Dear Ms. Miller:

It is with regret that I must tender my resignation from my position as the North Area Representative on the Santa Fe County Water Policy Advisory Committee prior to the conclusion of my three-year term.

My husband's newly diagnosed terminal illness means I will no longer be able to make what I feel is the necessary commitment of time and energy to remain actively engaged in water issues in my community. Therefore, I feel it would be in the best interest of the County if our District 1 Commissioner were to select another candidate who can provide better ongoing connectivity to North Area water matters.

It has been an honor to serve the County and its citizens this past year, and I have enjoyed working with my fellow volunteers and with County staff every step of the way.

I thank you and the County Commission for having provided me this opportunity to serve my community, and I leave knowing that my fellow Committee members will continue their good work in the months and years to come. I wish them, and all of you at the County, every success.

Sincerely,

  
Shelley Winship
