SANTA FE COUNTY, NEW MEXICO

RESOLUTION NO. 2004-68

A RESOLUTION

DONATING SURPLUS FIRE DEPARTMENT RESCUE EQUIPMENT TO NEEDY FIRE DEPARTMENTS IN NEW MEXICO

WHEREAS, the Santa Fe County Fire Department has received new fire, rescue, EMS equipment and apparatus to replace old and outdated equipment and apparatus; and

WHEREAS, the citizens of Santa Fe County have been generous in their support of the Santa Fe County Fire Department in providing new and updated equipment and apparatus that meet the needs and standards of local, state and federal agencies; and

WHEREAS, the old fire-rescue equipment does not meet current county-wide standards and/or some local, state and federal agency standards; and

WHEREAS, the Santa Fe County Fire Department, whenever possible, attempts to assist Fire Departments in a neighboring mutual aid jurisdiction or within the State of New Mexico; and

WHEREAS, many Fire Departments continue to struggle for subsistence funding much less funding for new or used fire equipment and apparatus in better condition than those presently in service; and

WHEREAS, the Santa Fe County Fire Department has declared the used fire, rescue and EMS equipment and apparatus to be surplus property and available for disposal; and

WHEREAS, the these needy Fire Departments desire to obtain this equipment and apparatus and put it to good use in service the public safety needs of their respective communities; and

WHEREAS, these needy Fire Department have made their request and needs known through the proper chain of command within their jurisdiction; and

SFC CLERK RECORDED 07/06/2004

WHEREAS, the Santa Fe County Fire Department and the Santa Fe County Commission have determined such disposal benefits the health, safety and welfare of the greater community including the citizens of Santa Fe County,

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF SANTA FE COUNTY that:

Dear Sir:

I met with Chief Jeff Saunders today and we went to the Turquoise Trail Station and looked at the surplus vehicles there. In San Miguel County we are in desperate need of tenders. We obtained 2 tenders in the forestry grant but it will be some time till they are delivered. One will be going to Rowe and will be available to assist with that end of Santa Fe County. The other is going to Conchas Dam. We could use 3 of the tenders that you are surplusing. 1 would, temporarily go to Rowe until they receive theirs. A second would go to La Placitas, which came off probation the first of May and does not have a tender. They are located in the village of Gallinas. The third would be placed with Tecolote until they receive the new vehicles from their USDA grant and then it would be moved either to Sheridan or El Pueblo. If you could see your way clear to provide these surplus vehicles to San Miguel County, it would greatly enhance our fire fighting capability and possibly impact the ISO of these departments. It will also allow us to enhance our ability

to provide mutual aid to the east end of Santa Fe County. We also need a rescue unit for Gallinas Fire Department. They are carrying their rescue equipment on their brush rig which is fine, except when the rig is in the middle of nowhere for a wildland fire and the equipment is needed for the I25 corridor. The, old white unit that you have in the yard would fit that need, at least temporarily. This will get the surplus vehicles off of your inventory and into the hands of departments that desperately

Sincerely,

Dan D. Wright
County Fire Marshal
San Miguel County

Dear Chief Holden:

Mateo DeVargas, Rio Arriba County Wildland Fire Coordinator has met with Captain McSweeney and was informed of apparatus being retired from Santa Fe County. Rio Arriba County is interested in the Tesuque Tanker, La Cienega Tanker and the red 1200 gallon Tanker. We would like to thank you in advance for consideration on the mentioned pieces of apparatus.

If you have any questions, please do not hesitate to call me at (505) 747-6367.

Thank you,

Jerome N. Sanchez
Rio Arriba County Fire Marshal

Re:	**White Oaks VFD request for SFFD surplus equipment**	**CC:**	**Curtis Pinson, Chief White Oaks VFD**

Chief Holden: Here is a copy of the letter of request that was sent to Mr. Gonzalez on April 8 and May 6. After hearing that Mr. Gonzalez still has not seen the letter, I faxed it today to his secretary Lynette who promised to hand-deliver it to him.

I would appreciate it if you would confirm with Mr. Gonzalez that he did receive this fax and, if not, please hand-deliver your copy. White Oaks VFD is very anxious to have their request for the surplus equipment considered.

Thanks for your help.

Jane Williams

RE: Santa Fe County Surplus Fire Equipment

Dear Mr. Gonzales:

On March 30, Fire Chief Curtis Pinson and Walt Birdsong of the White Oaks Volunteer Fire Department visited with Stan Holden, Chief of the Santa Fe Fire Department, regarding SFFD's surplus equipment. Lincoln County is interested in acquiring the following surplus equipment for the White Oaks VFD:

1. "Jaws of Life" with power unit
2. GMC diesel 1500 gal. tanker truck (red/white) stored at the Turquoise Trails Fire Dept.
3. International diesel 1000 gal. tanker truck (pea green) with 750 GPM pump (El Dorado Fire Dept., stored at the penitentiary)

White Oaks VFD is a fairly new department in a remote, forested area. They have only a 750 GPM tanker and a brush truck and desperately need tankers. We would appreciate it if this surplus equipment could be transferred to the White Oaks Volunteer Fire Dept.

Thank you for your consideration.

Thomas F. Stewart
County Manager
