Re: FUNDING 2018/2019 LGRF PROGRAM

Dear Mr. Martinez,

I would like to inform you that the New Mexico Department of Transportation Commission has approved your project for 2018/19. The funding amount is as follows:

<u>Project No.</u>	<u>Control No.</u>	<u>Entity Share (25%)</u>	<u>State Share (75%)</u>	<u>Project Total</u>
SB-7806(103)19	L500317	\$32,686.00	\$98,058.00	\$130,744.00

The following will be the scope of work:

**Pavement rehabilitation/improvements and drainage improvements of various County roads.**

If the above funding amount requires that your project be adjusted from what was originally proposed (i.e. **Changing lengths or adding or deleting roads with NO change in scope for "type of work to be done"**), please submit the new adjusted project with the roads that are to be done and/or their new lengths. In this submittal you will need to submit a new Estimated Cost Summary detailing the above and all their corresponding costs, map of the new location and the new total for the Project.

Please submit the **resolution** for your project including the project scope, project limits, project location and the project amounts as indicated above. Upon receipt of your resolution I will generate four agreements for execution.

If changing the scope - **as to type of work to be done** - is absolutely necessary, then you will need to submit to the District Engineer a request for this scope change in writing explaining the reason for the change and a new resolution indicating the new scope of work. This will require approval at the next State Transportation Commission meeting.

**To ensure funding of this project the agreements must be fully executed by June 30, 2018.** Therefore we will need the above as soon as possible.

I hope you find this information helpful. If you have any questions, please contact me at (505) 629-7410. Please submit the applicable information as soon as possible so that I can send you four copies of the agreement for execution.

Sincerely,

Stephen Lopez P.E.
