If any Bond presented for payment remains unpaid at maturity, it shall continue to bear interest at the rate or rates designated in, and applicable to, such Bond from time to time. If any Bond is not presented for payment at maturity when funds available therefor have been deposited with the Paying Agent, it shall cease bearing interest on and from the date of maturity.

Section 11. Registration, Transfer, Exchange and Ownership of Bonds.

A. Registration, Transfer and Exchange. The County shall cause books for registration, transfer, and exchange of the Bonds as provided herein to be kept at the principal office of the Registrar. B. Limitations. The Registrar shall close books for change of registered owners' addresses on each Record Date; transfers will be permitted within the period from each Record Date to each Interest Payment Date, but such transfers shall not include a transfer of accrued interest payable.

C. Owner of the Bonds. The person in whose name any Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of either the principal of or interest on any such Bond shall be made only to or upon the order of the registered owner thereof or his legal representative as stated herein, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

D. Replacement Bonds. If any Bonds shall be lost, stolen, destroyed or mutilated, the Registrar shall, upon receipt of such Bond, if mutilated, and such evidence, information or indemnity relating thereto as the Registrar may reasonably require, if lost, stolen

F. Charges. For each new Bond issued in connection with a transfer or exchange, the Registrar may make a charge to the owner of the Bond requesting such exchange or transfer sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

G. Successor Registrar or Paying Agent. If the Registrar or Paying Agent initially appointed hereunder shall resign or is prohibited by law from continuing as Registrar or Paying Agent, or if the County shall reasonably determine that said Registrar or Paying Agent has become incapable of fulfilling its duties hereunder, the County may, upon notice mailed to each registered owner of Bonds at the address last shown on the registration books, appoint a successor Registrar or Paying Agent, or both. Every such successor Registrar or Paying Agent shall be a bank or trust company located in and in good standing in the United States and having a shareholders' equity (e.g., capital stock, surplus and undivided profits), however denominated, not less than \$50,000,000. It shall not be required that the same institution serves as both Registrar and Paying Agent hereunder, but the County shall have the right to have the same institution serve as both Registrar and Paying Agent hereunder.

H. Book Entry. The Bonds may be issued or registered, in whole or in part, in book-entry form from time to time with no physical distribution of bond certificates made to the public, with a Depository acting as securities depository for the Bonds. A single certificate for each maturity date of the Bonds issued in book-entry form will be delivered to the Depository and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in authorized denominations, with transfer of ownership affected on the books of the Depository and its participants ("Participants"). As a condition to delivery of the Bonds in book-entry form, the Purchaser will, immediately after acceptance of delivery thereof, deposit, or cause to be deposited, the Bond certificates with the Depository, registered in the name of the Depository or its nominee. Principal, premium, if any, and interest will be paid to the Depository or its nominee as the registered owner of the Bonds. The transfer of principal, premium, if any, and interest payments to Participants will be the responsibility of the Depository; the transfer of principal, premium, if any, and interest payments to the beneficial owners of the Bonds (the "Beneficial Owners") will be the responsibility of Participants and other nominees of Beneficial Owners maintaining a relationship with Participants (the "Indirect Participants"). The County will not be responsible or liable for maintaining, supervising or reviewing the records maintained by the Depository, Participants or Indirect Participants.

If (i) the Bonds are not eligible for the services of the Depository, (ii) the Depository determines to discontinue providing its services with respect to the Bonds or (iii) the

County determines that a continuation of the system of book-entry transfers through the Depository ceases to be beneficial to the County or the Beneficial Owners, the County will either identify another Depository or Bonds certificates will be delivered to the Beneficial Owners or their nominees, and the Beneficial Owners or their nominees, upon authentication of Bonds and registration of those Bonds in the Beneficial Owners' or nominees' names, will become the owners of the Bonds for all purposes. In that event, the County shall mail an appropriate notice to the Depository for notification to Participants, Indirect Participants and Beneficial Owners of the substitute Depository or the issuance of bond certificates to Beneficial Owners or their nominees, as applicable.

Officers of the County are authorized to sign agreements with the Depository relating to the matters set forth in this Section.

Notwithstanding any other provision of this Ordinance, so long as all of the Bonds are registered in the name of the Depository or its nominee, all payments of principal, premium, if any, and interest on the Bonds, and all notices with respect to the Bonds, shall be made and given by the Paying Agent, Registrar or the County to the Depository as provided in this Ordinance and by the Depository to its Participants or Indirect Participants and notices to the Beneficial Owners of the Bonds in the manner provided in an agreement or letter of the County to the Depository.

Section 12. Special Limited Obligations. All of the Bonds and all payments of principal, premium, if any, and interest thereon at maturity, together with any interest accruing thereon, shall be special limited obligations of the County and shall be payable and collectible solely from the Pledged Revenues, which revenues are so pledged and are payable as set forth in Section 18 of this Ordinance. The owner or owners of the Bonds may not look to any general or other fund for the payment of the principal of or interest on such obligations, except the designated special funds pledged therefor. The Bonds shall not constitute an indebtedness or a debt of the County within the meaning of any constitutional, charter or statutory provision or limitation, nor shall they be considered or held to be general obligations of the County, and each of the Bonds shall recite that it is payable and collectible solely out of the Pledged Revenues, pledged as set forth in this Ordinance, and that the holders thereof may not look to any general or other municipal fund for the payment of the principal of and interest on the Bonds. Nothing herein shall prevent the County from applying other funds of the County legally available therefor to the payment of the Bonds, in its sole discretion.

Section 13. Form of Bonds. The forms, terms and provisions of the Bonds shall be substantially in the form set forth below, with such changes therein as are not inconsistent with this Ordinance.

Upon presentation of the Bonds to be redeemed at the office of the Paying Agent, the Paying Agent will pay the Bond or Bonds so called for redemption with funds deposited with the Paying Agent by the County.

Books for the registration and transfer of the Bonds shall be kept by the Registrar. Upon the surrender for transfer or exchange of a Bond at the principal office of the Registrar, duly endorsed or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing, the Registrar shall authenticate and deliver, not more than three (3) business days after receipt of the Bond or Bonds to be transferred, in the name of the transferee or owner a new Bond or Bonds in fully registered form of the same aggregate principal amount, maturity and interest rate, bearing a number or numbers not contemporaneously outstanding. Exchanges and transfers of Bonds shall be without charge to the owner or any transferee, but the Registrar may require the payment by the owner of any Bond of any tax or other similar

governmental charge required to be paid with respect to such exchange or transfer. The Registrar will close books for change of registered owners' addresses on each Record Date; transfers will be permitted within the period from each Record Date to each Interest Payment Date, but such transfers shall not include a transfer of accrued interest payable.

The person in whose name any Bond is registered on the registration books kept by the Registrar shall be deemed and regarded as the absolute owner thereof for the purpose of making payment thereof and for all other purposes except as may otherwise be provided with respect to payment of interest in the Bond Ordinance; and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar will, upon receipt of such Bond, if mutilated, and such evidence, information or indemnity relating thereto as the Registrar may reasonably require, if lost, stolen or destroyed, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount and of the same maturity and interest rate, bearing a number or numbers not contemporaneously outstanding. If such lost, stolen, destroyed or mutilated Bond shall have matured, the Registrar may direct the Paying Agent to pay such Bond in lieu of replacement.

This bond does not constitute an indebtedness of the County within the meaning of any constitutional or statutory provision or limitation, shall not be considered or held to be a general obligation of the County, and is payable and collectible solely out of the Pledged Revenues pursuant to the pledge made by and as defined in the Bond Ordinance. Payment of the bonds of the series of which this bond is one and the interest thereon shall be made solely from, and as security for such payment, there are pledged pursuant to the Bond Ordinance the amounts of money derived from all of the revenue attributable to the one-eighth of one percent (0.125%) county hold harmless gross receipts tax transferred to the County pursuant to Section 7-1-6.13 NMSA 1978, which county hold harmless gross receipts tax is imposed on all persons engaging in business in the County pursuant to County Ordinance No. 2015-3, adopted on March 24, 2015, and as authorized by the County Local Option Gross Receipts Tax Act, (1) which tax equals, subject to the exemptions specified in Sections 7-20E-4(A) and 7-20E-5 NMSA 1978, and the deductions referenced in Section 7-20E-7 NMSA 1978, one-eighth of one percent (0.125%) of the gross receipts of all persons engaging in business in the County for the privilege of engaging in business in the County, and (2) which amounts are collected and, after any deductions for administrative costs and any disbursements for tax credits, refunds and the payment of interest applicable to such gross receipts tax and subject to any increase or decrease pursuant to Section 7-1-6.15 NMSA 1978, are distributed monthly (together with the balance of the County's gross receipt tax) by the Revenue Division of the Taxation and Revenue Department of the State of New Mexico to the County pursuant to Section 7-1-6.13 NMSA 1978.

The registered owner may not look to any general or other fund for the payment of the principal of, interest upon, and any prior redemption premium in connection with this obligation except the special funds (i.e., the Pledged Revenues) pledged therefor. Payment of this bond and

the interest thereon shall be made solely from, and as security for such payment there are pledged, pursuant to the Bond Ordinance, two special funds identified as the "Santa Fe County, New Mexico Hold Harmless Gross Receipts Tax Revenue Bonds, Series 20__, Debt Service Fund" and the "Santa Fe County, New Mexico Hold Harmless Gross Receipts Tax Revenue Bonds, Series 20__, Reserve Fund" into which the County covenants to pay from the Pledged Revenues sums sufficient to pay when due the principal of and interest on the bonds of the series of which this is one and sufficient to create and maintain a reasonable and specified reserve for the payment of principal of and interest on such bonds. Reference is made to the Bond Ordinance for a description of said funds and the nature and extent of the security afforded thereby for the payment of the principal of and the interest on the bonds. The bonds are equitably and ratably secured by a lien on the Pledged Revenues, and the bonds constitute an irrevocable and first lien (but not necessarily an exclusive first lien) upon the Pledged Revenues and on a parity with the lien thereon of any Parity Obligations. Additional bonds may be issued and made payable from the Pledged Revenues, upon satisfaction of the conditions set forth in the Bond Ordinance, having a lien thereon either on a parity with, or subordinate and junior to, the lien on the Pledged Revenues of the Bonds, but additional bonds may not be issued with a lien thereon superior to the lien thereon of the Bonds.

The Bonds are issued to provide funds for the purposes of (1) the planning, designing, construction, reconstruction, rehabilitation, renovation, equipping, and furnishing of necessary County buildings and facilities, including, without limitation, County facilities located at the County Administration Building located at 102 Grant Avenue Santa Fe NM and at the Old Judicial Complex located at 100 Catron Street Santa Fe NM, and (2) paying the Expenses .

The County covenants and agrees with the owner of this bond and with each and every person who may become the owner hereof that it will keep and perform all of the covenants of the Bond Ordinance.

This bond is subject to the condition, and every owner hereof by accepting the same agrees with the obligor and every subsequent owner hereof, that the principal of and interest on this bond shall be paid, and this bond is transferable, free from and without regard to any equities, set-offs or crossclaims between the obligor and the original purchaser or any other owner hereof.

It is hereby certified that all acts and conditions necessary to be done or performed by the County or to have happened precedent to and in the issuance of the Bonds to make them legal, valid and binding special obligations of the County have been performed and have happened as required by law, and that the Bonds do not exceed or violate any constitutional or statutory limitation of or pertaining to the County.

This bond shall not be valid or obligatory for any purpose until the Registrar shall have manually signed the Certificate of Authentication.

IN WITNESS WHEREOF, Santa Fe County, New Mexico, has caused this bond to be signed and executed on the County's behalf with the facsimile or manual signature of the Chairperson and the facsimile or manual signature of the County Clerk and has caused the

A. Accrued Interest. Upon the sale of the Bonds, all moneys received as accrued interest shall be deposited into the Debt Service Fund to apply on the payment of interest next due on the Bonds.

B. Expenses. Upon the sale and delivery of the Bonds, an amount necessary to pay Expenses shall be used for payment of the Expenses in compliance with applicable law.

D. Purchaser Not Responsible. The Purchaser of the Bonds shall in no manner be responsible for the application or disposal by the County or by its officers of the proceeds derived from the sale thereof or of any other funds herein designated.

Section 16. Funds and Accounts. The County hereby creates the following special and separate funds, which shall be under the control of the County:

A. Revenue Fund. The "Santa Fe County, New Mexico Hold Harmless Gross Receipts Tax Revenue Fund", to be maintained by the County, into which the County shall deposit the Pledged Revenues.

B. Debt Service Fund. The "Santa Fe County, New Mexico Hold Harmless Gross Receipts Tax Revenue Bonds, Series 2015, Debt Service Fund", as such fund may otherwise be entitled in the Award Resolution, to be maintained by the County.

C. Reserve Fund. The "Santa Fe County, New Mexico Hold Harmless Gross Receipts Tax Revenue Bonds, Series 2015, Reserve Fund", as such fund may otherwise be entitled in the Award Resolution, to be maintained by the County.

D. Acquisition Fund. The "Santa Fe County, New Mexico Hold Harmless Gross Receipts Tax Revenue Bonds, Series 2015, Acquisition Fund", as such fund may otherwise be entitled in the Award Resolution, to be maintained by the County.

Section 17. Deposit of Pledged Revenues. So long as any Bonds are outstanding, the Pledged Revenues shall, immediately upon receipt thereof by the County, be set aside and deposited into the Revenue Fund. All money deposited into the Revenue Fund shall be held separate and apart from the County's general fund and applied only in accordance with the

provisions of this Ordinance and any other County ordinance authorizing the issuance of Parity Obligations.

Section 18. Administration of Pledged Revenue Fund.

A. Debt Service Fund. As a first charge on the Pledged Revenues, the following amounts shall be withdrawn from the Revenue Fund and shall be concurrently credited to the Debt Service Fund:

(1) To the Debt Service Fund, the following:

(a) Monthly, commencing on the first day of the month immediately succeeding the delivery of the Bonds, an amount in equal monthly installments necessary, together with any other moneys therein and available therefor, to pay the first maturing installment of interest on the Bonds, and monthly thereafter, commencing on each Interest Payment Date, one-sixth (1/6) of the amount necessary to pay the next maturing installment of interest on the Bonds then outstanding.

(b) Monthly, commencing on the first day of the month immediately succeeding the delivery of the Bonds, an amount in equal monthly installments necessary, together with any other moneys therein and available therefor, to pay the first maturing installment of principal of the outstanding Bonds and monthly thereafter, commencing on each Principal Payment Date, one-twelfth (1/12) of the amount necessary to pay the next maturing installment of principal on the Bonds then outstanding.

B. Credit. In making the deposits required to be made into the Debt Service Fund, if there are any amounts then on deposit in the Debt Service Fund available for the purpose for which such deposit is to be made, the amount of the deposit to be made pursuant to paragraph A above shall be reduced by the amount available in such fund and available for such purpose.

C. Transfer of Money out of Debt Service Fund. Each payment of principal and interest becoming due on the Bonds shall be transferred from the Debt Service Fund to the Paying Agent on or before four Business Days prior to the due date of such payment.

D. Payment of Parity Obligations. Concurrently with the payment of the Pledged Revenues required by paragraphs A, E and G of this Section, any amounts on deposit in the Pledged Revenue Fund shall be used by the County for the payment of principal of, interest on and debt service reserve fund deposits relating to Parity Obligations, if any, hereafter authorized to be issued and payable from the Pledged Revenues, as applicable, as the same accrue. If funds on deposit in the Pledged Revenue Fund are not sufficient to pay when due the required payments of principal of, interest on and debt service reserve fund deposits relating to the Bonds and any outstanding Parity Obligations, then the available funds in the Pledged Revenue Fund will be used, first, on a pro rata basis, based on the amount of principal and interest then due with respect to each series of outstanding Parity Obligations, for the payment of principal of and interest on all series of outstanding Parity Obligations and, second, to the extent of remaining available funds in the Pledged Revenue Fund on a pro rata basis, based on the

amount of debt service reserve fund deposits then required with respect to each series of outstanding Parity Obligations, for the required debt service reserve fund deposits for all series of outstanding Parity Obligations.

E. Reserve Fund. Immediately upon delivery of the Bonds, a Reserve Fund Insurance Policy or a cash amount of not less than the Reserve Requirement shall be deposited into and credited to the Reserve Fund so that the Reserve Fund Requirement is accumulated upon delivery of the Bonds. Any moneys and investments thereof or, in lieu thereof, a Reserve Fund Insurance Policy deposited in the Reserve Fund are irrevocably and exclusively pledged to payment of the Bonds.(1) Thereafter, subordinate to the payments required by Subsection A of this Section, and subject to the terms of Subsection D of this Section and concurrently with and on parity with the payments required for any monthly reserve fund payments for Parity Obligations, there shall be credited monthly to the Reserve Fund, from the moneys in the Revenue Fund, such cash amount or amounts, if any, as are necessary, taking into account the amount of any Reserve Fund Insurance Policy which may then be applicable, to maintain the Reserve Fund as a continuing reserve in an amount not less than the Reserve Requirement to meet possible deficiencies in the Debt Service Fund. The moneys, if any, and the amount of any Reserve Fund Insurance Policy which hereafter may be acquired in the Reserve Fund shall be accumulated and maintained as a continuing reserve to be used, except as hereinafter provided in Subsections F and G of this Section, only to prevent deficiencies in the payment of the principal of and interest on the Bonds hereby authorized resulting from the failure to credit to the Debt Service Fund sufficient funds to pay the principal and interest as the same become due and payable. Cash amounts in the Reserve Fund which together with the amount of any Reserve Fund Insurance Policy are in excess of the Reserve Fund Requirement shall be withdrawn from the Reserve Fund and transferred to the Debt Service Fund.

(2) The County may at any time substitute (i) one or more Reserve Fund Insurance Policies for cash or investments therein or (ii) cash or investments thereof for a Reserve Fund Insurance Policy, so long as the amount on deposit in the Reserve Fund after such substitution is at least equal to the Reserve Requirement. In the event the County shall substitute a Reserve Fund Insurance Policy for cash or investments in the Reserve Fund, the amount on deposit in the Reserve Fund shall be that amount available to be drawn or otherwise paid pursuant to such policy at the time of calculation and such cash or investments so withdrawn may be used by the County for any legal purpose.

(3) The Reserve Fund Insurance Policy, if acquired by the County, shall be held by the Paying Agent. In the event of a draw upon any Reserve Fund Insurance Policy, the Paying Agent shall deliver a demand for payment in substantially the form required by the Bond Insurer to be delivered to (and to be received by) the Bond Insurer not later than the business day prior to the business day on which the funds are required. In the event there is cash in the Reserve Fund at the time of a draw from any Reserve Fund Insurance Policy, such cash (including any investments) shall be drawn down completely before any demand is made on any Reserve Fund Insurance Policy. If the Reserve Fund contains any Reserve Fund Insurance Policy from more than one provider, any draw shall be on a pro-rata basis from both. After such a draw, any available moneys in the Revenue Fund, concurrently and on parity with the payments in subparagraph (1) of this Subsection E and the payments required to replenish the reserve fund for any additional Parity Obligations, shall be used first to reimburse each such

issuer of any Reserve Fund Insurance Policy for such payment of principal of and interest on the Bonds pursuant to the terms of the any agreement relating to such Reserve Fund Insurance Policy so as to reinstate each Reserve Fund Insurance Policy and thereafter to replenish any cash in the Reserve Fund.

F. Termination Upon Deposits to Maturity. No payment need be made into the Debt Service Fund, the Reserve Fund, or both, if the amount in such funds (excluding the amount of any Reserve Fund Insurance Policy) totals a sum at least equal to the entire amount of Bonds then outstanding, both as to principal and interest to their respective maturities, and both accrued and unaccrued, in which case, moneys in the Debt Service Fund and Reserve Fund in an amount at least equal to such principal and interest requirements shall be used solely to pay such as the same accrue and any moneys in excess thereof in the Debt Service Fund and Reserve Fund and any other moneys derived from the Pledged Revenues may be used in any lawful manner determined by the County.

G. Defraying Delinquencies in Debt Service Fund and Reserve Fund. If, in any month the County shall, for any reason fail to pay into the Debt Service Fund the full amount above stipulated from the Pledged Revenues then an amount shall be paid into the Debt Service Fund in such month from the moneys, if any, in the Reserve Fund (including the amount of any Reserve Fund Insurance Policy except that there shall be no draw on any Reserve Fund Insurance Policy except immediately prior to an interest or principal payment date) equal to the difference between the amount paid from Pledged Revenues and the full amount so stipulated. Moneys used in that manner shall be replaced in the Reserve Fund and any Reserve Fund Insurance Policy Issuer shall be reimbursed for any draw as provided in Subsection E(3) of this Section from the first revenues thereafter received from Pledged Revenues not required to be otherwise applied. If the County shall, for any reason, fail to pay into the Reserve Fund the full amount above stipulated from the Pledged Revenues (or to reinstate the Reserve Fund Insurance Policy as provided in Subsection E(3) of this Section), the difference between the amount paid and the amount so stipulated shall in like manner be paid into the Reserve Fund from the first revenues thereafter received from Pledged Revenues not required to be otherwise applied. The moneys in the Debt Service Fund and the Reserve Fund (including the amount represented by the Reserve Fund Insurance Policy) shall be used solely and only for the purpose of paying the principal of and the interest on the Bonds issued hereunder; provided, however, that any moneys in the Debt Service Fund and the Reserve Fund (excluding the amount represented by any Reserve Fund Insurance Policy) in excess of accrued and unaccrued principal and interest requirements to the maturities of the outstanding Bonds may be withdrawn and used for any lawful purpose.

H. Interest on and Expenses relating to any Reserve Fund Insurance Policy Draws. Subordinate and subsequent to the payments required by Subsection A, and subject to the terms of Subsections D and E of this Section, Pledged Revenues shall be used to pay interest on amounts advanced under any Reserve Insurance Policy and reasonable expenses relating thereto under, and in accordance with, any agreement relating to any Reserve Fund Insurance Policy.

I. Use of Surplus Pledged Revenues. After making all the payments hereinabove required to be made by this Section, the remaining Pledged Revenues, if any, may be applied to any other lawful purpose, as the County may from time to time determine.

Section 19. General Administration of Funds. The funds designated in Section 16 shall be administered and invested as follows:

A. Places and Times of Deposits. The funds shall be separately maintained as a trust fund or funds for the purposes established and shall be deposited in one or more bank accounts in an Insured Bank or Bank. Each account shall be continuously secured to the extent required by law and shall be irrevocable and not withdrawable by anyone for any purpose other than the designated purpose. Payments shall be made into the proper account on the first day of the month except when the first day shall not be a Business Day, then payment shall be made on the next succeeding Business Day. No later than four Business Days prior to each Interest Payment Date, moneys sufficient to pay interest and principal then due on the Bonds shall be transferred to the Paying Agent. Nothing in this Ordinance shall prevent the County from establishing one or more bank accounts in an Insured Bank or Banks for all the funds required by this Ordinance or shall prevent the combination of such funds and accounts with any other bank account or accounts for other funds and accounts of the County.

B. Investment of Moneys. Moneys in any fund or account not immediately needed may be invested in any investment permitted by law. Investments of amounts in the Reserve Fund shall have maturities not exceeding five years from their date of acquisition and their value shall be determined annually at the end of each Fiscal Year or more frequently if required by accounting standards applicable to the County. The obligations so purchased as an investment of moneys in any fund or account shall be deemed to be part of such fund or account, and the interest accruing thereon and any profit realized therefrom shall be credited to such fund or account, and any loss resulting from such investment shall be charged to such fund or account. The County Treasurer shall present for redemption or sale on the prevailing market any obligations so purchased as an investment of moneys in the fund or account whenever it shall be necessary to do so in order to provide moneys to meet any payment or transfer from such fund.

Section 20. Lien on Pledged Revenues. The Pledged Revenues and the amounts and securities on deposit in the Debt Service Fund, and the proceeds thereof, are hereby authorized to be pledged to, and are hereby pledged, and the County grants a security interest therein for, the payment of the principal of, premium, if any, and interest on the Bonds, subject to the uses thereof permitted by, and the priorities set forth in, this Ordinance. The Bonds constitute an irrevocable first lien, but not necessarily an exclusive first lien, on the Pledged Revenues on parity with the lien thereon of Parity Obligations.

Section 21. Additional Bonds Payable from Pledged Revenues.

A. Parity Bonds Test. This Ordinance shall not prevent the issuance of additional Parity Obligations payable from and constituting a lien upon the Pledged Revenues on parity with the lien of the Bonds. Before any additional Parity Obligations are actually issued, it must be determined that:

(1) The County is then current in the accumulation of all amounts which are required to have then been accumulated in the Debt Service Fund as required by Section 18 of this Ordinance; and

(2) The requirements of either of the following subparagraphs (a) or (b) of this Section are met and a certificate or opinion as provided for in paragraph B of this Section has been obtained:

(a) The annual Pledged Revenues for the Fiscal Year immediately preceding the date of the ordinance authorizing the issuance of any Parity Bonds shall have been sufficient to pay an amount representing at least one hundred twenty-five percent (125%) of the maximum annual principal and interest coming due in subsequent Fiscal Years on (1) the outstanding Bonds, (2) other outstanding Parity Obligations payable from and constituting a lien upon the Pledged Revenues, and (3) the Parity Obligations proposed to be issued, excluding reserves therefor; or

(b) If, during the period beginning on the first day of the completed Fiscal Year immediately preceding the date of the ordinance authorizing the issuance of the Parity Obligations proposed to be issued and ending on the date of such ordinance, a change in the rate of Pledged Revenues has been adopted by law, the estimate of the Pledged Revenues (sometimes herein the "Estimated Revenues"), determined by changing the actual Pledged Revenues for the preceding Fiscal Year by the percentage of rate increase or decrease in the gross receipts tax rate, shall have been sufficient to pay an amount representing at least one hundred twenty-five percent (125%) of the maximum annual principal and interest coming due in subsequent Fiscal Years on (1) the outstanding Bonds, (2) other outstanding Parity Obligations payable from and constituting a lien upon the Pledged Revenues, and (3) the Parity Obligations proposed to be issued, excluding reserves therefor. The preceding Fiscal Year shall be determined as aforesaid from the date of adoption of the ordinance authorizing the issuance of additional Parity Obligations and shall not be determined from the date of publication of such ordinance or adoption of any ordinance which amends or supplements such ordinance.

B. Certification or Opinion Regarding Revenues. A written certificate or opinion by an Independent Accountant or the County Treasurer that the Pledged Revenues or the Estimated Revenues, when determined as provided in Paragraph A of this Section, are sufficient to pay the required amounts under the applicable test in Paragraph A of this Section, shall conclusively determine the right of the County to issue additional Parity Obligations. The Independent Accountant or the County Treasurer may utilize the results of any annual audit to the extent it covers the applicable period.

C. Subordinate Obligations Permitted. Nothing in this Ordinance shall prevent the County from issuing bonds or other obligations payable from the Pledged Revenues and having a lien on the Pledged Revenues subordinate to the lien of the Bonds.

D. Superior Obligations Prohibited. The County shall not issue any obligation having a lien on the Pledged Revenues which is prior and superior to the Bonds.

Section 22. Refunding Bonds. The provisions of Section 21 of this Ordinance are subject to the following exceptions:

A. Privilege of Issuing Refunding Obligations. If at any time the County shall find it desirable to refund any Parity Obligations or other outstanding obligations constituting a lien upon the Pledged Revenues, the Bonds or other Obligations, or any part thereof, may be refunded, but only with the consent of the holders, unless the obligations shall then mature or be callable for redemption, or the plan of refunding calls for payment of the obligations at maturity or at a redemption date, regardless of whether the lien priority is changed by the refunding, except as provided in Paragraphs B and C of this Section.

B. Limitation Upon Issuance of Parity Refunding Obligations. No refunding obligations shall be issued with a lien on the Pledged Revenues on parity with the lien of the Bonds, unless:

(1) The lien on the Pledged Revenues of the outstanding obligations so refunded is on a parity with the lien on the Pledged Revenues of the Bonds; or

(2) The refunding obligations are issued in compliance with Paragraph B of Section 21 of this Ordinance.

C. Refunding Part of an Issue. The refunding bonds or other refunding obligations issued shall enjoy complete equality of lien with the portion of any bonds or other obligations of the same issue which is not refunded, if any; and the holder or holders of such refunding bonds or other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the owner or owners of the same issue refunded thereby. If only a part of any issue or issues is refunded, then there may be no refunding without the consent of the holders of the unrefunded portion of such obligations, unless:

(1) The refunding obligations do not increase the aggregate principal and interest requirements for any Fiscal Year commencing prior to the last maturity date of such unrefunded obligations; or

(2) The refunding bonds or other refunding obligations are issued in compliance with Paragraph A of Section 21 of this Ordinance.

D. Limitation Upon Issuance of any Refunding Obligations. Any refunding obligations payable from Pledged Revenues shall be issued with such details as the County may by ordinance provide, subject to the inclusion of any such rights and privileges designated in Paragraph C of this Section but without impairing any contractual obligation imposed by any proceedings authorizing any unrefunded portion of any issue or issues, including the Bonds.

Section 23. Equality of Parity Bonds. The Parity Bonds, for any source of the Pledged Revenues, from time to time outstanding shall not be entitled to any priority one over the other in the application of the Pledged Revenues, as applicable, regardless of the time or times of their

issuance or the date incurred, it being the intention of the Board that, except as set forth herein, there shall be no priority among Parity Bonds regardless of whether they are actually issued and delivered or incurred at different times.

Section 24. Protective Covenants. The County hereby covenants and agrees with each and every holder of the Bonds issued hereunder:

A. Use of Bond Proceeds. The County will proceed without delay to apply the proceeds of the Bonds as set forth in Section 15 of this Ordinance.

B. Payment of Bonds Herein Authorized. The County will promptly pay the principal of and the interest on every Bond at the place, on the date and in the manner specified herein and in the Bonds according to the true intent and meaning hereof.

C. County's Existence. The County will maintain its corporate identity and existence so long as any of the Bonds remain outstanding, unless another political subdivision by operation of law succeeds to the liabilities and rights of the County, without adversely affecting to any material degree the privileges and rights of any owner of the Bonds.

D. Extension of Interest Payments. In order to prevent any accumulation of claims for interest after maturity, the County will not directly or indirectly extend or assent to the extension of time for the payment of any claim for interest on any of the Bonds, and the County will not directly or indirectly be a party to or approve any arrangements for any such extension. If the time for payment of any such interest shall be extended, such installment or installments of interest, after such extension or arrangement, shall not be entitled in case of default hereunder to the benefit or security hereof, except subject to the prior payment in full of the principal of all Bonds hereunder and then outstanding and of the matured interest on such Bonds, the payment of which has not been extended.

E. Records. So long as any of the Bonds remain outstanding, proper books of record and account will be kept by the County separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Pledged Revenues.

F. Audits and Budgets. The County will, within two hundred and seventy (270) days following the close of each Fiscal Year, cause an audit of its books and accounts relating to the Pledged Revenues to be commenced by an Independent Accountant showing the receipts and disbursements in connection with such revenues. The County agrees to furnish forthwith a copy of each of such audits and reports to the Purchaser and the holder of any of the Bonds at its written request.

G. Other Liens. Other than as described and identified by this Ordinance, there are no liens or encumbrances of any nature whatsoever on or against the Pledged Revenues. This Ordinance does not prohibit the issuance of Parity Obligations with a lien on the Pledged Revenues on parity with the lien thereon of the Bonds consistent with the requirements herein.

H. Duty to Impose Hold Harmless County Gross Receipts Tax. If State law or any County ordinance or part thereof, which in any manner affects the Pledged Revenues shall ever be held to be invalid or unenforceable, it shall be the duty of the County to take any legally permissible action necessary to produce sufficient Pledged Revenues to comply with the contracted obligations of this Ordinance, except as is provided in Paragraph I of this Section.

I. Impairment of Contract. The County agrees that any law, ordinance or resolution of the County that in any manner affects the Pledged Revenues or the Bonds shall not be repealed or otherwise directly or indirectly modified, in such a manner as to impair adversely any Bonds outstanding, unless such Bonds have been discharged in full or provision has been fully made therefor or unless the required consents of the holders of the then outstanding Bonds are obtained pursuant to Section 30 of this Ordinance.

J. Debt Service Fund and Reserve Fund. The Debt Service Fund and Reserve Fund shall be used solely and only, and those funds are hereby pledged, for the purposes set forth in this Ordinance.

K. Surety Bonds. Each County official and employee being responsible for receiving Pledged Revenues shall be bonded at all times, which bond shall be conditioned upon the proper application of Pledged Revenues.

L. Performing Duties. The County will faithfully and punctually perform all duties with respect to the Bonds required by the Constitution and laws of the State of New Mexico and the ordinances and resolutions of the County relating to the Bonds.

M. Tax Covenants. The County covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code. The Chairperson and other officers of the County having responsibility for the issuance of the Bonds shall give an appropriate certificate of the County, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the County regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of interest on the Bonds.

The County covenants that it (a) will take or cause to be taken such actions which may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, and (b) will not take or permit to be taken any actions which would adversely affect that exclusion, and that it or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield on investment property acquired with those proceeds, (iii) make timely rebate payments to the federal government, if required, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code. The Chairperson and other appropriate officers are hereby authorized and directed to take any and all actions, make calculations and rebate payments, and make or give reports and certifications, if any, as may be required or appropriate to assure such exclusion of that interest.

N. Rebate Fund. In furtherance of the covenants set forth in the preceding paragraph, the County hereby establishes a fund separate from any other funds established and maintained hereunder designated as the Rebate Fund. Money and investments in the Rebate Fund shall not be used for the payment of the Bonds and amounts credited to the Rebate Fund shall be free and clear under any pledge under this Ordinance. Money in the Rebate Fund shall be invested pursuant to the procedures in the manner provided in Section 19(B) for investment of money, and all amounts on deposit in the Rebate Fund shall be held by the County, or a designated trustee, in trust, to the extent required to pay rebatable arbitrage to the United States of America. The County shall unconditionally be entitled to accept and rely upon the recommendation, advice, calculation and opinion of an accounting firm or other person or firm with knowledge of or experience in advising with respect to the provisions of the Code relating to rebatable arbitrage. The County shall remit all rebate installments and the final rebate payment to the United States of America as required by the provisions of the Code. Any moneys remaining in the Rebate Fund after redemption and payment of all the Bonds and payment and satisfaction of any rebatable arbitrage shall be withdrawn and remitted to the County.

O. Continuing Disclosure Obligations. The officers of the County are authorized to sign such documents and to take such actions in the future with respect to the County's continuing disclosure obligations as are necessary or desirable to comply with the Continuing Disclosure Undertaking and the requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended. Notwithstanding any other provisions of this Ordinance, failure of the County to comply with the Continuing Disclosure Undertaking shall not be considered an "event of default" under Section 25 hereof, and holders and beneficial owners of Bonds shall be entitled to exercise only such rights with respect thereto as are provided in the Continuing Disclosure Undertaking.

Section 25. Events of Default. Each of the following events is hereby declared an "event of default":

A. Nonpayment of Principal. Failure to pay the principal of any of the Bonds when the same becomes due and payable, either at maturity or otherwise.

B. Nonpayment of Interest. Failure to pay any installment of interest when the same becomes due and payable.

C. Default of any Provision. Default by the County in the due and punctual performance of its covenants or conditions, agreements and provisions contained in the Bonds or in this Ordinance on its part to be performed, and the continuance of such default (other than a default set forth in subparagraphs A and B of this Section) for sixty (60) days after written notice specifying such default and requiring the same to be remedied has been given to the County by the holders of twenty-five percent (25%) in aggregate principal amount of the Bonds then outstanding.

D. Bankruptcy. The County (i) files a petition or application seeking reorganization, arrangement under Federal bankruptcy law, or other debtor relief under the laws

of any jurisdiction, or (ii) is the subject of such petition or application which the County does not contest or is not dismissed or discharged with sixty (60) days.

Section 26. Remedies Upon Default. Upon the happening and continuance of any of the events of default as provided in Section 25 of this Ordinance, then in every case the holder or holders of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then outstanding, including, but not limited to, a trustee or trustees therefor, may proceed against the County, the Board and its agents, officers and employees to protect and enforce the rights of any holder of Bonds under this Ordinance by mandamus or other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained herein or in an award relating to the execution of any power herein granted for the enforcement of any legal or equitable remedy as such holder or holders may deem most effectual to protect and enforce the rights provided above, or to enjoin any act or thing which may be unlawful or in violation of any right of any Bondholder, or to require the Board to act as if it were the trustee of an express trust, or any combination of such remedies. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all holders of the Bonds then outstanding. The failure of any Bondholder so to proceed shall not relieve the County or any of its officers, agents or employees of any liability for failure to perform any duty. Each right or privilege of such holder (or trustee thereof) is in addition and cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any holder shall not be deemed a waiver of any other right or privilege.

Section 27. Duties Upon Default. Upon the happening of any of the events of default provided in Section 25 of this Ordinance, the County, in addition, will do and perform all proper acts on behalf of and for the owners of the Bonds to protect and preserve the security created for the payment of the Bonds and to insure the payment of the principal of and interest on the Bonds promptly as the same become due. All proceeds derived therefrom, so long as any of the Bonds, either as to principal or interest, are outstanding and unpaid, shall be applied as set forth in Section 18 of this Ordinance. In the event the County fails or refuses to proceed as provided in this Section, the holder or holders of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then outstanding, after demand in writing, may proceed to protect and enforce the rights of the owners of the Bonds as hereinabove provided.

Section 28. Bonds Not Presented When Due. If any Bonds shall not be duly presented for payment when due at maturity, and if moneys sufficient to pay such Bonds are on deposit with the Paying Agent for the benefit of the owners of such Bonds, all liability of the County to such owners for the payments of such Bonds shall be completely discharged, such Bonds shall not be deemed to be outstanding and it shall be the duty of the Paying Agent to segregate and to hold such moneys in trust, without liability for interest thereon, for the benefit of the owners of such Bonds as may be provided in any agreement hereafter entered into between the Paying Agent and an officer of the County.

Section 29. Approval of Documents; Delegated Powers. The officers of the County be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including, without limiting the generality of the

foregoing, the publication of the summary of this Ordinance set out in Section 38 (with such changes, additions and deletions as they may determine). The Chairperson is authorized and directed to execute and the County Clerk is authorized and directed to affix the seal of the County to and attest, where applicable, the Related Documents and the final Official Statement, in substantially the form as hereby approved or with such changes therein as are not inconsistent with this Ordinance and as shall be approved by the Chairperson, his execution thereof to constitute conclusive evidence of his approval of any and all changes or revisions thereof from the form presented to the Board. From and after adoption of this Ordinance and the execution and delivery of the Related Documents and the final Official Statement, the officers, agents and employees of the County are hereby authorized, empowered and directed to do all such acts and to execute all such documents as may be necessary to carry out and comply with the provisions of the Related Documents and the final Official Statement as executed.

Section 30. Amendment of Ordinance. This Ordinance may be amended without the consent of the holder of any Bond to cure any ambiguity or to cure, correct or supplement any defect or inconsistent provision contained herein. Prior to the date of the initial delivery of the Bonds to the Purchaser, the provisions of this Ordinance may be supplemented with the written consent of the Purchaser with respect to any changes which are not inconsistent with the substantive provisions of this Ordinance. Except as provided above, this Ordinance may be amended without receipt by the County of any additional consideration, but with the written consent of the holders of three-fourths (3/4ths) of the Bonds then outstanding (not including Bonds which may be held for the account of the County); but no ordinance adopted without the written consent of the holders of all outstanding Bonds shall have the effect of permitting:

- A. An extension of the maturity of any Bond; or
- B. A reduction of the principal amount or interest rate of any Bond; or
- C. A reduction of the principal amount of Bonds required for consent to such amendatory ordinance; or
- E. The establishment of priorities as between Bonds issued and outstanding under the provisions of this Ordinance; or
- F. The modification of or otherwise affecting the rights of the holders of less than all the outstanding Bonds.

Section 31. Defeasance. When all principal and interest in connection with the Bonds hereby authorized have been duly paid, the pledge and lien for the payment of the Bonds shall thereby be discharged and the Bonds shall no longer be deemed to be outstanding within the meaning of this Ordinance. Payment shall be deemed made with respect to any Bond or Bonds when the County has placed in escrow with a commercial bank exercising trust powers, an amount sufficient (including the known minimum yield from Federal Securities) to meet all requirements of principal and interest as the same become due to their final maturities. Any Federal Securities shall become due when needed in accordance with a schedule agreed upon between the County and such bank at the time of the creation of the escrow.

Section 32. Preparation of Preliminary Official Statement and Official Notice of Bond Sale. The County Manager and County Treasurer are hereby authorized to coordinate with the County's bond counsel and financial advisor in the preparation of the Preliminary Official Statement and the Official Notice of Bond Sale.

Section 33. Bond Insurance Provisions. If applicable, the Bond Insurer's provisions relating to the Bond Insurance Policy and the Reserve Insurance Policy shall be as set forth in the Award Resolution, which requirements and procedures set forth therein shall control and supersede any conflicting or inconsistent provision in this Bond Ordinance. Any and all financial obligations of the County described in this Section 33 are limited to available Pledged Revenues.

Section 34. Ordinance Irrepealable. After any of the Bonds are issued, this Ordinance shall be and remain irrepealable until the Bonds and the interest thereon shall be fully paid, canceled and discharged, as herein provided, or there has been defeasance as herein provided.

Section 35. Severability Clause. If any section, paragraph, clause or provision of this Ordinance shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

Section 36. Repealer Clause. All bylaws, orders, resolutions and ordinances, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any bylaw, order, resolution or ordinance, or part thereof, heretofore repealed.

Section 37. Effective Date. Upon due adoption of this Ordinance, it shall be recorded in the book of ordinances of the County kept for that purpose, authenticated by the signatures of the Chairperson and County Clerk, and the title and general summary of the subject matter contained in this Ordinance (set out in Section 38 below) shall be published in a newspaper which maintains an office and is of general circulation in the County, or posted in accordance with law, and said Ordinance shall be in full force and effect thirty days after recording.

Section 38. Limitation of Action Period. After the passage of the thirty (30) days from the publication required by Section 39 hereof, any action attacking the validity of any proceedings had or taken by the County preliminary to and in the authorization and issuance of the Bonds shall be perpetually barred.

Section 39. General Summary for Publication. Pursuant to the general laws of the State, the title and a general summary of the subject matter contained in this Ordinance shall be published in substantially the following form:
