**Re:** Recognition of Robert Griego, Planning Manager on Receiving the Citizen Planner Award from Western Planning.

---

Western Planner recognized Robert Griego with the Citizen Planner Award at the Tribal Planning/Western Planner Conference in Ft. Hall, Idaho, on August 7th. Western planning is a professional organization connecting planners practicing throughout the Western United States. The award recognizes a professional planner who has distinguished themselves as a champion and leader of a program that embodies the principles of planning. The individual demonstrates exceptional skill at problem identification and solving, process development and implementation, and/or public outreach and communication. Above all, the planner will have conducted themselves with humor and compassion towards those they strive to benefit.

Robert was nominated for this award because of his long-standing commitment to the communities of Santa Fe County. In particular, Robert is being recognized for his in-depth work with residents and stakeholders in developing community plans. Robert has also been working intensively on supporting local agricultural heritage and future opportunities for agricultural innovation. Through his long-standing, well-established relationships with community members, Robert has been able to build trust and better communication between the public and the County.

Re: Recognition of Years of Service for Santa Fe County Employees for August 2018

Santa Fe County initiated a years of service recognition program in July of 2014. This program recognizes employees on a monthly basis who have completed years of service in five year increments. Santa Fe County recognizes the value of employee retention. It is important that we express our appreciation to those employees who contribute to the County and choose to make their career with us. Employees receive a service pen with the years of service listed.
