Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

The PHA will use a three-prong approach in dealing with the needs of the three housing neighborhoods. First, the PHA plans to continue providing on-site activities for the youth in the neighborhoods. This program has been instrumental in educating youth, and involving them in competitive and social environments. The second approach is to provide drug awareness programs and presentations to residents on a monthly basis. The third approach is to provide additional lighting and visually improve the common areas. The PHA will monitor and evaluate the program on a monthly basis to ensure goals and objectives are being met in accordance with the rules and regulations. This will be achieved by meeting with the youth program providers monthly, conducting facility inspections, reviewing police reports and monitoring illegal criminal activity in the housing neighborhoods. The PHA will also monitor resident's participation in programs and presentations provided as a component of the PHDEP.
