct, improve and furnish facilities, including the purchase and installation of medical, pharmacy and security equipment and information technology and related equipment and infrastructure, at the Women's Health Services Building in the amount of \$85,000.
- Grant 16-A4084 from the 2016 Legislative Session which was reallocation of unexpended balance of the appropriation to the local government division in Subsection 192 of Section 22 of Chapter 66 of Laws 2014 to design and construct renovations to the women's health building in Santa Fe County. This grant is now to plan, design, renovate, construct, improve and furnish facilities, including the purchase and installation of medical, pharmacy and security equipment and information technology and related equipment and infrastructure, at the Women's Health Services Building in the amount of \$113,256.00.

Santa Fe County also received a grant to replace a previous grant received in FY2013. This amount was included in the project allocations approved on February 24, 2015. Details of the replacement grant are as follows:

- Grant 16-A4086 from the 2016 Legislative Session which was a reallocation of the unexpended balance of the appropriation to the local government division in Subsection 183 of Section 31 of Chapter 226 of Laws 2013 to purchase and install medical and security equipment and information technology at the Women's Health Services Facility. This grant is now to plan, design, renovate, construct, improve and furnish facilities, including the purchase and installation of medical, pharmacy and security equipment and information technology and related equipment and infrastructure, at the Women's Health Services Building in the amount of \$162,191.42. This funding replaces Grant 13-1770 which was included in the February 24, 2015, project allocation. The balance of that grant was \$162,191.42, so this does not change the allocation; it only changes the allowable uses for the grant money.

**ACTION REQUESTED:**

Approve an increase to the project allocations for the Chimayo Fire Station Addition, Cundiyo Fire and Community Center, Madrid Fire Station, Santa Fe County Civil War Monument, and Women's Health Building Renovations as noted above and approve a budget increase to the State Special Appropriations Fund (318) to budget grants received for those projects.

### B. Early Termination Before Reversion Date Due to Non-Appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

### C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

## ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its absolute discretion, to direct the Grantee to suspend entering into new and further obligations.

If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

**D. Corrective Action Plan in the Event of Suspension**

In the event that the Department chooses, in its absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

**ARTICLE VII. AMENDMENT**

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

- (iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing.

**B. Deadlines**

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 B. NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.

(iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the so-called "Anti-Donation Clause."

(iv) The Grantee shall not at any time convert any property acquired or developed with the Project's funds to uses other than those specified in the Project Description without the Department's express, advance written approval.

(v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable

time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

(i) The Grantee has the legal authority to receive and expend the Project's funds.

(ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.

(iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which it is subject.

(iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.

(v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.

(vi) The Grantee shall abide by New Mexico laws regarding Conflict of Interest and Governmental Conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

(vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

**ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS; PROJECT RECORDS**

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records

sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department of Finance and Administration and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

#### ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

#### ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

#### ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and DFA concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

#### ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the Santa Fe County may immediately terminate this Agreement by giving Contractor written notice of such termination. The Santa Fe County's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the Santa Fe County, the Department of Finance and Administration, Local Government Division (DFA/LGD), or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the Santa Fe County or DFA/LGD."

#### ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges and agrees that Grantee shall include the following or a termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

"This contract is funded in whole or in part by funds made available under Department of Finance and Administration, Local Government Division (DFA/LGD) Grant Agreement. Should DFA/LGD early terminate the

grant agreement, the Santa Fe County may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the Santa Fe County's only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

#### ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;

3. timely submit all required financial reports to its budgetary oversight agency (if any); and
4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

#### ARTICLE XVIII. SEVERANCE TAX BOND PROJECT AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, which is administered by the New Mexico State Board of Finance (BOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole responsibility to determine through BOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a BOF imposed condition does not affect the validity or enforceability of the condition; (iii) the BOF may in the future impose further or different conditions upon the Project; (iv) all BOF conditions are effective without amendment of this Agreement; (v) all applicable BOF conditions must be satisfied before the BOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current BOF conditions being satisfied.

B. Grantee acknowledges and agrees that this Agreement is subject to the BOF's Bond Project Disbursements rule, 2.61.6 NMAC, as such may be amended or re-codified.

[THIS SPACE LEFT BLANK INTENTIONALLY]

IN WITNESS WHEREOF, the Grantee and the Division do hereby execute this Grant Agreement as of the date of the first above written.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

ARTICLE I. PROJECT DESCRIPTION, AMOUNT OF GRANT AND REVERSION DATE

A. The project that is the subject of this Agreement is described as follows:

15-0853      \$20,000.00      Appropriation Reversion Date: 30-JUN-19  
Laws of 2015, Chapter 3, Section 28, Paragraph 207, 207. twenty thousand dollars (\$20,000) to acquire property and easements for and to plan, design, construct and upgrade a fire and community center in the Cundiyo area in Santa Fe county;

The Grantee's total reimbursements shall not exceed the appropriation amount Twenty Thousand Dollars (\$20,000.00) (the "Appropriation Amount") minus the allocation for Art in Public Places ("AIPP amount")<sup>1</sup>, if applicable, Zero Dollars (\$0.00), which equals Twenty Thousand Dollars (\$20,000.00) (the "Adjusted Appropriation Amount").

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

This project is referred to throughout the remainder of this Agreement as the "Project"; the information contained in Article I(A) is referred to collectively throughout the remainder of this Agreement as the "Project Description". The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

## ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse; Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

- (i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and
- (ii) The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third Party Obligation(s), as defined in subparagraph iii of this Article II(A); and
- (iii) The Grantee's expenditures were made pursuant to the Grantee's legal procurement and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and

[2] "Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

- b. if no oversight entity is required to approve of the transaction, the Department must approve of the transaction as complying with law.

Prior to the sale, lease, license, or operating agreement being approved pursuant to subparagraph (a) or (b) above, the Department may, in its discretion and unless inconsistent with New Mexico State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

(vi) The Grantee's submittal of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement as follows:

- a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party but prior to execution by the Grantee.

- b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such expenditures.

- c. The Department may, in its absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 3.

- d. The date the Department sends, by mail or email, the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party begin work.

B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

### ARTICLE IV. REVERSION DATE, TERM, EARLY TERMINATION

A. As referenced in Article I(A), the applicable law establishes a date by which Project funds must be expended by Grantee, which is referred to throughout the remainder of this Agreement as the "Reversion Date." Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. It shall terminate on June 30, 2019, the Reversion Date, unless Terminated Before Reversion Date ("Early Termination") pursuant to Article V herein.

B. The Project's funds must be "expended" on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to "encumber" the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are "expended" and an "expenditure" has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* "expended" and an "expenditure" has *not* occurred as of the date they are "encumbered" by the Grantee pursuant to a contract or purchase order with a third party.

## ARTICLE V. EARLY TERMINATION

### A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

- (i) Termination due to completion of the Project before the Reversion Date; or
- (ii) Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
- (iii) Termination for violation of the terms of this Agreement; or
- (iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

### B. Early Termination Before Reversion Date Due to Non-Appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

### C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

## ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its absolute discretion, to direct the Grantee to suspend entering into new and further obligations.

- (i) The Grantee shall immediately suspend entering into new or further written obligations with third parties upon the date the Grantee receives written notice given by the Department; and
- (ii) The Department is, upon the date the Grantee receives written notice given by the Department, suspending issuance of any new or further Notice of Obligation under this Agreement; and

(iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

**D. Corrective Action Plan in the Event of Suspension**

In the event that the Department chooses, in its absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

**ARTICLE VII. AMENDMENT**

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

**ARTICLE VIII. REPORTS**

**A. Paper Periodic Reports**

In order that the Department may adequately monitor Project activity, the Grantee shall submit to the Department Paper Periodic Reports for the Project. Paper Periodic Reports shall be submitted on a form prescribed by the Department. The Paper Periodic and Paper Final Report form are attached hereto as Exhibit 1. The Department shall provide the Grantee with a minimum of thirty (30) days' advance written notice of any change to the Periodic Report format or content.

The Paper Periodic Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Paper Final Report for the Project. The Department may, in its discretion, change the reporting period from time to time by giving Grantee a minimum of thirty (30) days' advance, written notice of any change to the reporting period; provided, however, that in no event shall the reporting period be less than one month.

**B. Paper Final Report**

The Grantee shall submit to the Department a Final Report for the Project. The Final Report shall be submitted on a form provided by the Department and contain such information as the Department may require. The Periodic and Final Report form is attached hereto as Exhibit 1. The Department shall provide Grantee with a minimum of thirty (30) days' advance, written notice of any change to the Final Report format or content. The Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, whichever first occurs.

**C. Paperless Reporting**

In addition to the paper reports described in subparagraphs A and B of this Article, the Grantee shall report periodic and final Project activity by entering such Project information as the Department may require directly

into a database maintained by the Department. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report on a paperless basis. The Paperless Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Final Report for the Project. The Paperless Final Report along with a Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, whichever first occurs.

#### D. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may (i) request such additional information regarding the Project as it deems necessary and (ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project. Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department. Requests made pursuant to this subparagraph D are in addition to and not in lieu of the periodic and final reporting described in subparagraphs A through C of this article VIII.

### ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 2. Payment requests are subject to the following procedures:

(i) The Grantee must submit one original and one copy of each Request for Payment; and

(ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee in the form of a notarized certification by Grantee's designated representative in Article III herein, that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee of services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its discretion, agrees to do so and in accordance with any special conditions imposed by the Department.

(iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing.

#### B. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- (i) Immediately as they are received by the Grantee but at a minimum of twenty (20) days from the end of the calendar quarter in which the expenditure was incurred or liability of the Grantee was incurred as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor, if total unreimbursed expenditures or liabilities at calendar quarter end exceed \$25,000; or
- (ii) July 15 of each year for all unreimbursed expenditures incurred during the previous fiscal year; or
- (iii) Twenty (20) days from date of Early Termination; or
- (iv) Twenty (20) days from the Reversion Date.

C. The Grantee's failure to abide by the requirements set forth in Article II herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

#### ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS: REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

(i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the Procurement Code (or local procurement ordinance, where applicable).

(ii) The project must be implemented in accordance with the New Mexico Public Works Minimum Works Act, Section 13-4-10 through 13-4-17 NMSA 1978, if applicable. Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 B. NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.

(iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the so-called "Anti-Donation Clause."

(iv) The Grantee shall not at any time convert any property acquired or developed with the Project's funds to uses other than those specified in the Project Description without the Department's express, advance written approval.

(v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable

time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

- (i) The Grantee has the legal authority to receive and expend the Project's funds.
- (ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.
- (iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which it is subject.
- (iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.
- (v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.
- (vi) The Grantee shall abide by New Mexico laws regarding Conflict of Interest and Governmental Conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.
- (vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

**ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS: PROJECT RECORDS**

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records

sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department of Finance and Administration and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

#### ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

#### ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

#### ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and DFA concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

#### ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the Santa Fe County may immediately terminate this Agreement by giving Contractor written notice of such termination. The Santa Fe County's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the Santa Fe County, the Department of Finance and Administration, Local Government Division (DFA/LGD), or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the Santa Fe County or DFA/LGD."

#### ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges and agrees that Grantee shall include the following or a termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

"This contract is funded in whole or in part by funds made available under Department of Finance and Administration, Local Government Division (DFA/LGD) Grant Agreement. Should DFA/LGD early terminate the

grant agreement, the Santa Fe County may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the Santa Fe County's only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

#### ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

#### ARTICLE XVIII. SEVERANCE TAX BOND PROJECT AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, which is administered by the New Mexico State Board of Finance (BOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole responsibility to determine through BOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a BOF imposed condition does not affect the validity or enforceability of the condition; (iii) the BOF may in the future impose further or different conditions upon the Project; (iv) all BOF conditions are effective without amendment of this Agreement; (v) all applicable BOF conditions must be satisfied before the BOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current BOF conditions being satisfied.

B. Grantee acknowledges and agrees that this Agreement is subject to the BOF's Bond Project Disbursements rule, 2.61.6 NMAC, as such may be amended or re-codified.

Laws of 2016, Chapter 83, Section 95, Paragraph 95, Twenty thousand dollars (\$20,000) of the unexpended balance of the appropriation to the local government division in Subsection 179 of Section 31 of Chapter 226 of Laws 2013 for affordable housing for veterans and low- to moderate-income families in Santa Fe in Santa Fe county shall not be expended for the original purpose but is changed to plan, design, construct and equip improvements to the fire station in Madrid in Santa Fe county. The time of expenditure is extended through fiscal year 2018.

The Grantee's total reimbursements shall not exceed the appropriation amount Twenty Thousand Dollars (\$20,000.00) (the "Appropriation Amount") minus the allocation for Art in Public Places ("AIPP amount");<sup>[1]</sup> if applicable, Zero Dollars (\$0.00), which equals Twenty Thousand Dollars (\$20,000.00) (the "Adjusted Appropriation Amount").

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

## ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse;<sup>[2]</sup> Grantee (hereinafter referred to as "Notice of Obligation"). - b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such expenditures.
- c. The current Notice of Obligation form is attached to this Agreement as Exhibit 3.
- d. The date the Department sends, by mail or email, the Notice of Obligation is the date that the Department's Notice of Obligation is effective. B. The Project's funds must be "expended" on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to "encumber" the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are "expended" and an "expenditure" has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* "expended" and an "expenditure" has *not* occurred as of the date they are "encumbered" by the Grantee pursuant to a contract or purchase order with a third party.

## ARTICLE V. EARLY TERMINATION

### A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

- (i) Termination due to completion of the Project before the Reversion Date; or
- (ii) Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
- (iii) Termination for violation of the terms of this Agreement; or
- (iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

### B. Early Termination Before Reversion Date Due to Non-Appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

### C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

## ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its absolute discretion, to direct the Grantee to suspend entering into new and further obligations.

- (i) The Grantee shall immediately suspend entering into new or further written obligations with third parties upon the date the Grantee receives written notice given by the Department; and
- (ii) The Department is, upon the date the Grantee receives written notice given by the Department, suspending issuance of any new or further Notice of Obligation under this Agreement; and

(iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

**D. Corrective Action Plan in the Event of Suspension**

In the event that the Department chooses, in its absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

**ARTICLE VII. AMENDMENT**

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

**ARTICLE VIII. REPORTS**

**A. Paper Periodic Reports**

In order that the Department may adequately monitor Project activity, the Grantee shall submit to the Department Paper Periodic Reports for the Project. Paper Periodic Reports shall be submitted on a form prescribed by the Department. The Paper Periodic and Paper Final Report form are attached hereto as Exhibit 1. The Department shall provide the Grantee with a minimum of thirty (30) days' advance written notice of any change to the Periodic Report format or content.

The Paper Periodic Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Paper Final Report for the Project. The Department may, in its discretion, change the reporting period from time to time by giving Grantee a minimum of thirty (30) days' advance, written notice of any change to the reporting period; provided, however, that in no event shall the reporting period be less than one month.

**B. Paper Final Report**

The Grantee shall submit to the Department a Final Report for the Project. The Final Report shall be submitted on a form provided by the Department and contain such information as the Department may require. The Periodic and Final Report form is attached hereto as Exhibit 1. The Department shall provide Grantee with a minimum of thirty (30) days' advance, written notice of any change to the Final Report format or content. The Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, which ever first occurs.

**C. Paperless Reporting**

In addition to the paper reports described in subparagraphs A and B of this Article, the Grantee shall report periodic and final Project activity by entering such Project information as the Department may require directly

into a database maintained by the Department. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report on a paperless basis. The Paperless Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Final Report for the Project. The Paperless Final Report along with a Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, which ever first occurs.

**D. Requests for Additional Information/Project Inspection**

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may (i) request such additional information regarding the Project as it deems necessary and (ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project. Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department. Requests made pursuant to this subparagraph D are in addition to and not in lieu of the periodic and final reporting described in subparagraphs A through C of this article VIII.

**ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES**

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 2. Payment requests are subject to the following procedures:

(i) The Grantee must submit one original and one copy of each Request for Payment; and

(ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee in the form of a notarized certification by Grantee's designated representative in Article III herein, that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee of services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its discretion, agrees to do so and in accordance with any special conditions imposed by the Department.

(iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing.

**B. Deadlines**

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- (i) Immediately as they are received by the Grantee but at a minimum of twenty (20) days from the end of the calendar quarter in which the expenditure was incurred or liability of the Grantee was incurred as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor, if total unreimbursed expenditures or liabilities at calendar quarter end exceed \$25,000; or
- (ii) July 15 of each year for all unreimbursed expenditures incurred during the previous fiscal year; or
- (iii) Twenty (20) days from date of Early Termination; or
- (iv) Twenty (20) days from the Reversion Date.

C. The Grantee's failure to abide by the requirements set forth in Article II herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

#### ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS: REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

(i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the Procurement Code (or local procurement ordinance, where applicable).

(ii) The project must be implemented in accordance with the New Mexico Public Works Minimum Works Act, Section 13-4-10 through 13-4-17 NMSA 1978, if applicable. Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 B. NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.

(iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the so-called "Anti-Donation Clause."

(iv) The Grantee shall not at any time convert any property acquired or developed with the Project's funds to uses other than those specified in the Project Description without the Department's express, advance written approval.

(v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable

time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

(i) The Grantee has the legal authority to receive and expend the Project's funds.

(ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.

(iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which it is subject.

(iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.

(v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.

(vi) The Grantee shall abide by New Mexico laws regarding Conflict of Interest and Governmental Conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

(vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

**ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS: PROJECT RECORDS**

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records

sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department of Finance and Administration and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

#### ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

#### ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

#### ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and DFA concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

#### ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the Santa Fe County may immediately terminate this Agreement by giving Contractor written notice of such termination. The Santa Fe County's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the Santa Fe County, the Department of Finance and Administration, Local Government Division (DFA/LGD), or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the Santa Fe County or DFA/LGD."

#### ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges and agrees that Grantee shall include the following or a termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

"This contract is funded in whole or in part by funds made available under Department of Finance and Administration, Local Government Division (DFA/LGD) Grant Agreement. Should DFA/LGD early terminate the

grant agreement, the Santa Fe County may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the Santa Fe County's only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

#### ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
3. timely submit all required financial reports to its budgetary oversight agency (if any); and
4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

#### ARTICLE XVIII. SEVERANCE TAX BOND PROJECT AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, which is administered by the New Mexico State Board of Finance (BOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole responsibility to determine through BOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a BOF imposed condition does not affect the validity or enforceability of the condition; (iii) the BOF may in the future impose further or different conditions upon the Project; (iv) all BOF conditions are effective without amendment of this Agreement; (v) all applicable BOF conditions must be satisfied before the BOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current BOF conditions being satisfied.

B. Grantee acknowledges and agrees that this Agreement is subject to the BOF's Bond Project Disbursements rule, 2.61.6 NMAC, as such may be amended or re-codified.

[THIS SPACE LEFT BLANK INTENTIONALLY]

IN WITNESS WHEREOF, the Grantee and the Division do hereby execute this Grant Agreement as of the date of the first above written.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

ARTICLE I. PROJECT DESCRIPTION. AMOUNT OF GRANT AND REVERSION DATE

A. The project that is the subject of this Agreement is described as follows:

16-A2504      \$50,000.00      Appropriation Reversion Date: 30-JUN-20  
Laws of 2016, Chapter 81, Section 22, Paragraph 194, fifty thousand dollars (\$50,000) to plan, design and construct an American Civil War monument, including the purchase and installation of information technology and related equipment, furniture and infrastructure, in Glorieta in Santa Fe county;

The Grantee's total reimbursements shall not exceed the appropriation amount Fifty Thousand Dollars (\$50,000.00) (the "Appropriation Amount") minus the allocation for Art in Public Places ("AIPP amount");<sup>[1]</sup> if applicable, Zero Dollars (\$0.00), which equals Fifty Thousand Dollars (\$50,000.00) (the "Adjusted Appropriation Amount").

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

This project is referred to throughout the remainder of this Agreement as the "Project"; the information contained in Article I(A) is referred to collectively throughout the remainder of this Agreement as the "Project Description". The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

## ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse;<sup>[2]</sup> Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

- (i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and
- (ii) The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third Party Obligation(s), as defined in subparagraph iii of this Article II(A); and
- (iii) The Grantee's expenditures were made pursuant to the Grantee's legal procurement and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and
- (iv) The Grantee's submittal of timely Requests for Payment in accordance with the procedures set forth in Article IX of this Agreement;
- (v) In the event that capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:

[1] The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars (\$200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars (\$100,000)." Section 13-4A-4 NMSA 1978.

[2] "Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

- a. must be approved by the applicable oversight entity (if any) in accordance with law; or
- b. if no oversight entity is required to approve of the transaction, the Department must approve of the transaction as complying with law.

Prior to the sale, lease, license, or operating agreement being approved pursuant to subparagraph (a) or (b) above, the Department may, in its discretion and unless inconsistent with New Mexico State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

(vi) The Grantee's submittal of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement as follows:

- a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party but prior to execution by the Grantee.
- b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such expenditures.
- c. The Department may, in its absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 3.
- d. The date the Department sends, by mail or email, the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party begin work.

B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

C. Project funds shall not be used for purposes other than those specified in the Project Description.

D. Unless specifically allowed by law, Project funds cannot be used to reimburse Grantee for indirect Project costs.

### ARTICLE IV. REVERSION DATE, TERM, EARLY TERMINATION

A. As referenced in Article I(A), the applicable law establishes a date by which Project funds must be expended by Grantee, which is referred to throughout the remainder of this Agreement as the "Reversion Date." Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. It shall terminate on June 30, 2020, the Reversion Date, unless Terminated Before Reversion Date ("Early Termination") pursuant to Article V herein.

B. The Project's funds must be "expended" on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to "encumber" the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are "expended" and an "expenditure" has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* "expended" and an "expenditure" has *not* occurred as of the date they are "encumbered" by the Grantee pursuant to a contract or purchase order with a third party.

## ARTICLE V. EARLY TERMINATION

### A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

- (i) Termination due to completion of the Project before the Reversion Date; or
- (ii) Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
- (iii) Termination for violation of the terms of this Agreement; or
- (iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

### B. Early Termination Before Reversion Date Due to Non-Appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

### C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

## ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its absolute discretion, to direct the Grantee to suspend entering into new and further obligations.

- (i) The Grantee shall immediately suspend entering into new or further written obligations with third parties upon the date the Grantee receives written notice given by the Department; and

B. In the event of Suspension of this Agreement, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

**D. Corrective Action Plan in the Event of Suspension**

In the event that the Department chooses, in its absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

**ARTICLE VII. AMENDMENT**

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

**ARTICLE VIII. REPORTS**

**A. Paper Periodic Reports**

In order that the Department may adequately monitor Project activity, the Grantee shall submit to the Department Paper Periodic Reports for the Project. Paper Periodic Reports shall be submitted on a form prescribed by the Department. The Paper Periodic and Paper Final Report form are attached hereto as Exhibit 1.

The Department shall provide the Grantee with a minimum of thirty (30) days' advance written notice of any change to the Periodic Report format or content.

The Paper Periodic Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Paper Final Report for the Project. The Department may, in its discretion, change the reporting period from time to time by giving Grantee a minimum of thirty (30) days' advance, written notice of any change to the reporting period; provided, however, that in no event shall the reporting period be less than one month.

**B. Paper Final Report**

The Grantee shall submit to the Department a Final Report for the Project. The Final Report shall be submitted on a form provided by the Department and contain such information as the Department may require. The Periodic and Final Report form is attached hereto as Exhibit 1. The Department shall provide Grantee with a minimum of thirty (30) days' advance, written notice of any change to the Final Report format or content. The Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, whichever first occurs.

**C. Paperless Reporting**

In addition to the paper reports described in subparagraphs A and B of this Article, the Grantee shall report periodic and final Project activity by entering such Project information as the Department may require directly

into a database maintained by the Department. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report on a paperless basis. The Paperless Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Final Report for the Project. The Paperless Final Report along with a Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, which ever first occurs.

#### D. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may (i) request such additional information regarding the Project as it deems necessary and (ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project. Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department. Requests made pursuant to this subparagraph D are in addition to and not in lieu of the periodic and final reporting described in subparagraphs A through C of this article VIII.

### ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 2. Payment requests are subject to the following procedures:

(i) The Grantee must submit one original and one copy of each Request for Payment; and

(ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee in the form of a notarized certification by Grantee's designated representative in Article III herein, that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee of services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its discretion, agrees to do so and in accordance with any special conditions imposed by the Department.

(iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing.

#### B. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- (i) Immediately as they are received by the Grantee but at a minimum of twenty (20) days from the end of the calendar quarter in which the expenditure was incurred or liability of the Grantee was incurred as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor, if total unreimbursed expenditures or liabilities at calendar quarter end exceed \$25,000; or
- (ii) July 15 of each year for all unreimbursed expenditures incurred during the previous fiscal year; or
- (iii) Twenty (20) days from date of Early Termination; or
- (iv) Twenty (20) days from the Reversion Date.

C. The Grantee's failure to abide by the requirements set forth in Article II herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

#### ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

(i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the Procurement Code (or local procurement ordinance, where applicable).

(ii) The project must be implemented in accordance with the New Mexico Public Works Minimum Works Act, Section 13-4-10 through 13-4-17 NMSA 1978, if applicable. Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 B. NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.

(iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the so-called "Anti-Donation Clause."

(iv) The Grantee shall not at any time convert any property acquired or developed with the Project's funds to uses other than those specified in the Project Description without the Department's express, advance written approval.

(v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable

time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

(i) The Grantee has the legal authority to receive and expend the Project's funds.

(ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.

(iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which it is subject.

(iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.

(v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.

(vi) The Grantee shall abide by New Mexico laws regarding Conflict of Interest and Governmental Conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

(vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

**ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS: PROJECT RECORDS**

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records

sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department of Finance and Administration and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

#### ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

#### ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

#### ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and DFA concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

#### ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the Santa Fe County may immediately terminate this Agreement by giving Contractor written notice of such termination. The Santa Fe County's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the Santa Fe County, the Department of Finance and Administration, Local Government Division (DFA/LGD), or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the Santa Fe County or DFA/LGD."

#### ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges and agrees that Grantee shall include the following or a termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

"This contract is funded in whole or in part by funds made available under Department of Finance and Administration, Local Government Division (DFA/LGD) Grant Agreement. Should DFA/LGD early terminate the

grant agreement, the Santa Fe County may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the Santa Fe County's only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

#### ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;

4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

#### ARTICLE XVIII. SEVERANCE TAX BOND PROJECT AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, which is administered by the New Mexico State Board of Finance (BOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole responsibility to determine through BOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a BOF imposed condition does not affect the validity or enforceability of the condition; (iii) the BOF may in the future impose further or different conditions upon the Project; (iv) all BOF conditions are effective without amendment of this Agreement; (v) all applicable BOF conditions must be satisfied before the BOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current BOF conditions being satisfied.

B. Grantee acknowledges and agrees that this Agreement is subject to the BOF's Bond Project Disbursements rule, 2.61.6 NMAC, as such may be amended or re-codified.

## ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

- (iii) The Grantee's expenditures were made pursuant to the Grantee's legal procurement and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and

[2] "Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

- a. must be approved by the applicable oversight entity (if any) in accordance with law; or
- b. if no oversight entity is required to approve of the transaction, the Department must approve of the transaction as complying with law.

Prior to the sale, lease, license, or operating agreement being approved pursuant to subparagraph (a) or (b) above, the Department may, in its discretion and unless inconsistent with New Mexico State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

(vi) The Grantee's submittal of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement as follows:

- a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party but prior to execution by the Grantee.
- b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such expenditures.
- c. The Department may, in its absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 3.
- d. The date the Department sends, by mail or email, the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party begin work.

B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

C. Project funds shall not be used for purposes other than those specified in the Project Description.

D. Unless specifically allowed by law, Project funds cannot be used to reimburse Grantee for indirect Project costs.

### ARTICLE IV. REVERSION DATE, TERM, EARLY TERMINATION

A. As referenced in Article I(A), the applicable law establishes a date by which Project funds must be expended by Grantee, which is referred to throughout the remainder of this Agreement as the "Reversion Date." Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. It shall terminate on June 30, 2018, the Reversion Date, unless Terminated Before Reversion Date ("Early Termination") pursuant to Article V herein.

B. The Project's funds must be "expended" on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to "encumber" the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are "expended" and an "expenditure" has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* "expended" and an "expenditure" has *not* occurred as of the date they are "encumbered" by the Grantee pursuant to a contract or purchase order with a third party.

## ARTICLE V. EARLY TERMINATION

### A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

- (i) Termination due to completion of the Project before the Reversion Date; or
- (ii) Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
- (iii) Termination for violation of the terms of this Agreement; or
- (iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

### B. Early Termination Before Reversion Date Due to Non-Appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

### C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

## ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its absolute discretion, to direct the Grantee to suspend entering into new and further obligations.

- (i) The Grantee shall immediately suspend entering into new or further written obligations with third parties upon the date the Grantee receives written notice given by the Department; and
- (ii) The Department is, upon the date the Grantee receives written notice given by the Department, suspending issuance of any new or further Notice of Obligation under this Agreement; and

(iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

**D. Corrective Action Plan in the Event of Suspension**

In the event that the Department chooses, in its absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

**ARTICLE VII. AMENDMENT**

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

**ARTICLE VIII. REPORTS**

**A. Paper Periodic Reports**

In order that the Department may adequately monitor Project activity, the Grantee shall submit to the Department Paper Periodic Reports for the Project. Paper Periodic Reports shall be submitted on a form prescribed by the Department. The Paper Periodic and Paper Final Report form are attached hereto as Exhibit 1. The Department shall provide the Grantee with a minimum of thirty (30) days' advance written notice of any change to the Periodic Report format or content.

The Paper Periodic Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Paper Final Report for the Project. The Department may, in its discretion, change the reporting period from time to time by giving Grantee a minimum of thirty (30) days' advance, written notice of any change to the reporting period; provided, however, that in no event shall the reporting period be less than one month.

**B. Paper Final Report**

The Grantee shall submit to the Department a Final Report for the Project. The Final Report shall be submitted on a form provided by the Department and contain such information as the Department may require. The Periodic and Final Report form is attached hereto as Exhibit 1. The Department shall provide Grantee with a minimum of thirty (30) days' advance, written notice of any change to the Final Report format or content. The Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, whichever first occurs.

**C. Paperless Reporting**

In addition to the paper reports described in subparagraphs A and B of this Article, the Grantee shall report periodic and final Project activity by entering such Project information as the Department may require directly

into a database maintained by the Department. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report on a paperless basis. The Paperless Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Final Report for the Project. The Paperless Final Report along with a Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, whichever first occurs.

#### D. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may (i) request such additional information regarding the Project as it deems necessary and (ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project. Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department. Requests made pursuant to this subparagraph D are in addition to and not in lieu of the periodic and final reporting described in subparagraphs A through C of this article VIII.

### ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 2. Payment requests are subject to the following procedures:

- (i) The Grantee must submit one original and one copy of each Request for Payment; and
- (ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee in the form of a notarized certification by Grantee's designated representative in Article III herein, that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee of services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
- (iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing.

#### B. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- (i) Immediately as they are received by the Grantee but at a minimum of twenty (20) days from the end of the calendar quarter in which the expenditure was incurred or liability of the Grantee was incurred as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor, if total unreimbursed expenditures or liabilities at calendar quarter end exceed \$25,000; or
- (ii) July 15 of each year for all unreimbursed expenditures incurred during the previous fiscal year; or
- (iii) Twenty (20) days from date of Early Termination; or
- (iv) Twenty (20) days from the Reversion Date.

C. The Grantee's failure to abide by the requirements set forth in Article II herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

#### ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

(i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the Procurement Code (or local procurement ordinance, where applicable).

(ii) The project must be implemented in accordance with the New Mexico Public Works Minimum Works Act, Section 13-4-10 through 13-4-17 NMSA 1978, if applicable. Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 B. NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.

(iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the so-called "Anti-Donation Clause."

(iv) The Grantee shall not at any time convert any property acquired or developed with the Project's funds to uses other than those specified in the Project Description without the Department's express, advance written approval.

(v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable

time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

(i) The Grantee has the legal authority to receive and expend the Project's funds.

(ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.

(iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which it is subject.

(iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.

(v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.

(vi) The Grantee shall abide by New Mexico laws regarding Conflict of Interest and Governmental Conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

(vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

#### ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS: PROJECT RECORDS

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records

sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department of Finance and Administration and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

#### ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

#### ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

#### ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and DFA concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

#### ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the Santa Fe County may immediately terminate this Agreement by giving Contractor written notice of such termination. The Santa Fe County's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the Santa Fe County, the Department of Finance and Administration, Local Government Division (DFA/LGD), or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the Santa Fe County or DFA/LGD."

#### ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges and agrees that Grantee shall include the following or a termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

"This contract is funded in whole or in part by funds made available under Department of Finance and Administration, Local Government Division (DFA/LGD) Grant Agreement. Should DFA/LGD early terminate the

grant agreement, the Santa Fe County may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the Santa Fe County's only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

#### ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
3. timely submit all required financial reports to its budgetary oversight agency (if any); and
4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

#### ARTICLE XVIII. SEVERANCE TAX BOND PROJECT AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, which is administered by the New Mexico State Board of Finance (BOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole responsibility to determine through BOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a BOF imposed condition does not affect the validity or enforceability of the condition; (iii) the BOF may in the future impose further or different conditions upon the Project; (iv) all BOF conditions are effective without amendment of this Agreement; (v) all applicable BOF conditions must be satisfied before the BOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current BOF conditions being satisfied.

B. Grantee acknowledges and agrees that this Agreement is subject to the BOF's Bond Project Disbursements rule, 2.61.6 NMAC, as such may be amended or re-codified.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

ARTICLE I. PROJECT DESCRIPTION, AMOUNT OF GRANT AND REVERSION DATE

A. The project that is the subject of this Agreement is described as follows:

16-A4086 \$162,191.42 Appropriation Reversion Date: 30-JUN-18  
Laws of 2016, Chapter 83, Section 98, Paragraph 98, One Hundred Sixty-Two Thousand One Hundred Ninety-One and 42/100 Dollars (\$162,191.42) The unexpended balance of the appropriation to the local government division in Subsection 183 of Section 31 of Chapter 226 of Laws 2013 to purchase and install medical and security equipment and information technology at the women's health services facility in Santa Fe in Santa Fe county shall not be expended for the original purpose but is changed to plan, design, renovate, construct, improve and furnish facilities, including the purchase and installation of medical, pharmacy and security equipment and information technology and related equipment and infrastructure, at the women's health services building in Santa Fe in Santa Fe county. The time of expenditure is extended through fiscal year 2018.

The Grantee's total reimbursements shall not exceed the appropriation amount One Hundred Sixty-Two Thousand One Hundred Ninety-One and 42/100 Dollars (\$162,191.42) (the "Appropriation Amount") minus the allocation for Art in Public Places ("AIPP amount")<sup>[1]</sup>, if applicable, Zero Dollars (\$0.00), which equals One Hundred Sixty-Two Thousand One Hundred Ninety-One and 42/100 Dollars (\$162,191.42) (the "Adjusted Appropriation Amount").

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

This project is referred to throughout the remainder of this Agreement as the "Project"; the information contained in Article I(A) is referred to collectively throughout the remainder of this Agreement as the "Project Description". The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

## ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse<sup>[2]</sup> Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

- (i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and
- (ii) The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third Party Obligation(s), as defined in subparagraph iii of this Article II(A); and
- (iii) The Grantee's expenditures were made pursuant to the Grantee's legal procurement and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and
- (iv) The Grantee's submittal of timely Requests for Payment in accordance with the procedures set forth in Article IX of this Agreement;
- (v) In the event that capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:

[1] The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars (\$200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars (\$100,000)." Section 13-4A-4 NMSA 1978.

[2] "Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

- a. must be approved by the applicable oversight entity (if any) in accordance with law; or
- b. if no oversight entity is required to approve of the transaction, the Department must approve of the transaction as complying with law.

Prior to the sale, lease, license, or operating agreement being approved pursuant to subparagraph (a) or (b) above, the Department may, in its discretion and unless inconsistent with New Mexico State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

(vi) The Grantee's submittal of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement as follows:

- a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party but prior to execution by the Grantee.

- b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such expenditures.

- c. The Department may, in its absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 3.

- d. The date the Department sends, by mail or email, the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party begin work.

B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

C. Project funds shall not be used for purposes other than those specified in the Project Description.

D. Unless specifically allowed by law, Project funds cannot be used to reimburse Grantee for indirect Project costs.

**ARTICLE IV. REVERSION DATE, TERM, EARLY TERMINATION**

A. As referenced in Article I(A), the applicable law establishes a date by which Project funds must be expended by Grantee, which is referred to throughout the remainder of this Agreement as the "Reversion Date." Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. B. The Project's funds must be "expended" on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to "encumber" the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are "expended" and an "expenditure" has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* "expended" and an "expenditure" has *not* occurred as of the date they are "encumbered" by the Grantee pursuant to a contract or purchase order with a third party.

## ARTICLE V. EARLY TERMINATION

### A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

- (i) Termination due to completion of the Project before the Reversion Date; or
- (ii) Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
- (iii) Termination for violation of the terms of this Agreement; or
- (iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

### B. Early Termination Before Reversion Date Due to Non-Appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

### C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

## ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its absolute discretion, to direct the Grantee to suspend entering into new and further obligations.

- (i) The Grantee shall immediately suspend entering into new or further written obligations with third parties upon the date the Grantee receives written notice given by the Department; and
- (ii) The Department is, upon the date the Grantee receives written notice given by the Department, suspending issuance of any new or further Notice of Obligation under this Agreement; and

(iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

**D. Corrective Action Plan in the Event of Suspension**

In the event that the Department chooses, in its absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

**ARTICLE VII. AMENDMENT**

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

**ARTICLE VIII. REPORTS**

**A. Paper Periodic Reports**

In order that the Department may adequately monitor Project activity, the Grantee shall submit to the Department Paper Periodic Reports for the Project. Paper Periodic Reports shall be submitted on a form prescribed by the Department. The Paper Periodic and Paper Final Report form are attached hereto as Exhibit 1. The Department shall provide the Grantee with a minimum of thirty (30) days' advance written notice of any change to the Periodic Report format or content.

The Paper Periodic Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Paper Final Report for the Project. The Department may, in its discretion, change the reporting period from time to time by giving Grantee a minimum of thirty (30) days' advance, written notice of any change to the reporting period; provided, however, that in no event shall the reporting period be less than one month.

**B. Paper Final Report**

The Grantee shall submit to the Department a Final Report for the Project. The Final Report shall be submitted on a form provided by the Department and contain such information as the Department may require. The Periodic and Final Report form is attached hereto as Exhibit 1. The Department shall provide Grantee with a minimum of thirty (30) days' advance, written notice of any change to the Final Report format or content. The Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, which ever first occurs.

**C. Paperless Reporting**

In addition to the paper reports described in subparagraphs A and B of this Article, the Grantee shall report periodic and final Project activity by entering such Project information as the Department may require directly

into a database maintained by the Department. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report on a paperless basis. The Paperless Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Final Report for the Project. The Paperless Final Report along with a Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, whichever first occurs.

#### D. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may (i) request such additional information regarding the Project as it deems necessary and (ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project. Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department. Requests made pursuant to this subparagraph D are in addition to and not in lieu of the periodic and final reporting described in subparagraphs A through C of this article VIII.

### ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 2. Payment requests are subject to the following procedures:

- (i) The Grantee must submit one original and one copy of each Request for Payment; and
- (ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee in the form of a notarized certification by Grantee's designated representative in Article III herein, that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee of services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
- (iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing.

#### B. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- (i) Immediately as they are received by the Grantee but at a minimum of twenty (20) days from the end of the calendar quarter in which the expenditure was incurred or liability of the Grantee was incurred as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor, if total unreimbursed expenditures or liabilities at calendar quarter end exceed \$25,000; or
- (ii) July 15 of each year for all unreimbursed expenditures incurred during the previous fiscal year; or
- (iii) Twenty (20) days from date of Early Termination; or
- (iv) Twenty (20) days from the Reversion Date.

C. The Grantee's failure to abide by the requirements set forth in Article II herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

#### ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

(i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the Procurement Code (or local procurement ordinance, where applicable).

(ii) The project must be implemented in accordance with the New Mexico Public Works Minimum Works Act, Section 13-4-10 through 13-4-17 NMSA 1978, if applicable. Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 B. NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.

(iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the so-called "Anti-Donation Clause."

(iv) The Grantee shall not at any time convert any property acquired or developed with the Project's funds to uses other than those specified in the Project Description without the Department's express, advance written approval.

(v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable

time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

(i) The Grantee has the legal authority to receive and expend the Project's funds.

(ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.

(iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which it is subject.

(iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.

(v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.

(vi) The Grantee shall abide by New Mexico laws regarding Conflict of Interest and Governmental Conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

(vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS: PROJECT RECORDS

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records

sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department of Finance and Administration and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

#### ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

#### ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

#### ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and DFA concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

#### ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the Santa Fe County may immediately terminate this Agreement by giving Contractor written notice of such termination. The Santa Fe County's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the Santa Fe County, the Department of Finance and Administration, Local Government Division (DFA/LGD), or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the Santa Fe County or DFA/LGD."

#### ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges and agrees that Grantee shall include the following or a termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

"This contract is funded in whole or in part by funds made available under Department of Finance and Administration, Local Government Division (DFA/LGD) Grant Agreement. Should DFA/LGD early terminate the

grant agreement, the Santa Fe County may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the Santa Fe County's only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

#### ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;

#### ARTICLE XVIII. SEVERANCE TAX BOND PROJECT AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, which is administered by the New Mexico State Board of Finance (BOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole responsibility to determine through BOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a BOF imposed condition does not affect the validity or enforceability of the condition; (iii) the BOF may in the future impose further or different conditions upon the Project; (iv) all BOF conditions are effective without amendment of this Agreement; (v) all applicable BOF conditions must be satisfied before the BOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current BOF conditions being satisfied.

B. Grantee acknowledges and agrees that this Agreement is subject to the BOF's Bond Project Disbursements rule, 2.61.6 NMAC, as such may be amended or re-codified.

ARTICLE I. PROJECT DESCRIPTION. AMOUNT OF GRANT AND REVERSION DATE

A. The project that is the subject of this Agreement is described as follows:

16-A4084 \$113,256.00 Appropriation Reversion Date: 30-JUN-18  
Laws of 2016, Chapter 83, Section 96, Paragraph 96, One Hundred Thirteen Thousand Two Hundred Fifty-Six Dollars (\$113,256.00) The unexpended balance of the appropriation to the local government division in Subsection 192 of Section 22 of Chapter 66 of Laws 2014 to design and construct renovations to the women's health building in Santa Fe county shall not be expended for the original purpose but is changed to plan, design, renovate, construct, improve and furnish facilities, including the purchase and installation of medical, pharmacy and security equipment and information technology and related equipment and infrastructure, at the women's health services building in Santa Fe in Santa Fe county.

The Grantee's total reimbursements shall not exceed the appropriation amount One Hundred Thirteen Thousand Two Hundred Fifty-Six Dollars (\$113,256.00) (the "Appropriation Amount") minus the allocation for Art in Public Places ("AIPP amount")<sup>[1]</sup>, if applicable, Zero Dollars (\$0.00), which equals One Hundred Thirteen Thousand Two Hundred Fifty-Six Dollars (\$113,256.00) (the "Adjusted Appropriation Amount").

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

## ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse; Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

- (i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and

- b. if no oversight entity is required to approve of the transaction, the Department must approve of the transaction as complying with law.

Prior to the sale, lease, license, or operating agreement being approved pursuant to subparagraph (a) or (b) above, the Department may, in its discretion and unless inconsistent with New Mexico State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

(vi) The Grantee's submittal of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement as follows:

a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party but prior to execution by the Grantee.

b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such expenditures.

c. The Department may, in its absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 3.

d. The date the Department sends, by mail or email, the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party begin work.

B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

### ARTICLE IV. REVERSION DATE. TERM. EARLY TERMINATION

A. As referenced in Article I(A), the applicable law establishes a date by which Project funds must be expended by Grantee, which is referred to throughout the remainder of this Agreement as the "Reversion Date." Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. It shall terminate on June 30, 2018, the Reversion Date, unless Terminated Before Reversion Date ("Early Termination") pursuant to Article V herein.

B. The Project's funds must be "expended" on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to "encumber" the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are "expended" and an "expenditure" has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* "expended" and an "expenditure" has *not* occurred as of the date they are "encumbered" by the Grantee pursuant to a contract or purchase order with a third party.

## ARTICLE V. EARLY TERMINATION

### A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

- (i) Termination due to completion of the Project before the Reversion Date; or
- (ii) Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
- (iii) Termination for violation of the terms of this Agreement; or
- (iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

### B. Early Termination Before Reversion Date Due to Non-Appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

### C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

## ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its absolute discretion, to direct the Grantee to suspend entering into new and further obligations.

- (i) The Grantee shall immediately suspend entering into new or further written obligations with third parties upon the date the Grantee receives written notice given by the Department; and
- (ii) The Department is, upon the date the Grantee receives written notice given by the Department, suspending issuance of any new or further Notice of Obligation under this Agreement; and

(iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

**D. Corrective Action Plan in the Event of Suspension**

In the event that the Department chooses, in its absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

**ARTICLE VII. AMENDMENT**

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

**ARTICLE VIII. REPORTS**

**A. Paper Periodic Reports**

In order that the Department may adequately monitor Project activity, the Grantee shall submit to the Department Paper Periodic Reports for the Project. Paper Periodic Reports shall be submitted on a form prescribed by the Department. The Paper Periodic and Paper Final Report form are attached hereto as Exhibit 1.

The Department shall provide the Grantee with a minimum of thirty (30) days' advance written notice of any change to the Periodic Report format or content.

The Paper Periodic Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Paper Final Report for the Project. The Department may, in its discretion, change the reporting period from time to time by giving Grantee a minimum of thirty (30) days' advance, written notice of any change to the reporting period; provided, however, that in no event shall the reporting period be less than one month.

**B. Paper Final Report**

The Grantee shall submit to the Department a Final Report for the Project. The Final Report shall be submitted on a form provided by the Department and contain such information as the Department may require. The Periodic and Final Report form is attached hereto as Exhibit 1. The Department shall provide Grantee with a minimum of thirty (30) days' advance, written notice of any change to the Final Report format or content. The Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, whichever first occurs.

**C. Paperless Reporting**

In addition to the paper reports described in subparagraphs A and B of this Article, the Grantee shall report periodic and final Project activity by entering such Project information as the Department may require directly

into a database maintained by the Department. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report on a paperless basis. The Paperless Report shall be due monthly on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of a Final Report for the Project. The Paperless Final Report along with a Paper Final Report must be submitted within twenty (20) days after the Project's Reversion Date or within twenty (20) days of the date of Early Termination, which ever first occurs.

**D. Requests for Additional Information/Project Inspection**

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may (i) request such additional information regarding the Project as it deems necessary and (ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project. Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department. Requests made pursuant to this subparagraph D are in addition to and not in lieu of the periodic and final reporting described in subparagraphs A through C of this article VIII.

**ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES**

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 2. Payment requests are subject to the following procedures:

(i) The Grantee must submit one original and one copy of each Request for Payment; and

(ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee in the form of a notarized certification by Grantee's designated representative in Article III herein, that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee of services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its discretion, agrees to do so and in accordance with any special conditions imposed by the Department.

(iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing.

**B. Deadlines**

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- (i) Immediately as they are received by the Grantee but at a minimum of twenty (20) days from the end of the calendar quarter in which the expenditure was incurred or liability of the Grantee was incurred as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor, if total unreimbursed expenditures or liabilities at calendar quarter end exceed \$25,000; or
- (ii) July 15 of each year for all unreimbursed expenditures incurred during the previous fiscal year; or
- (iii) Twenty (20) days from date of Early Termination; or
- (iv) Twenty (20) days from the Reversion Date.

C. The Grantee's failure to abide by the requirements set forth in Article II herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

#### ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS: REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

(i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the Procurement Code (or local procurement ordinance, where applicable).

(ii) The project must be implemented in accordance with the New Mexico Public Works Minimum Works Act, Section 13-4-10 through 13-4-17 NMSA 1978, if applicable. Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 B. NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.

(iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the so-called "Anti-Donation Clause."

(iv) The Grantee shall not at any time convert any property acquired or developed with the Project's funds to uses other than those specified in the Project Description without the Department's express, advance written approval.

(v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable

time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

(i) The Grantee has the legal authority to receive and expend the Project's funds.

(ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.

(iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which it is subject.

(iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.

(v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.

(vi) The Grantee shall abide by New Mexico laws regarding Conflict of Interest and Governmental Conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

(vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

**ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS: PROJECT RECORDS**

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records

sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department of Finance and Administration and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

#### ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

#### ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

#### ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and DFA concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

#### ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the Santa Fe County may immediately terminate this Agreement by giving Contractor written notice of such termination. The Santa Fe County's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the Santa Fe County, the Department of Finance and Administration, Local Government Division (DFA/LGD), or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the Santa Fe County or DFA/LGD."

#### ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges and agrees that Grantee shall include the following or a termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

"This contract is funded in whole or in part by funds made available under Department of Finance and Administration, Local Government Division (DFA/LGD) Grant Agreement. Should DFA/LGD early terminate the

grant agreement, the Santa Fe County may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the Santa Fe County's only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

#### ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
3. timely submit all required financial reports to its budgetary oversight agency (if any); and
4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

#### ARTICLE XVIII. SEVERANCE TAX BOND PROJECT AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, which is administered by the New Mexico State Board of Finance (BOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole responsibility to determine through BOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a BOF imposed condition does not affect the validity or enforceability of the condition; (iii) the BOF may in the future impose further or different conditions upon the Project; (iv) all BOF conditions are effective without amendment of this Agreement; (v) all applicable BOF conditions must be satisfied before the BOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current BOF conditions being satisfied.

B. Grantee acknowledges and agrees that this Agreement is subject to the BOF's Bond Project Disbursements rule, 2.61.6 NMAC, as such may be amended or re-codified.
