RESOLUTION NO. 2018- 43

**A RESOLUTION AUTHORIZING THE DISPOSITION OF UN-LOCATED FIXED ASSETS
IN ACCORDANCE WITH STATE STATUTE.**

WHEREAS, according to the Santa Fe County Accounting Manual, Section 8, and the Audit Act, Section 12-6-10, NMSA 1978, Santa Fe County is required to conduct an annual physical inventory of all county-owned property and equipment costing more than \$3,000; and

WHEREAS, the County has properly performed annual physical inventories of its capital assets which resulted in the identification of six hundred and fifty-eight (658) assets which could not be located from Fiscal Year 2000 through Fiscal Year 2013; and

WHEREAS, beginning in Fiscal Year 2015, Finance Division staff organized an exhaustive search for the unaccounted for assets, with the participation of all County departments; and

WHEREAS, as a result of the search, twenty-three (23) of the assets were located; and

WHEREAS, forty-four (44) of the assets were determined to have been disposed of in accordance with NMSA 1978, Section 13-6-1; and

WHEREAS, Santa Fe County (County) desires to remove the remaining five hundred and ninety-one (591) unaccounted-for assets, each of which is identified on Exhibit A to this Resolution, from its fixed asset database; and

WHEREAS, Exhibit A details each item of personal property by department or office, tag number, description of fixed asset, serial number, location of fixed asset, and/or purchase cost; and

WHEREAS, five hundred and eighty-six (586) of the five hundred and ninety-one (591) assets set forth on Exhibit A are fully depreciated; and

WHEREAS, the five undepreciated assets have a cumulative undepreciated valued of \$13,413.81; and

WHEREAS, the Board of County Commissioners (BCC) has determined that (i) none of the items of personal property on Exhibit A can be located and (ii) each item on Exhibit A has an estimated current resale value of five thousand dollars (\$5,000) or less.

NOW, THEREFORE, BE IT RESOLVED that the BCC cannot dispose of the assets listed on Exhibit A pursuant to NMSA 1978, Section 13-6-1 (2013), because they cannot be located, and (ii) the BCC directs that, to the extent feasible, the assets listed on Exhibit B shall be removed from the fixed asset database after providing a copy of this resolution to the State Auditor's Office.
