Re: Recognition of Years of Service for Santa Fe County Employees for January 2018

Santa Fe County initiated a years of service recognition program in July of 2014. This program recognizes employees on a monthly basis who have completed years of service in five year increments. Santa Fe County recognizes the value of employee retention. It is important that we express our appreciation to those employees who contribute to the County and choose to make their career with us. Employees receive a service pen with the years of service listed.

Re: Recognition of Santa Fe County Employee of the Quarter, 4<sup>th</sup> Quarter of 2017 Awards

The purpose of the Employee of the Quarter Program is to recognize employees who make a significant contribution to Santa Fe County during the previous three (3) month period. The significant contribution may include providing excellent service to our constituents, developing and implementing new programs which will benefit our organization, for providing exemplary performance to Santa Fe County in their daily job performance, demonstrating a willingness to work above and beyond the call of duty or another contribution which the nominator believes to be important to recognize. The process for selecting the Countywide Employee of the Quarter begins with the designated Recognition Teams selecting one (1) Department/Elected Office Employee of the Quarter for their group. The nominated Department/Elected Office Employees of the Quarter are then considered for the countywide Employee of the Quarter.

The two employees selected for the Department/Elected Office Employee of the Quarter for the 4<sup>th</sup> quarter of calendar year 2017 are as follows:

Group	Employee Name & Dept./Off.	Title	Hire Date	Comments
County Manager's Office/Finance	Yvonne Herrera	Accounting & Finance Reporting Manager		Yvonne Herrera joined the staff of Santa Fe County Finance Division on July 15, 2017. She arrived at the most demanding and critical time of year possible for her position. When Yvonne arrived, Fiscal Year 2017 had just ended without her having had the opportunity to provide input into year-end closing processes that are

			<p>critical to ensure a smooth audit process. In addition, the Finance Director position to which Yvonne reports was vacant for several weeks during this critical period. Yvonne quickly learned a great deal about the County's accounting practices and software systems and immediately began working to compile the County's Fiscal Year 2017 financial statements and Comprehensive Annual Financial Report (CAFR). She exhibited incredible leadership, persistence, attention to detail, teamwork, and patience in working with all of the County's departments as well as the County's external auditor. As a result of Yvonne's leadership, the County's Fiscal Year 2017 CAFR was successfully submitted to the New Mexico Office of the State Auditor by the December 1, 2017 deadline. She is a highly valued addition to the Finance Department.</p>
Fire Department	Walter Dasheno	Fire Prevention Specialist Urban Wildland	<p>Walter Dasheno has been employed in the Santa Fe County Wildland Division, as the Fire Department's Lead Wildland Urban Interface Specialist since 2009. Walter has the primary responsibility to train, manage and lead the Black Canyon Hand Crew, a team of 10 wildland firefighters who specialize in hazardous fuels mitigation and wildland fire suppression. During the 2017 wildland fire season, Walter was deployed with the Black Canyon Hand Crew to several fires in Santa Fe County and the Santa Fe National Forest. On the Hondito, Cajete, and Peggy fires, the crew received excellent evaluations for physical conditioning, hot line construction, off line conduct, crew organization and safety. Written comments from the United States</p>

				Forest Service supervisors were also very complimentary, highlighting the positive attitude of the crew and their flexibility, competency, efficiently and safe performance. One supervisor wrote, "Black Canyon crew is an important partner with the Santa Fe County Forest and in the future, I would use them anytime for any prescribed fire or wildfire." These highlights are a reflection of the direct, hands on leadership and guidance of Walter Dasheno and the outstanding work he does in preparing and directing his crew members.
