4. The State owns certain land (the "Site") which it is willing to sell to the County and on which the Project will be constructed. The County will, after construction of the Project by Correctional Development Corporation of New Mexico ("CDC") in accordance with the proposal presented by CDC to the State, lease the Project to the State and, thereafter, in accordance with the terms of this Ordinance, the Lease Agreement and the Indenture give by deed (the "Deed") the Project to the State.

5. Moneys available for the Project from all sources other than the issuance of project revenue bonds are not sufficient to defray the cost of the Project.

6. The revenues from the Project may lawfully be pledged to secure the payment and redemption of the Bonds (hereinafter defined).

7. It is necessary to issue the Bonds to finance the construction of the Project and to promote the public health, safety, and welfare of and to encourage employment opportunities for the residents of the County of Santa Fe, New Mexico.

8. In order to finance the purchase of the Site and the cost of construction of the Project, including the payment of expenses related to the issuance and sale of the Bonds, the County intends to issue its Office and Training Facilities Project Revenue Bonds, Series 1990 in an amount not to exceed \$12,000,000 (the "Bonds") pursuant to the Acts, to lease the Project to the State pursuant to a Lease Agreement to be entered into between the County and the State (the "Lease Agreement") and to secure the Bonds with an Indenture of Trust (the "Indenture") to be entered into between Sunwest Bank of Albuquerque, N.A., Albuquerque, New Mexico, as trustee (the "Trustee") and the County.

9. The precise amount of Bonds to be issued, the sale price of the Bonds, the specific interest rate or rates to be borne by the Bonds, the principal maturities, other details related to the Bonds and distribution of disclosure documents for use with the offering of the Bonds will be subject to determination, ratification, confirmation and approval by the County by subsequent adoption of a resolution of the County Commission (the "Sale Resolution").

10. A public hearing was held on January 8, 1990 concerning the Project and the issuance of the Bonds, following publication of notice thereof fourteen days prior thereto.

11. The Commission has determined that it is in the best interest of the County to enter into negotiations with Coughlin & Company, Inc. (the "Purchaser" or the "Underwriter") for the purchase and sale of the Bonds pursuant to a bond purchase agreement.

12. The Bonds, together with the interest thereon, shall be limited obligations of the County, payable solely as provided in the Indenture and shall not constitute a general obligation of the County, or a debt or pledge of the faith and credit of Santa Fe County, the City of Santa Fe, or the State of New Mexico.

13. If requested by the Purchaser, the Commission has determined that it is beneficial and appropriate to close the sale of the Bonds into escrow pending the expiration of the time required for this Ordinance to become effective.

14. There has been placed on file with the County Clerk prior to this meeting (1) the proposed form of Lease Agreement (the "Lease Agreement") between the County and the State of New Mexico Corrections Department; (2) the proposed form of Indenture of Trust (the "Indenture") between the County and the Trustee; and (3) the proposed Development Agreement (the "Development Agreement") between the County, CDC and the State.
