Please summarize the request and its purpose in the area below.
The Santa Fe County Sheriff's Office has been awarded funding from the U.S. Department of Justice-United States Marshals Service for overtime used for the program's primary mission. The South West Fugitive Team (SWIFT) task force grant is utilized to investigate and arrest, as part of the JLEO operations, persons who have active state and federal warrants for their arrest. The intent of the joint effort is to investigate and apprehend local, state and federal fugitives, thereby improving public safety and reducing violent crimes within Santa Fe County. The Sheriff's Office was awarded $8,000 to only be utilized for overtime reimbursement as set by the U.S. Department of Justice-United States Marshals Service.

The Joint Law Enforcement Operations Task Force Obligation Document is designed to provide district and regional fugitive task forces with one standard obligating form to record new obligations in UFMS. To adjust funding in an existing obligation, please refer to Form USM-607A, Joint Law Enforcement Operations Task Force Modification Document. Funding in support of the JLEO mission is pursuant to the existing Memorandum of Understanding (MOU) between the USMS and the JLEO participant. Reimbursements are subject to the availability of funds and contingent upon the submission of proper documentation. Please note that overtime reimbursements require the submission of agency invoices and supporting documentation on a quarterly basis.

In the event that the USMS will use a payment method OTHER than reimbursement directly to the state or local agency, additional guidance will be provided by USMS Headquarters. The district or RFTF office is responsible for communicating payment procedures to their partnering agencies. All payments are made via Electronic Funds Transfer (EFT) through the U.S. Department of Treasury.
