The Grantee shall conduct directed enforcement patrols (DEPs) in high crash locations identified in data compiled by local, state or federal government agencies and the Grantee's Operational Plan. The Department encourages the Grantee to accompany the DEPs with public information, media and educational activities. DEPs must deploy officers in high crash locations consistent with the Operational Plan. If for any reason, the DEPs were conducted in areas not consistent with the Operational Plan, the Grantee must submit a justification with the invoice for these services. The Department may choose to deny the invoice for DEPs based on the justification.

The Grantee should notify the Department of any changes in the Agency Coordinator as soon as possible. The Grantee's participating officers must have law enforcement certifications in all areas necessary to conduct the services noted in Section 1 of this exhibit. The Grantee shall keep documentation of training and provide the Department with a list of certified officers on request.

4. Reimbursement. The Department will pay the Grantee for the actual cost of personnel that worked the DEPs. Claims for payment must specify officers' actual hourly rate of pay including overtime pay (hourly rate X 1.5); the Department will not pay any amount in excess of that rate or for any amount that was not above and beyond the officer's normal duties. The Grantee should submit claims at minimum quarterly no later than January 30th, April 30th and July 30th during this Agreement period. The final claim shall be submitted no later than October 31st 2017. If the final claim is submitted after October 31, 2017, the claim must be accompanied by a justification letter. The Department may choose to deny the claim based on the justification. The claim must be on a form approved by the Department. The Department will pay the Grantee for the following:

a. Pay, including overtime pay, for officers conducting the traffic safety enforcement described in paragraph 1 of this exhibit C; and

b. training for officers not previously trained in STEP.

5. **Reporting.** The Grantee must submit activity reports by the 10th of each month using the activity report form provided unless otherwise directed by the Department. Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

CERTIFICATION REGARDING DEBARMENT AND SUSPENSION
(applies to subrecipients as well as States)

Instructions for Primary Certification (States)

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR parts 180 and 1300.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default or may pursue suspension or debarment.
4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification to and approved by the Secretary of Transportation.

PROHIBITION ON USING GRANT FUNDS TO CHECK FOR HELMET USAGE

NETS is prepared to provide technical assistance, a simple, user-friendly program kit, and an award for achieving the President's goal of 90 percent seat belt use. NETS can be contacted at 1 (888) 221-0045 or visit its Web site at www.trafficsafety.org.
