DETAILED JUSTIFICATION FOR REQUESTING BUDGET ADJUSTMENT (If applicable, cite the following authority: State Statute, grant name and award date, other laws, regulations, etc.):

- 1) Please summarize the request and its purpose. This request will budget funds received through a grant agreement with the New Mexico State Highway and Transportation Department for Litter Control and Beautification. The funds will be used to purchase supplies, advertisement, hiring of temporary employees, FICA-Regular and FICA-Medicare for Temporary Employees in order to complete the conditions required under the grant agreement.
2) Why was this request not included in the Fiscal Year 2002 Operating Budget? The Public Works Department could not determine the amount of the grant agreement during preparation of the FY 2002 operating budget. The Department is requesting that a separate account (NM Litter & Beautification) be set up for accounting purposes and that the full amount of the agreement be budgeted.
3) Is the transfer recurring or non-recurring and what are the future funding impacts of this request? The transfer will be non-recurring.
4) Does this request impact a revenue source? If so, please identify (i.e. General Fund, state funds, federal funds, etc.), and address the following: This request impacts the general fund by increasing the amount of revenues to be incoming from this grant agreement.
a) If this is a state special appropriation, cite the statute and attach a copy. This request is not a state special appropriation.
b) If this is a state or federal grant, cite grant name, number, award date and amount. This increase is not from a state or federal grant. This is a grant from the New Mexico State Highway & Transportation Department and is as follows;
