Re: Recognition of Years of Service for Santa Fe County Employees for November 2017

Santa Fe County initiated a years of service recognition program in July 2014. This program recognizes employees on a monthly basis who have completed years of service in five year increments. Santa Fe County recognizes the value of employee retention. It is important that we express our appreciation to those employees who contribute to the County and choose to make their career with us. Employees receive a service pen with the years of service listed.

For the month of November 2017, the following employees will be recognized:
