A 4-H member is in good standing if they have complied with the club or state requirements of membership and were enrolled in a club/project by May 1st of the current year.
- All indoor exhibit entries must be checked in before being displayed. Superintendents will be in charge. See Calendar of Events for check in times. Agricultural Products, Floriculture and Sale Ring Cake will be checked in at a later time as indicated in the calendar. *All indoor 4-H exhibits must be pre-registered by July 30, 2003. Cloverbuds are not eligible to exhibit at State Fair.
- The Cooperative Extension Service, The Santa Fe County Fair Board and the Santa Fe County 4-H Council will take every precaution for the safety of visitors and exhibits, but assumes no liability for personal injury or for loss or damage to any property of the concessionaire, exhibitor, or patron due to theft, fire or other causes.

Animals must be free of external parasites, scabies, sore mouth, foot rot and other contagious diseases or will not be allowed to show.

- Livestock will be judged on the merit of the individual animal, station judging will not be utilized.
- Animals will be released at 4:00 p.m. Sunday with the exception of animals going to a designated processor—these animals will be picked up at 2:30 p.m. **Release time will be strictly enforced by superintendents and release forms will only be signed after grounds are clean. Any exhibitor that leaves before his or her form is signed will be assessed a \$25 clean up fee.**
- All entries must be certified as to eligibility by local leader and county agent by declaration date selected by committee. **Official entry form complete with all signatures must be turned in to the County Agent two weeks prior to check-in.** County agents and local leaders shall be responsible for assuring that all show animals are the results of individual member accomplishment.

- Use of any product or substance administered internally or used externally to alter the appearance or conformation of an animal for exhibition. This includes the use of graphite's, powders, dyes, hemp, false tail-heads, glued on hair, or hair-like substance, or other similar substances externally, steroids, growth stimulants, diuretic, or artificial filling internally. - As a condition for participation in the Show, every exhibitor must agree to submit any animal entered by exhibitor to inspection by a veterinarian appointed by the management, FDA, USDA/FSIS, New Mexico Department of Agriculture, and/or New Mexico Department of Health and agrees to have such animal submitted to any tests as may be designated and requested by the veterinarian. The exhibitor must notify the Livestock Superintendent within 15 minutes of the last showmanship class or the Superintendent will make the decision for the exhibitor.

Sale Rules

- Exhibitors may sell a total of two (2) animals of different species.
- Any exhibitor whose livestock is eligible but who wishes to withdraw such livestock from the sale, must notify the superintendent of the department in writing within one hour after the conclusion of the livestock show. **NO EXCEPTIONS!** There will be an initial posting and exhibitors will have 1 hour to withdraw any additional animals that may have moved up in the sale order. Exhibitors are encouraged to withdraw any and all animals immediately that they do not want to go through the sale, regardless of where the animal placed.
- Animals from these classes selected to go through the sale will be made on a percentage basis in accordance with the number of exhibitors entered in each division, placing of the animals, degree of finish and type of competition. Selection of the total number of animals to be sold can be made anytime prior to the sale by a quorum of the Fair Board members present and the superintendents. Absolutely no last place animal will be sold.
- Selected animals consisting of steers, lambs, hogs, meat goats, replacement dairy heifers, rabbits and poultry will be sold in proper order as placed by the judge. There will be a total of four rabbit and poultry spots in the sale order. There will be two sale slots for replacement dairy heifers unless there are less than six dairy heifers in the show. If less than six replacement dairy heifers are shown, there will only be one sale slot allotted.
- Exhibitors may not substitute a non-qualifying animal in place of an animal that qualifies for the sale.
- Money from the sale of any animals in the fair will be received by the 4-H Boosters Club. The committee will then pay the 4-H/FFA exhibitor after all transactions have been completed.
- All animals entered in this department may be reviewed by a sifting committee as well as the official veterinarian and inferior animals will be eliminated from the sale. Sale of sifted animals must be handled by the owner. The Fair assumes no responsibility in the sale of the sifted animals.
- The Santa Fe County Fair Board will not be responsible for the sale, delivery or payment nor for any negotiation between the seller or purchaser of any animal except those going through the livestock sale, or those non-sale animals which are sold for packer-bid.
- A 4% deduction will be made from each member's total sale proceeds to cover necessary expenses connected with the livestock sale and one (1) photograph to be **framed** by the exhibitor and presented to the buyer along with a nice thank you letter. Each participant in the Livestock Sale who sells an animal must make a concerted effort to personally present a framed sale picture and a thank-you note to the buyer of his/her animal before the sale monies are released to that participant. A copy of the thank-you note to the buyer as well as add-on donors and award donors must be turned in to the County Extension Office prior to the release of the sale monies.
- Exhibitors are strongly encouraged to participate in the countywide appreciation project for all livestock buyers. Each exhibitor will be asked to donate small, non-perishable items to the appreciation baskets. Names of those participating will be published.
