		OCA 2021-003642
Victim SANTA FE COUNTY	Offense MOTOR VEHICLE THEFT	Date / Time Reported Fri 04/23/2021 09:15

THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY

On Friday April 23, 2021 at approximately 9:00 AM I was dispatched to 603 NM 503, the Santa Fe County Solid Waste Management plant, in reference to an unlawful taking of a motor vehicle call. My investigation was recorded via lapel video and submitted into evidence.

Upon my arrival I made contact with John Trujillo and Jude Martinez. They advised me Jude Arrived to the scene at approximately 8:00 AM. He noticed Unit 620, a 2014 Case model 580 Super N backhoe valued at \$85,000, was missing from the west side of the modular office on scene. He stated sometimes other job sites use their equipment so he didn't think much of it. When John arrived on scene he contacted his supervisor to see if anyone had Unit 620. When he learned no one did he contacted law enforcement.

Jude stated the last time he saw Unit 620 he was on Tuesday April 20, 2021 at approximately 8:00 PM. It is unknown when the backhoe was taken. There are two cameras on scene. The first, a trail camera is located at the gate, the second is in plain sight on the modular office; it is a dummy camera though. Upon checking the scene I observed the barbed wire fencing was cut just south of the trail camera that was pointed to the north. The estimated value of the ten foot section of barbed wire that was damaged was \$1,000.

A stolen vehicle affidavit was filled out and signed by the reporting party, John Trujillo. The backhoe was entered into NCIC, NIC number V362864784.

If any new information becomes available a supplemental report will be generated.

I took no further action at this time.
