MEMORANDUM

To: Santa Fe County Board of County Commissioners

From: Stephanie Schardin Clarke, Finance Director 

Via: Katherine Miller, County Manager

Date: May 8, 2018

Subject: Resolution No. 2018-____, A Resolution Authorizing The Disposition Of Fixed Assets Worth \$5,000 Or Less In Accordance With State Statute. (Finance/Stephanie Schardin Clarke)

ISSUE:

On an annual basis, department staff/elected officials are required to collect information related to inoperable or obsolete property and equipment of Santa Fe County worth \$5,000 or less in order to determine its eligibility for disposition.

BACKGROUND:

Santa Fe County follows the State of New Mexico statutory policies to dispose of surplus property and equipment pursuant to NMSA 1978, Section 13-6-1 (2013). Each Santa Fe County department/elected office participates in the process to review damaged, broken, or obsolete fixed assets inventory to determine whether assets are usable, safe for continued use, or if the cost to repair the item would be excessive. Each department may submit a proposed listing of surplus items to the Finance Division. Electronic items are reviewed by the IT Division and vehicles are reviewed by the PW Fleet Division to determine eligibility for disposition. The final listing of all items is then forwarded to all Santa Fe County departments/elected offices, as well as to the NM Association of Counties, to see if other departments/elected offices or New Mexico Counties can use the items that may be offered for disposition.

REQUEST ACTION:

The Finance Division requests the Board's consideration and approval of the attached resolution to dispose obsolete personal property. Upon approval of the resolution by the Board of County Commissioners, a copy of the resolution will be submitted to the State Auditor's Office. The items will be disposed 30 days after notification to the State Auditor.

SANTA FE COUNTY

RESOLUTION NO. 2018-

A RESOLUTION AUTHORIZING THE DISPOSITION OF FIXED ASSETS IN ACCORDANCE WITH STATE STATUTE

WHEREAS, Santa Fe County (County) desires to dispose certain personal property identified in Exhibit A, attached; and

WHEREAS, Exhibit A details each item of personal property by department or office, tag number, description of fixed asset, serial number, reason for surplus, condition of fixed asset, location of fixed asset, and/or estimated value; and

WHEREAS, the Board of County Commissioners (BCC) hereby determines that (i) each item of personal property on Exhibit A is worn-out, unusable, or obsolete to the extent that the item is no longer economical or safe for continued use by the County and (ii) each item on Exhibit A has an estimated current resale value of five thousand dollars (\$5,000) or less.

NOW, THEREFORE, BE IT RESOLVED that the BCC (i) approves of the disposal of the personal property listed on Exhibit A, pursuant to NMSA 1978, Section 13-6-1 (2013), and (ii) directs that, to the extent feasible, the personal property shall be sold at public auction and, if that it is not, feasible, that it be disposed of as otherwise allowed by law.

PASSED, APPROVED, AND ADOPTED THIS 8th DAY OF MAY, 2018.
