Assignment: On June 17, 2020 at approximately 1710 hours I was dispatched to the area in front of Burger King (701 N. Riverside Dr.) in reference to a two vehicle crash.

Scene: Upon arrival I noted a white Ford van and a maroon Ford Taurus resting against the intersection light pole. Both vehicles had extensive front end damage. The van also had damage to the right front quarter panel and the Taurus had damage to the left front quarter panel. The driver of the van, identified as Jose Atencio, was still sitting in the van and the driver of the Taurus, identified as Jeremy Duran, was standing in front of his vehicle.

Statements: Atencio stated that he was traveling northbound on Riverside Drive and making a left hand turn into the Burger King parking lot. He stated the light was green, and as he begun to turn left there were no vehicles traveling southbound. He stated the maroon vehicle must have been traveling very fast, as suddenly it appeared in front of him and he was unable to avoid striking it. Duran stated he was traveling southbound and had a green light. As he proceeded through the intersection the male in the van turned directly into his vehicle. I spoke with a witness, identified as Shana Duran, who was traveling in the vehicle behind J. Duran. She stated that she and the Taurus were traveling southbound at a normal speed when suddenly the white van made a left hand turn and struck the Taurus.

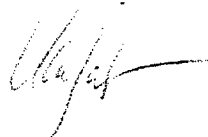

Injuries: Atencio stated he was not injured. Medics on scene assessed him and he was released. Duran sustained injuries to his left wrist, neck, lower back and hips. Duran is employed by Santa Fe County Sheriff's Office and Corporal Mosher stated that Duran would be taken to the hospital as a precautionary measure.

Investigation: Both Duran and Atencio stated the light was green for northbound/southbound traffic. As Duran was traveling straight through the intersection and Atencio was making a left hand turn, Duran had the right of way. Atencio received three citations.

Corporal Mosher stated that the Santa Fe County Sheriff's units have video cameras that record if a unit is involved in a crash. He stated he would send me a copy of the video and information for my report. However, as of today he has not yet sent me a video.

Atencio stated he had proof of insurance at his home, and he would provided that information to me today (Monday, June 22nd). I have attempted to contact Atencio and he has not returned my phone calls. He has not provided proof of insurance to date.

Photos will be attached to this report.
