B. The net effective interest rate on the Bonds shall not exceed 10% per annum.

C. The final maturity of the Bonds shall not be later than July 1, 2030.

D. The Bonds shall be sold for not less than par and not more than 115% of par.

E. The underwriter’s discount on the Bonds shall not exceed 3% of the par amount of the Bonds.

Section 4.

A. The Bonds shall be dated the date of their delivery (herein the “Series Date”), will be issued in one series, and shall consist of bonds numbered consecutively from R-1 upward, issuable in the denomination of $5,000 each or integral multiples thereof (provided that no individual bond will be issued for more than one maturity); shall bear interest from the Series Date to maturity at the rates per annum set forth in the Award Certificate, payable to the registered owner thereof, or registered assigns, semiannually on January 1 and July 1 each year in which the Bonds are outstanding, commencing July 1, 2022, and shall mature on July 1 in the years 2022 through 2030, as set forth in the Official Notice of Bond Sale.

B. Bonds which are reissued upon transfer, exchange, or other replacement shall bear interest from the most recent interest payment date to which interest has been fully paid or provided for in full or, if no interest has been paid, from the Series Date.
C. The principal of and interest on the Bonds due at maturity shall be payable to the registered owner thereof, as shown on the registration books kept by the Santa Fe County Treasurer as the registrar/paying agent (the "Registrar/Paying Agent") for the Bonds, upon maturity and upon presentation and surrender thereof at the principal office of the Registrar/Paying Agent. If any Bond shall not be paid upon such presentation and surrender at or after maturity, it shall continue to draw interest at the rate borne by the Bond until the principal thereof is paid in full. Payment of interest on the Bonds (other than at maturity) shall be made by check or draft mailed by the Registrar/Paying Agent (or by such other arrangement as may be mutually agreed to by the Registrar/Paying Agent and such registered owner), on or before each interest payment date (or, if such interest payment date is not a business day, on or before the next succeeding business day), to the registered owner thereof as of the close of business on the Record Date (defined below) at the address as it appears on the registration books kept by the Registrar/Paying Agent. All such payments shall be made in lawful money of the United States of America. The term "Record Date" as used herein with respect to any interest payment date shall mean the 15th day of the month preceding the interest payment date. The person in whose name any Bond is registered at the close of business on any Record Date with respect to any interest payment date shall be entitled to receive the interest payable thereon on such interest payment date notwithstanding any transfer or exchange thereof subsequent to such Record Date and prior to such interest payment date; but interest on any Bond which is not timely paid or duly provided for shall cease to be payable as provided above and shall be payable to the person in whose name such Bond is registered at the close of business on a special record date (the "Special Record Date") fixed by the Registrar/Paying Agent for the payment of any such overdue interest. The Special Record Date shall be fixed by the Registrar/Paying Agent whenever moneys become available for payment of overdue interest, and notice of any such Special Record Date shall be given not less than ten days prior thereto, by first-class mail, to the registered owners of the Bonds as of the fifth day preceding the mailing of such notice by the Registrar/Paying Agent, stating the Special Record Date and the date fixed for the payment of overdue interest.

D. Notice of mandatory sinking fund redemption of the Bonds, if applicable, will be given by the Registrar/Paying Agent by sending a copy of such notice by first-class, postage prepaid mail not less than 30 days prior to the redemption date to the address shown as of the fifth day prior to the mailing of notice on the registration books by the Registrar/Paying Agent. The County shall give the Registrar/Paying Agent notice of the Bonds to be called for redemption at least 15 days prior to the date that the Registrar/Paying Agent is required to give owners notice of redemption, which notice shall specify the Bonds and the principal amount to be called for redemption and the applicable redemption date. The notice will specify the number or numbers and maturity date or dates of the Bonds to be redeemed (if less than all are to be redeemed) the principal amount of any Bond to be redeemed in part, the date fixed for redemption, and that on such redemption date there will become and be due and payable upon each Bond or part thereof to be redeemed, at the office of the Registrar/Paying Agent, the principal amount thereof to be redeemed plus accrued interest, if any, to the redemption date; and that from and after such date interest will cease to accrue on the principal amount redeemed. Such notice may be a conditional notice of redemption and the amount of money required to redeem the Bonds called for redemption need not be on deposit with the Registrar/Paying Agent at the time notice of redemption is given. If notice is given in the manner provided above, the Bond or Bonds or part thereof called for
redemption will become due and payable on the redemption date designated and, if an amount of money sufficient to redeem all Bonds called for redemption is on deposit with the Registrar/Paying Agent on the redemption date, the Bonds or part thereof to be redeemed shall be deemed to be not outstanding and will cease to bear or accrue interest from and after such redemption date. Upon presentation of a Bond to be redeemed at the office of the Registrar/Paying Agent on or after the redemption date, the Registrar/Paying Agent will pay such Bond, or portion thereof called for redemption.

Section 5. The Bonds shall constitute the general obligation bonds of the County, payable from general ad valorem property taxes in amounts sufficient to meet the semi-annual payments of interest and annual payments of principal on the Bonds maturing in each year. The full faith and credit of the County shall be, and hereby is, irrevocably pledged to the payment of the principal of and interest on the Bonds.

Section 6. The Bonds shall bear the manual or facsimile signature of the Chairperson of the Board and shall be attested by the manual or facsimile signature of the County Clerk. The Bonds shall be authenticated by the manual signature of an authorized officer of the Registrar/Paying Agent. The Bonds bearing the signatures or facsimile signatures of the officers in office at the time of the signing thereof shall be the valid and binding obligations of the County, notwithstanding that, before the delivery of the Bonds and payment therefor, or before the issuance thereof upon transfer or exchange, any or all of the persons whose signatures appear on the Bonds shall have ceased to fill their respective offices. The Chairperson of the Board and the County Clerk shall, by the execution of a signature certificate pertaining to the Bonds, adopt as and for their respective signatures the facsimiles thereof appearing on the Bonds; and, at the time of the execution of the signature certificate, the Chairperson of the Board and County Clerk may each adopt as and for his or her facsimile signature the facsimile signature of his or her predecessor in office in the event that such facsimile signature appears upon any of the Bonds. If required for execution of the Bonds, the Chairperson of the Board and the County Clerk, pursuant to Sections 6-9-1 through 6-9-6 NMSA 1978, shall each forthwith file his or her manual signature, certified by him or her under oath, with the Secretary of State of New Mexico, provided that such filing shall not be necessary for any officer where any previous filing shall have application to the Bonds.

No Bond shall be valid or obligatory for any purpose unless the certificate of authentication, substantially in the form hereinafter provided, has been duly executed by the Registrar/Paying Agent. The Registrar/Paying Agent’s certificate of authentication shall be deemed to have been duly executed by it if signed by an authorized officer of the Registrar/Paying Agent, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.
Section 7.

A. Books for the registration and transfer of the Bonds shall be kept by the Registrar/Paying Agent, which is hereby appointed by the County as registrar and as paying agent for the Bonds. Upon the surrender for transfer of any Bond at the principal office of the Registrar/Paying Agent, duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing, the Registrar/Paying Agent shall authenticate and deliver, not more than three business days after receipt of the Bond to be transferred, in the name of the transferee or transferees, a new Bond or Bonds in fully registered form of the same aggregate principal amount of authorized denominations, and of the same maturity, interest rate and series, bearing a number or numbers not contemporaneously outstanding. Bonds may be exchanged at the principal office of the Registrar/Paying Agent for an equal aggregate principal amount of Bonds of other authorized denominations, and of the same maturity, series and interest rate. The Registrar/Paying Agent shall authenticate and deliver, not more than three business days after receipt of the Bond to be exchanged, a Bond or Bonds which the registered owner making the exchange is entitled to receive, bearing a number or numbers not contemporaneously outstanding. Exchanges and transfers of Bonds as herein provided shall be without charge to the owner or any transferee, but the Registrar/Paying Agent may require the payment by the owner of any Bond requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer.

B. The person in whose name any Bond shall be registered on the registration books kept by the Registrar/Paying Agent shall be deemed and regarded as the absolute owner thereof for the purpose of making payment thereof and for all other purposes, except as may otherwise be provided with respect to payment of overdue interest as is provided in Section 5(C) hereof; and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the registered owner thereof or his legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitations provided herein. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

C. If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar/Paying Agent shall, upon receipt of the mutilated Bond and such evidence, information or indemnity relating thereto as it may reasonably require and as may be required by law, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount of authorized denominations, and of the same maturity, interest rate and series, bearing a number or numbers not contemporaneously outstanding. If such lost, stolen, destroyed or mutilated Bond shall have matured, the Registrar/Paying Agent may pay such Bond in lieu of replacement.

D. The officers of the County are authorized to deliver to the Registrar/Paying Agent fully executed but unauthenticated Bonds in such quantities as may be convenient to be held in custody by the Registrar/Paying Agent pending use as herein provided.

E. Whenever any Bond shall be surrendered to the Registrar/Paying Agent upon payment thereof, or to the Registrar/Paying Agent for transfer, exchange or replacement as
provided herein, such Bond shall be promptly cancelled by the Registrar/Paying Agent, and counterparts of a certificate of such cancellation shall be furnished by the Registrar/Paying Agent to the County.

F. Notwithstanding the above provisions of this Section, the Bonds may be issued or registered, in whole or in part, in book-entry form from time to time with no physical distribution of bond certificates made to the public, with the Depository Trust Company of New York, New York (the "Depository"), acting as securities depository for the Bonds. A single certificate for each maturity date of the Bonds issued in book-entry form will be delivered to the Depository and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in authorized denominations, with transfer of ownership effected on the books of the Depository and its participants (the "Participants"). As a condition to delivery of the Bonds in book-entry form, the Purchaser will, immediately after acceptance of delivery thereof, deposit, or cause to be deposited, the Bond certificates with the Depository, registered in the name of the Depository or its nominee. Principal, premium, if any, and interest will be paid to the Depository or its nominee as the registered owner of the Bonds. The transfer of principal, premium, if any, and interest payments to Participants will be the responsibility of the Depository; the transfer of principal, premium, if any, and interest payments to the beneficial owners of the Bonds (the "Beneficial Owners") will be the responsibility of Participants and other nominees of Beneficial Owners maintaining a relationship with Participants (the "Indirect Participants"). The County will not be responsible or liable for maintaining, supervising or reviewing the records maintained by the Depository, Participants, or Indirect Participants.

If (i) the Bonds are not eligible for the services of the Depository, (ii) the Depository determines to discontinue providing its services with respect to the Bonds, or (iii) the County determines that a continuation of the system of book-entry transfers through the Depository ceases to be beneficial to the County or the Beneficial Owners, the County will either identify another similar depository to perform such functions or certificates for the Bonds will be delivered to the Beneficial Owners or their nominees, and the Beneficial Owners or their nominees, upon authentication of Bonds and registration of those Bonds in the Beneficial Owners' or nominees' names, will become the owners of the Bonds for all purposes. In that event, the County shall mail an appropriate notice to the Depository for notification to Participants, Indirect Participants, and Beneficial Owners of the substitute Depository or the issuance of bond certificates to Beneficial Owners or their nominees, as applicable.

Officers of the County, including the County Manager and Finance Division Director, are authorized to sign agreements with the Depository relating to the matters set forth in this Section; provided, however, that any such agreements must be approved as to form by the County Attorney or the County Attorney's designee.

Notwithstanding any other provision of this Resolution, so long as all of the Bonds are registered in the name of the Depository or its nominee, all payments of principal, premium, if any, and interest on the Bonds, and all notices with respect to the Bonds, shall be made and given by the Registrar/Paying Agent to the Depository as provided in this Resolution and by
the Depository to its Participants or Indirect Participants in the manner provided in an agreement or letter of the County to the Depository.

Section 8. If the Registrar/Paying Agent initially appointed hereunder shall resign, or if the County shall reasonably determine that the Registrar/Paying Agent has become incapable of fulfilling its duties hereunder, the County may, upon notice mailed to each registered owner of the Bonds at the address last shown on the registration books, appoint a successor Registrar/Paying Agent. Every such successor Registrar/Paying Agent shall be a bank or trust company located in and in good standing in the United States and having a shareholder equity (e.g., capital stock, surplus and undivided profits), however denominated, of not less than $10,000,000.

Section 9. Subject to the registration provisions hereof, the Bonds hereby authorized shall be fully negotiable and shall have all the qualities of negotiable paper, and the registered owner or owners thereof shall possess all rights enjoyed by the holders of negotiable instruments under the provisions of the Uniform Commercial Code.

Section 10. The Bonds shall be in substantially the following form:

The Special Record Date shall be fixed by the Registrar/Paying Agent whenever moneys become available for payment of overdue interest, and notice of any such Special Record Date shall be given not less than ten days prior thereto, by first-class mail, to the registered owners of the Bonds as of the fifth day preceding the mailing of such notice by the Registrar/Paying Agent, stating the Special Record Date and the date fixed for the payment of overdue interest. If the Bonds are issued in book-entry only form, an authorized officer of the County and the applicable securities depository may make other arrangements for the payments on the Bonds.

The Bonds are fully registered and are issuable in denominations of $5,000 and any integral multiple thereof (provided that no individual bond may be issued for more than one maturity).

The series of Bonds of which this bond is one is limited to the total principal amount of $ of like tenor except as to number, denomination, maturity date, and interest rate, issued by the County, and are issued for the purpose of refunding, refinancing, paying and redeeming, on July 1, 2022, the County's General Obligation Improvement Bonds, Series 2013 maturing on and after July 1, 2023, outstanding in the amount of $13,125,000, and to pay costs of issuance of the Bonds allocable to such purpose.

by the County Manager to the best bidder therefore pursuant to an award certificate on 2022 (the “Award Certificate” and, together with the Notice of Sale Resolution, the “Bond Resolution”).

The Bonds shall not be subject to optional redemption prior to maturity.

The Registrar/Paying Agent will maintain the books of the County for the registration of ownership of the Bonds. Upon the surrender for transfer of any Bond at the principal office of the Registrar/Paying Agent, duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing, the Registrar/Paying Agent shall authenticate and deliver, not more than three business days after receipt of the Bond to be transferred, in the name of the transferee or transferees, a new Bond or Bonds in fully registered form of the same aggregate principal amount of authorized denominations, and of the same maturity, interest rate and series, bearing a number or numbers not contemporaneously outstanding. Bonds may be exchanged at the principal office of the Registrar/Paying Agent for an equal aggregate principal amount of Bonds of other authorized denominations, and of the same maturity, series and interest rate. The Registrar/Paying Agent shall authenticate and deliver, not more than three business days after receipt of the Bond to be exchanged, a Bond or Bonds which the registered owner making the exchange is entitled to receive, bearing a number or numbers not contemporaneously outstanding. Exchanges and transfers of Bonds as herein provided shall be without charge to the owner or any transferee, but the Registrar/Paying Agent may require the payment by the owner of any Bond requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer.

The person in whose name any Bond shall be registered on the registration books kept by the Registrar/Paying Agent shall be deemed and regarded as the absolute owner thereof for the purpose of making payment thereof and for all other purposes except as may otherwise be provided with respect to payment of overdue interest; and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the registered owner thereof or his legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitations provided herein. If such lost, stolen, destroyed, or mutilated Bond shall have matured, the Registrar/Paying Agent may pay such Bond in lieu of replacement.

For the punctual payment of the principal of and interest on this bond as aforesaid and for the levy and collection of taxes in accordance with the statutes authorizing the issuance of this bond, the full faith and credit of the County is hereby irrevocably pledged. The Board has, by the
Bond Resolution, ordered the creation of an interest and sinking fund for the payment of the Bonds. Such fund is to be held in trust for the benefit of the owner or owners of the Bonds.

It is hereby certified, recited, and warranted that all the requirements of law have been complied with by the proper officials of the County in the issuance of this bond; that the total indebtedness of the County, including that of this bond, does not exceed any limit of indebtedness prescribed by the Constitution or laws of the State of New Mexico; that provision has been made for the levy and collection of annual taxes sufficient to pay the principal of and the interest on this bond when the same become due. Section 11.

A. When the Bonds have been duly executed and authenticated, they shall be delivered to the lawful purchaser thereof identified in the Award Certificate. The Series 2022 Bonds are issued as Refunding Bonds, and are issued for the purpose of refunding, refinancing, paying, and redeeming, on July 1, 2022, the County's General Obligation improvement Bonds, Series 2013 maturing on and after July 1, 2023, outstanding in the amount of $13,125,000. The purchaser of the Bonds shall in no manner be responsible for the application of or disposal by the County, or any of its officers, of any of the funds derived from the sale thereof.

B. The County hereby declares its intent to exercise on the behalf and in the name of the County its option to redeem the Refunded Bonds at a redemption price equal to 100% of the principal amount of the Refunded Bonds to be redeemed, plus accrued interest to the redemption date. The County is hereby obligated so to exercise such option, which option shall be deemed to have been exercised upon adoption of this Resolution and delivery of the Bonds. Upon delivery of the Bonds, a notice of prior redemption of the Refunded Bonds shall be mailed or delivered to the registered owners of the Refunded Bonds by the County Treasurer, as paying agent and registrar for the Refunded Bonds.

Section 12. There shall be levied on all taxable property within the County, at the time and in the manner provided by law, in addition to all other taxes, direct annual \textit{ad valorem} taxes
sufficient to pay the principal of and interest accruing on the Bonds promptly as the same shall become due. This Resolution is hereby declared to be the certificate of the Board, as to the amount of taxes necessary to be levied for the purposes herein stated and said taxes shall be certified, levied, and extended upon the tax rolls and collected in the same manner, at the same time, and subject to the same penalties and interest as general state and county taxes are certified, levied, and collected. The taxes, when collected, shall be kept by the County in the County’s interest and sinking fund for the County’s general obligation bonds to be used solely for the purpose of paying the principal of and interest on the County’s general obligation bonds as the same become due or mature; provided that nothing herein contained shall be so construed as to prevent the application of any other funds belonging to the County and available for that purpose, to the payment of the Bonds or the interest thereon, as the same become due and upon such payment the levy or levies of tax provided for in this Section may thereupon to that extent be diminished. If the taxes herein provided for shall not be levied or collected in time to pay the interest on or principal of the Bonds as the same become due or mature, then such interest or principal shall be paid from any other funds belonging to the County, which funds may be reimbursed from the taxes herein provided for when the same are collected.

Section 13. The Chairperson of the Board, County Clerk, County Treasurer, County Manager and other officers and employees of the County are hereby authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Resolution, including without limiting the generality of the foregoing, the preparation, posting and distribution of the Official Notice of Bond Sale and Official Bid Form, in substantially the forms set forth in Exhibit A-2 attached hereto, and a Preliminary Official Statement to such potential bidders on the Bonds as they may determine and to take all action necessary or appropriate to give effect to the provisions of this Resolution, including the printing of the Bonds, the execution of letters and agreements with the Depository, the execution of an Escrow Agreement with an Escrow Agent for services related to the Series 2022 Bonds in substantially the form submitted to the Board in connection with this Resolution, the printing and execution of the Official Statement relating to the Bonds, the payment of the costs of issuance of the Bonds, and such certificates as may be required by the Purchaser or bond counsel relating to, among other things, the signing of the Bonds, the tenure and identity of County officials, the receipt of the purchase price of the Bonds from the Purchaser, the absence of litigation, pending or threatened, if in accordance with the facts, affecting the validity thereof, and the absence and existence of factors affecting the exclusion of interest on the Bonds from gross income for federal income tax purposes.

In order to assist the Purchaser in complying with Securities and Exchange Commission Rule 15c2-12(b)(5), at the time of delivery of the Bonds, the County will undertake, pursuant to a written continuing disclosure agreement, to provide annual financial information and notices of certain events as specified in that continuing disclosure agreement.

The Board hereby approves the Continuing Disclosure Responsibilities Procedures attached to this Resolution as Exhibit “B”.

Section 14. The County covenants that it will restrict the use of the proceeds of the Series 2022 Bonds in such manner and to such extent, if any, as may be necessary so that the
Bonds will not constitute arbitrage bonds under Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”). The Chairperson of the Board, the County Treasurer and any other officer of the County having responsibility for the issuance of the Bonds shall give an appropriate certificate of the County, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the County regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of interest on the Bonds.

The County covenants that it (a) will take or cause to be taken such actions which may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, and (b) will not take or permit to be taken any actions which would adversely affect that exclusion, and that it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield, as required, on investment property acquired with those proceeds, (iii) make timely rebate payments, if required, to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code. The Chairperson of the Board, Treasurer and other appropriate officers are hereby authorized and directed to take any and all actions, make calculations and rebate payments, and make or give reports and certifications, as may be appropriate to assure such exclusion of that interest.

Section 15. Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a “Defeased Bond”) hereunder when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity, upon redemption, or other) either (a) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption), or (b) shall have been provided for on or before such due date by irrevocably depositing with or making available to a qualified depository for such payment (i) lawful money of the United States of America sufficient to make such payment or (ii) Government Obligations which mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment (as verified by a certified or registered public accountant), and when proper arrangements have been made by the County with a qualified depository for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of the ad valorem taxes herein levied and pledged as provided in this ordinance, and such principal and interest shall be payable solely from such money or Government Obligations.

Any moneys so deposited with the qualified depository may, at the written direction of the County, also be invested and re-invested in Government Obligations, maturing in the amounts and times required to make payments when due on the Defeased Bonds, and all income from such Government Obligations received by the qualified depository which is not required for the payment of the Defeased Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the County for use in accordance with law. The term “Government Obligations” means direct obligations of the United States of America, including
obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, which may be United States Treasury Obligations, such as its State and Local Government Series, and which may be in book-entry form.

Section 16. Moneys in any fund not immediately needed may be invested as provided by state law and applicable federal statutes and regulations, provided that the Board and the County hereby covenant to the purchasers and the holders of the Bonds from time to time that the County will make no use of the proceeds of the Bonds or any funds reasonably expected to be used to pay the principal of or interest on the Bonds which will cause the Bonds to be arbitrage bonds within the meaning of Section 148 of the Code, as amended, or which would adversely affect the tax status of interest on the Bonds under the Code. This covenant is for the benefit of the purchasers and the holders of the Bonds from time to time.

Section 17. After any of the Bonds have been issued, this Resolution shall constitute a contract between the County and the holder or holders of the Bonds and shall be and remain irrepealable and unalterable until the Bonds and the interest thereon shall have been fully paid, satisfied and discharged, defeased or until such payment has been duly provided for.

Section 18. All prior resolutions or other action of the Board inconsistent with the provisions of this Resolution are hereby repealed, but only to the extent of such inconsistency. If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

Section 19. The following notice shall be published one time in a newspaper having general circulation in the County as soon as is practicable following the adoption hereof:

To bid, bidders must first visit the Grant Street Group website where, if they have not previously registered with Grant Street Group, they can register and then request admission to bid on the 2022 Bonds. Bidders will be notified prior to the scheduled bidding time of their eligibility to bid. Only NASD registered broker-dealers and dealer banks with DTC clearing arrangements will be eligible to bid. Bidders who have previously registered with Grant Street Group may call (412) 391-5555, x 370, attention John Carver, for their ID Number or password.

Rules of Grant Street Group. Bidders must comply with, and all bids must be made in accordance with, the Rules of Grant Street Group in addition to the requirements of this Official Notice of Bond Sale. The Rules of Grant Street Group can be viewed on the Grant Street Group website and are incorporated herein by reference. In the event the Rules of Grant Street Group conflict with this Official Notice of Bond Sale, this Official Notice of Bond Sale shall prevail.

Bidding Parameters. Bidders are required to submit unconditional all-or-none bids specifying the rate of interest at which the bidder will purchase all of the 2022 Bonds. Interest shall be bid in multiples of 1/20th or 1/8th percentum and only one interest rate may be bid for each maturity of the 2022 Bonds. The maximum interest rate may not exceed 5% and the maximum interest rate specified for any maturity of the 2022 Bonds may not exceed the minimum interest rate specified for any maturity of the 2022 Bonds by more than 3 percent (3%). The maximum net effective interest rate of the 2022 Bonds shall not exceed ten percent (10%) per annum.

The 2022 Bonds will not be sold at less than 100% of par.

Term Bonds. A bidder may elect to have all or a portion of the 2022 Bonds scheduled to mature in consecutive years issued as one or more term bonds ("Term Bonds") scheduled to mature in the latest of the consecutive years and subject to mandatory redemption requirements consistent with the schedule of serial maturities set forth in the Preliminary Official Statement; however, not less than all 2022 Bonds of the same serial maturity shall be converted to Term Bonds with mandatory redemption requirements.

Adjustment of principal amounts, modification or clarification prior to examination of bids. The County Manager, in consultation with the County’s financial and bond advisors, in the County Manager’s sole discretion and prior to the examination of bids, may (i) adjust the aggregate principal amount set forth herein or may adjust the principal amount of each series without increasing the aggregate principal amount of the 2022 Bonds; (ii) adjust individual maturities, and/or (iii) modify or clarify any other term hereof, including the date on which bids for the 2022 Bonds will be received, by issuing a notification of the adjusted series, amounts, modification or clarification via Thomson Municipal News ("TM3") and/or Grant Street Group platform and/or Bloomberg Financial Services no later than 8:00 a.m., Mountain Time, on the Bid Date.

Adjustments to principal amounts after determination of best bid. The aggregate principal amount of the 2022 Bonds is subject to increase or reduction, and each scheduled maturity thereof is subject to increase or reduction, by the County Manager after the determination of the Best Bid (defined below). Such adjustments will be made within no more than two (2) hours after the end of the time of bid examination and will be in the sole discretion of the County. To cooperate with any adjustment in the principal amounts, the Purchaser is required to indicate
by e-mail to Yvonne S. Herrera, County Finance Director, at ysherrera@santafecountynm.gov or such other address as may be indicated by the County Manager within one-half (1/2) hour after the end of the time of bid examination, the amount of any original issue discount or premium on any maturity of the 2022 Bonds, the initial offering price of each maturity, the cost of bond insurance, if any, and the amount received from the sale of the 2022 Bonds to the public that will be retained by the Purchaser as its compensation.

The County Manager, in consultation with the County’s financial and bond advisors, may change the dollar amount bid by the Purchaser if the aggregate principal amount of the 2022 Bonds is adjusted as described below, but the interest rates specified by the Purchaser for all maturities will not change. The County Manager, in consultation with the County’s financial and bond advisors, will make every effort to ensure that the percentage net compensation to the Purchaser (i.e., the percentage resulting from dividing (i) the aggregate difference between the offering price of the 2022 Bonds to the public and the price to be paid to the County, less any bond insurance premium to be paid by the bidder, by (ii) the principal amount of the 2022 Bonds) does not increase or decrease from the amount of such compensation if no adjustment was made to principal amounts shown in the maturity schedule. The County will notify the Purchaser of the final principal amounts and the resulting adjusted prices no later than 12:00 p.m. prevailing Mountain Time on the day of the sale and award of the 2022 Bonds. THE PURCHASER MAY NOT WITHDRAW OR MODIFY ITS BID ONCE SUBMITTED TO THE COUNTY FOR ANY REASON, INCLUDING, WITHOUT LIMITATION, AS A RESULT OF ANY INCREASE OR DECREASE IN THE FINAL PRINCIPAL AMOUNTS AND THE AGGREGATE PURCHASE PRICE OF THE 2022 BONDS.

Information Regarding Bids. Bidders may change and submit bids as many times as they wish during the bidding; provided, however, that each bid submitted subsequent to a bidder’s initial bid must result in a lower true interest cost (“TIC”) with respect to a bid when compared to the immediately preceding bid of such bidder. During the bidding, no bidder will see any other bidder’s bid, but each bidder will be able to see its own ranking (i.e., “Leader,” “Cover,” “3rd,” etc.).

Bids Constitute an Irrevocable Offer. Each bid submitted through Grant Street Group shall be deemed an irrevocable offer to purchase the 2022 Bonds on the terms provided in this Official Notice of Bond Sale and shall be binding upon the bidder.

Basis of Award. The 2022 Bonds will be sold to the bidder or bidders offering to purchase the same at the lowest true interest cost. The actuarial yield on the 2022 Bonds using the true interest cost method will be computed at that yield which, if used to compute the present value of all payments of principal and interest on the 2022 Bonds as of _____, 2022 (the “Sale Date”), produces an amount equal to the aggregate bid price. Such calculation will be made based upon a 360-day year and a semiannual interval for compounding.

The winning bid or bids will be indicated on Grant Street Group and the auction results, as posted on such website, will be subject to verification by the County. The County will verify the auction results immediately following the close of the bidding period and notice of confirmation
by the County of the winning bidder or bidders will be made by a posting on Grant Street Group
stating “Auction Results Verified and Confirmed.”

An award may be made by the County to any bidder in a principal amount less than the
principal amount of the 2022 Bonds for which the bid is submitted. Further, in the event of an
award by the County for a principal amount less than the principal amount the bidder submitted,
any premium bid shall be ratably reduced. If two or more bids have the same true interest cost,
the first bid submitted, as determined by reference to the time stamp displayed on Grant Street
Group, shall be deemed to be the leading bid.

Sale Reservations. The County reserves the right (a) to reject any and all bids for any 2022
Bonds, (b) to reoffer any 2022 Bonds for public sale, and (c) to waive any irregularity or
informality in any bid.

Good Faith Deposit Not Required to Bid. A good faith deposit will not be required in
connection with the submission of any bid for the 2022 Bonds. The winning bidder will be
required to submit a Bid Award Deposit (see “Bid Award Deposit” below).

Bid Award Deposit. Not later than 12:00 p.m., prevailing Mountain Time on
____________, 2022, the winning bidder is required to submit a Bid Award Deposit of
$270,000.00. All Bid Award Deposits must be made in good funds by wire transfer of the required
amount to an account specified by the County Manager and provided to the winning bidder after
the sale of the 2022 Bonds.

No interest will be paid by the County on the amount of the Bid Award Deposit. The
proceeds of the Bid Award Deposit of the winning bidder will be applied to the purchase price of
the 2022 Bonds, or in the event of the failure of a winning bidder to take up and pay for the 2022
Bonds in compliance with the terms of the bid, at the option of the County, its Bid Award Deposit
may be retained as liquidated damages, as partial payment of actual damages or as security for any
other remedy available to the County.

Manner and Time of Delivery. The 2022 Bonds will be delivered to DTC for the account
of the winning bidder or bidders at the expense of the County on May 5, 2022, or such later date
as the County and the winning bidder may agree. Payment of the purchase price due at delivery
must be made in Federal Reserve funds for immediate and unconditional credit to the County.

Continuing Disclosure Undertaking. The County has covenanted to provide, in a timely
manner, on the Electronic Municipal Market Access (EMMA) Website maintained by the
Municipal Securities Rulemaking Board notice of the occurrence of specified, material events.
The County has not failed to comply with any of its previous undertakings under Rule 15c2-12,
except as disclosed in the Preliminary Official Statement.

State Securities Laws. The County has taken no action to qualify the offer or sale of the
2022 Bonds under the securities laws of any state. Should any such qualification be necessary, the
County agrees to cooperate with the winning bidder in such matters, provided that the County
reserves the right not to consent to service of process outside its boundaries and expenses related to any such qualification shall be the responsibility of the winning bidder.

**CUSIP Numbers.** CUSIP numbers will be issued at the cost of the winning bidder, and printed on the 2022 Bonds at the expense of the County. Any error or omission in printing such numbers on the 2022 Bonds will not constitute cause for any winning bidder to refuse delivery of any 2022 Bond.

**Legal Opinion, Certificates and Transcript.** The validity and enforceability of the 2022 Bonds will be approved by the County’s Bond Counsel. A copy of the form of the opinion of Bond Counsel is attached as an exhibit to the Preliminary Official Statement.

The purchaser of the 2022 Bonds will receive a certified transcript of legal proceedings which will include, among other items:

(a) a certificate of the County to the effect that, as of its date, the Preliminary Official Statement was deemed final within the meaning of Rule 15c2-12, except for the omissions permitted under Rule 15c2-12;

(b) a certificate of the County to the effect that there is no litigation pending or, to its knowledge, threatened affecting the validity of the 2022 Bonds as of the date of their delivery; and

(c) a certificate of the County to the effect that, as of the date of the Official Statement and at all times to and including the date of delivery of the 2022 Bonds, the Official Statement did not contain any untrue statement of a material fact or omit any statement of a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

**Establishment of Issue Price (Hold-the-Offering Price Rule May Apply if Competitive Sale Requirements are Not Satisfied):** The winning bidder shall assist the County in establishing the issue price of the 2022 Bonds and shall execute and deliver to the County at closing an “issue price” or similar certificate, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the County, and Bond Counsel. All actions to be taken by the County to establish the issue price of the 2022 Bonds may be taken on behalf of the County by the County’s municipal advisor identified herein and any notice or report to be provided to the County may be provided to the County’s municipal advisor.

(a) The County intends that the provisions of Treasury Regulation Section 1.148-
1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the 2021 Bonds) will apply to the initial sale of the 2022 Bonds (the “competitive sale requirements”) because:

(i) the County shall disseminate a Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;

(ii) all bidders shall have an equal opportunity to bid;
(iii) the County may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

(iv) the County anticipates awarding the sale of the 2022 Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to the Notice of Sale shall be considered a firm offer for the purchase of the 2022 Bonds, as specified in the bid.

In the event that the competitive sale requirements described above in subparagraph (a) are not satisfied, the County shall so advise the winning bidder. The County may determine to treat (i) the first price at which 10% of each maturity of the 2022 Bonds is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of the 2022 Bonds as the issue price of that maturity (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis. The winning bidder shall advise the County if any maturity of the 2022 Bonds satisfies the 10% test as of the date and time of the award of the 2022 Bonds. The County shall promptly advise the winning bidder, at or before the time of award of the 2022 Bonds, which maturities of the Bonds shall be subject to the 10% test or shall be subject to the hold-the-offering-price rule during the Holding Period, as defined in subparagraph (d)(i) below. Bids will not be subject to cancellation in the event that the County determines to apply the hold-the-offering-price rule to any maturity of the 2022 Bonds. Bidders should prepare their bids on the assumption that all of the maturities of the 2022 Bonds will be subject to the 10% test in order to establish the issue price of the 2022 Bonds.

(b) The County acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the 2021 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the 2022 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The County further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the 2022 Bonds.

(c) By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement, and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the 2021 Bonds

CONTINUING DISCLOSURE RESPONSIBILITIES OF SANTA FE COUNTY, NEW MEXICO IN CONNECTION WITH MUNICIPAL BONDS ISSUED BY THE COUNTY

Santa Fe County, New Mexico (the “County”) has entered into continuing disclosure undertakings (each a “CDU”) pursuant to SEC Rule 15c2-12 in connection with general obligation bonds and revenue bonds issued by the County. The CDUs typically require:

- That the County disclose certain types of “Annual Financial Information” on an annual basis (typically by providing a copy of the County’s audited financial statements for the most recently completed fiscal year); and
- That “Event Information” be reported within 10 business days after the occurrence of specific types of events which could affect the County’s Bonds.

“Annual Financial Information,” “Audited Financial Statements” and “Event Information” are terms defined in each CDU. Copies of the CDUs for the County’s outstanding bonds are included in the bond transcript for each series of bonds and are also available upon request from the County’s bond counsel.

Currently, any disclosure required by the CDUs is made by electronically posting the information on the Electronic Municipal Market Access website, known as “EMMA.” The matrix appearing below identifies both the periodic and non-routine tasks required for compliance with the County’s CDUs, and the County officials and consultants to which those responsibilities are nonexclusively assigned (each a “Responsible Officer”). Such Responsible Officers are authorized to delegate assigned tasks to persons they shall designate; provided, that such designation shall be in writing and shall be approved or ratified by the Board of County Commissioners of the County, as the case may be.

NEW ISSUE – Book-Entry-Only

In the opinion of Modrall, Sperling, Roehl, Harris & Sisk, P.A., Bond Counsel, under existing laws, regulations, rulings and judicial decisions, and assuming compliance with certain covenants described in “TAX EXEMPTION” herein, interest on the Bonds (including original issue discount treated as interest) (a) is excludable from the gross income of the recipients thereof for federal income tax purposes, under Section 103 of the Internal Revenue Code of 1986, as amended, and (b) is not an item of tax preference under Section 57 of the Internal Revenue Code of 1986, as amended. For purposes of the federal alternative minimum tax imposed on individuals, Bond Counsel is also of the opinion based on existing laws of the State of New Mexico as enacted and construed that interest on the Bonds is exempt from all taxation by the State of New Mexico or any political subdivision thereof. For a more complete description of such opinion of Bond Counsel and a description of certain provisions of the Internal Revenue Code of 1986, as amended, which may affect the federal tax treatment of interest on the Bonds for certain owners of such bonds, see “TAX EXEMPTION” herein.

Bond Counsel is also of the opinion, based on existing laws of the State of New Mexico as enacted and construed, that the Bonds and income from the Bonds are exempt from all taxation by the State of New Mexico or any political subdivision thereof.

Exchanges and transfers of Bonds as herein provided shall be without charge to the owner or any transferee, but the Registrar/Paying Agent may require the payment by the owner of any Bond requesting exchange or transfer of any tax or other governmental charge required

**Tax Covenants**

In the Bond Resolution, the County covenants for the benefit of the owners of the Bonds that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary so that the Bonds will not constitute arbitrage bonds under Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”).

The County further covenants that it (a) will take or cause to be taken such actions which may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, and (b) will not take or permit to be taken any actions which would adversely affect that exclusion, and that it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield, as required, on investment property acquired with those proceeds, (iii) make timely rebate payments, if required, to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code. See “TAX EXEMPTION” herein.

**Book-Entry-Only System**

The information in this section concerning DTC and DTC’s book-entry system has been obtained from sources that the County believes to be reliable, but the County takes no responsibility for the accuracy thereof.

The Depository Trust Company, New York/New York (“DTC”), will act as securities depository for the Bonds. One fully registered bond for each maturity, in the aggregate principal amount of such maturity, will be registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds securities that its participants (“Direct Participants”) deposit with DTC. DTC also facilitates the settlement among Direct Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Direct Participants’ accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc.; the American Stock Exchange, LLC; and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others, such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly, (the “Indirect Participants”). The rules applicable to DTC and its Direct and Indirect Participants are on file with the Securities and Exchange Commission.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners
are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in the Bonds, except in the event that the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds. DTC's records reflect only the identity of the Direct Participants to whose such accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants will remain responsible for keeping account of their holdings on behalf of their customers.

For every transfer and exchange of Bonds or an interest therein, the Beneficial Owner may be charged a service charge together with a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If fewer than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Bonds. Under its usual procedures, DTC mails an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy). Principal and interest payments on the Bonds will be made to DTC or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the County or the Paying Agent on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC or such other nominee as may be requested by an authorized representative of DTC is the responsibility of the County, disbursement of such payments to Direct Participants is the responsibility of DTC, and disbursements of such payments to the Beneficial Owners is the responsibility of Direct Participants and Indirect Participants.

So long as Cede & Co. or its registered assign is the registered owner of the Bonds, the County will be entitled to treat Cede & Co., or its registered assign, as the absolute owner thereof for all purposes of the Bond Resolution and any applicable laws, notwithstanding any notice to the contrary received by the County, and the County will have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any Beneficial Owners of the Bonds.
When reference is made to any action that is required or permitted to be taken by the Beneficial Owners, such reference relates only to those permitted to act by statute, regulation or otherwise on behalf of such Beneficial Owners for such purposes. When notices are given, they are to be sent to DTC, and the County does not have responsibility for distributing such notices to the Beneficial Owners.

The County does not have any responsibility or obligation to the DTC Participants or the Beneficial Owners with respect to (a) the accuracy of any records maintained by DTC or any DTC Participant; (b) the payment of DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of principal of and premium, if any, and interest on the Bonds; (c) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of the Bonds; (d) any consent given or other action taken by DTC, or its nominee, Cede & Co., as Bond Owner; or (e) the distribution by DTC to DTC Participants or Beneficial Owners of any notices received by DTC as registered owner of the Bonds.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the County. Under such circumstances, in the event that a successor securities depository is not obtained, bond certificates are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered.

SECURITY AND REMEDIES

General

The Bonds are general obligations of the County, payable from ad valorem taxes, which may be levied against all taxable property within the County, without limitation of rate or amount. The Bonds are secured by the obligation of the Board of County Commissioners of the County to levy and collect upon all taxable property within the County a tax rate sufficient, together with other legally available revenues, to pay the debt service on the Bonds. Such annual levy for debt service creates a personal obligation which is enforceable against the owner of the property on the date on which the property was subject to valuation for property taxation purposes and a statutory tax lien that can be enforced by sale of the property. Neither the State nor any other political subdivision has any responsibility to pay the debt service on the Bonds.

Legal Matters

Various State laws and constitutional provisions apply to the assessment and collection of ad valorem property taxes. There is no assurance that there will not be any amendment, change in the interpretation of, or addition to the applicable laws, provisions and regulations that would have a material effect, directly or indirectly, on the affairs of the County.

Limitations on Remedies Available to Owners of Bonds

There is no provision for acceleration of maturity of the principal of the Bonds in the event of a default in the payment of principal of or interest on the Bonds. Consequently, remedies available to the owners of the Bonds may have to be enforced from year to year.

The enforceability of the rights and remedies of the owners of the Bonds, and the obligations incurred by the County in issuing the Bonds, are subject to the following: the federal bankruptcy code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditor’s rights generally, now or hereafter in effect; usual equity principles, which may limit the specific enforcement under State law of certain remedies; the exercise by the United States of
America of the powers delegated to it by the federal Constitution; and the reasonable and necessary exercise, in certain exceptional situations, of the police power inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose. Bankruptcy proceedings, or the exercise of powers by the federal or State government, if initiated, could subject the owners of the Bonds to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitation, or modification of their rights.
Public Health Pandemics or Outbreak Risks

An international, national or localized public health pandemic or outbreak could adversely impact the County’s operations and finances, including the collection of ad valorem property taxes. The World Health Organization has declared a pandemic following the outbreak of COVID-19, a respiratory disease caused by a new strain of coronavirus.

On March 11, 2020, New Mexico Governor Michelle Lujan Grisham issued Executive Order 2020-004, declaring a state of public health emergency and directing State agencies to use all resources necessary to prepare for and respond to the outbreak, which declaration has been continuously renewed since that time. In addition, the New Mexico Secretary of Health has issued a series of public health orders since that time mandating various public health restrictions on places of business and day-to-day activities in an effort to blunt the spread of COVID-19 across the State. There is no certainty surrounding what measures the State may institute in the future in response to the COVID-19 pandemic or what impact they may have on the County’s operations or finances. Additional information regarding Executive Orders issued by the Governor and Public Health Orders issued by the Secretary of Health is accessible on the New Mexico Department of Health’s website at https://cv.nmhealth.org/public-health-orders-and-executive-orders/. Neither the information on (nor accessed through) such website of the New Mexico Department of Health is incorporated by reference, either expressly or by implication, into this Official Statement.

County Response. On March 24, 2020, the Board of County Commissioners declared the County an emergency/disaster area as a result of COVID-19. The declaration authorized the County to exercise the necessary emergency powers and expenditure of available resources, as well as to request and accept aid, assistance, and relief programs. The declaration granted the County Manager discretionary authority to extend due dates for money owed the County, waive penalties and interest on late payments, and to delay other consequences of delinquent payment. The County has continued to provide all essential services to the public by normal or modified means, e.g. by requiring meetings by appointment or by employing technology to limit in-person gatherings. In addition, in the benefit of public interest, the County temporarily eliminated the service fee per trip to the County’s solid waste convenience centers and fees charged for inspection of public records, and discontinued the disconnection of water and sewer services and accumulation of late fees due to unpaid balances, to avoid putting a financial burden or increased health risk on the public suffering from the economic emergency caused by COVID-19.

The County implemented fiscal actions which included budget cuts of non-essential spending, including fixed assets, and non-essential vacancy freezes for Fiscal Year 2020 and continued those efforts in Fiscal Year 2021. The County continued those reduced spending levels in its budgeting for Fiscal Year 2022. The County moved approximately 150 employees to a work-from-home schedule at the end of March 2020 and followed all mandated safety guidelines for employees that continue to work in County offices. The County has not furloughed or laid off any County employee during the public health emergency.

Due to the strong local economy, gross receipts tax ("GRT") revenue for Fiscal Year 2020 exceeded Fiscal Year 2019’s GRT revenue as a result of strong earnings from July 2019 through February 2020. The
County only experienced a small decrease in GRT revenues from March 2020 through June 2020, compared to Fiscal Year 2019. The County experienced a slight increase in property tax collections for Fiscal Year 2020, due to approximately 97% of property taxes paid to the County from escrow accounts. In Fiscal Year 2021, total recurring revenue through January 2021 is higher than Fiscal Year 2020 for the same period, resulting from increased property tax collections. While the County cut non-essential spending, it has continued capital project expenditures, in part, to infuse public funds into the economy.

In Fiscal Year 2021, the County was awarded $29,205,279 in American Rescue Plan Act ("ARPA") funds and received an initial installment of $14,602,640. The funds were budgeted in Fiscal Year 2021 for the following initiatives: public awareness and public health, economic development, infrastructure, affordable housing and shelter assistance, and behavioral health and mobile crisis response. The Board of County Commissioners and County departments will define strategies and goals within each initiative as needs are identified and defined. The second funding installment is expected in late spring of calendar year 2022. The funds need to be encumbered by December 31, 2024 and expended by December 31, 2026.

The current spread of COVID-19 is altering the behavior of businesses and people in a manner that may have negative effects on economic activity, and therefore adversely affect the financial condition of the County, either directly or indirectly. The County cannot predict (i) the duration or extent of the COVID-19 outbreak/pandemic; (ii) the duration or expansion of public health orders, regulations or legislation, mandated or voluntary business closings, travel restrictions, or warnings; (iii) the extent or duration of the negative effects that any COVID-19 or other outbreak/pandemic-related orders, regulations, legislation, restrictions or warnings will have on the local or global economy; (iv) the reimplement and duration of lodging occupancy and travel restrictions; or (v) the extent of the adverse financial impact that such circumstances or economic effects will have on gross receipts tax collections or the County’s financial condition. In addition, financial markets in the United States and globally have experienced significant volatility or declines in connection with the COVID-19 which may have a material impact on the market price of the Bonds.

PURPOSE AND PLAN OF FINANCING

$13,500,000* in principal amount of the Bonds will be issued for the purpose of refunding, refinancing, paying and redeeming, on July 1, 2022, the County's General Obligation Bonds, Series 2013 maturing on and after July 1, 2023, outstanding in the amount of $13,125,000, and to pay costs of issuance of the Bonds.

The Loan Guaranty is that certain Pledge of Deposit Account Agreement, dated October 26, 2010, pursuant to which the County pledged an account (the “Lockbox Account”) holding $6,500,000, to Enterprise Bank & Trust (the “Bank”) as security for repayment of a loan (the “Bank Loan”) made by the Bank to Santa Fe Film and Media Studios, Inc. and La Luz Holdings, LLC (collectively, the “Studio Developer”) in connection with a local economic development act project undertaken by the County, the State, and the Studio Developer pursuant to the Local Economic Development Act, Sections 5-10-1 through 5-10-14 NMSA 1978, as amended. The Lockbox Account was funded with surplus County revenue in excess of the reserve requirements established by Section 7-20E-11 NMSA 1978 and policy of the State Department of Finance and Administration. Under the Loan Guaranty, the maximum amount that the Bank can draw annually from the Lockbox Account is $900,000. The County has no obligation to replenish any amounts drawn from the Lockbox Account by the Bank, and does not have the right to utilize the Lockbox funds for other County purposes while the Bank Loan is outstanding. The Studio Developer is obligated to reimburse the County for any amounts drawn from the Lockbox Account, which obligations are secured by a mortgage on the project property. The Studio Developer has made all payments required under the Bank Loan.

County does not pay interest on the Loan/Grant Sharing Agreement, but pays a 0.25% annual administrative cost on the outstanding balance.

*** Represents entire estimated cost of energy conservation measures installed at facilities of the Buckman Direct Diversion (BDD) Project, which is jointly owned by the County and City of Santa Fe. The City of Santa Fe financed the energy conservation measures via a Lease-Purchase Agreement. The County has pledged to the City of Santa Fe its utility cost savings attributable to the energy conservation measures to make payments under the Lease-Purchase Agreement, which are estimated to be 50% of the total annual payment of $4,736,647 due from the City of Santa Fe to the lessor of the energy conservation measures.

### Tax Rates

Article VIII, Section 2 of the New Mexico Constitution limits the total *ad valorem* taxes for operational purposes levied by all overlapping governmental units within the County to $20.00 per $1,000 of assessed value. This limitation does not apply to levies for public debt and levies for additional taxes if authorized at an election by a majority of the qualified voters of the County voting on the question. The following table summarizes the tax situation on residential property located within the County for 2014 through 2018. Except as required to meet debt service on general obligation bonds and as a result of application of the yield control statute, Section 7-37-7.1 NMSA 1978, the County expects no change in the level of its taxes in the foreseeable future but is unable to predict what overlapping entities might do. See “DEBT AND OTHER FINANCIAL OBLIGATIONS – Yield Control Limitation” herein. A high level of taxation may adversely impact the County’s ability to repay bonds.

Yield Control Limitation

State law limits property tax increases from the prior property tax year. Specifically, no taxing entity may set a rate or impose a tax (excluding oil and gas production ad valorem taxes, oil and gas production equipment ad valorem taxes, and copper mineral property ad valorem taxes) or assessment that will produce tax revenues exceed the prior year’s tax revenues from residential and non-residential property multiplied by a “growth control factor.” The growth control factor is the percentage equal to the sum of (a) “percent change I” plus (b) the prior property tax year’s total taxable property value plus “net new value,” as defined by Statute, divided by such prior property tax year’s total taxable property value; but if that percentage is less than 100 percent, then the growth control factor is (a) “percent change I” plus (b) 100%. “Percent change I” is based upon the annual implicit price deflator index for state and local government purchases of goods and services as published in the United States Department of Commerce monthly publication entitled “Survey of Current Business,” or any successor publication) and is a percent (not to exceed 5%) that is derived by dividing the increase in the prior calendar year’s index over the index for the calendar year next preceding the prior calendar year (unless there was a decrease, in which case zero is used) by the index for such calendar year next preceding the prior calendar year.

The growth control factor applies to authorized operating levies and to any capital improvements levies, but does not apply to levies for paying principal and interest on public general obligation debt.

Limitations on Residential Property Tax Increases

A 1998 amendment to the State Constitution allows the State Legislature to enact legislation providing for the assessment of residential properties at levels different than the current estimated market value of a home on the basis of age, income, or home ownership. Section 7-36-21.2 NMSA 1978, as amended, limits increases in the value of residential property for taxation purposes beginning with Tax Year 2001 (the “Statutory Valuation Cap”). The statute provides that, with respect to properties within a county assessing properties in the aggregate at or greater than 85% of their market value, a property’s new valuation shall not exceed 103% of the previous year’s valuation or 106.1% of the valuation two years prior to the tax year in which the property is being valued. This does not apply to residential properties in their
first year of valuation, physical improvements made to the property or instances where the owner or the zoning of the property has changed in the year prior to the tax year for which the value of the property is being determined.

The constitutionality of the property tax limitation has been challenged in a number of venues. On March 28, 2012, the New Mexico Court of Appeals upheld the statutory valuation cap and its application under Section 7-36-21.2 NMSA 1978, which ruling was affirmed by the New Mexico Supreme Court in June, 2014.

Other amendments to State laws affecting residential property taxes are proposed from time to time and may be proposed in the future by the Legislature. Such amendments, if enacted, could result in an increase to the tax rate imposed on residential property tax within the County in order to pay the principal of and interest on general obligation bonds issued by the County, including the Bonds.

**Tax Collections on Locally Assessed and Centrally Assessed Property**

General (ad valorem) property taxes for all units of government are collected by the county treasurer and distributed monthly to the State and various political subdivisions to which they are due. Property taxes are due in two installments. The first half installment is generally due on November 10 and becomes delinquent on December 10. (Section 7-38-36.2(A)(7) NMSA 1978 changed the due date of the first installment to December 6 in 2019 and 2021 for counties, including the County, in which a local government placed a property tax levy on the regular local election ballot in November of those years. It is possible that the Legislature could change the due dates for installments for similar or other reasons in future years. The second half installment is due on April 10 and becomes delinquent on May 10. Collection statistics for all political subdivisions for which the County Treasurer collects taxes are presented here:

**Interest on Delinquent Taxes**

Pursuant to Section 7-38-49 NMSA 1978, if property taxes are not paid for any reason within 30 days after the date they are due, interest on the unpaid taxes shall accrue from the 30th day after they are...
due until the date they are paid. Interest accrues at the rate of one percent (1%) per month or any fraction of a month.

Penalty for Delinquent Taxes

Pursuant to Section 7-38-50 NMSA 1978, if property taxes become delinquent, a penalty of one percent (1%) of the delinquent tax for each month, or any portion of a month, they remain unpaid shall be imposed, but the total penalty shall not exceed five percent (5%) of the delinquent taxes. The minimum penalty imposed is $5.00. A county can suspend application of the minimum penalty requirement for any tax year.

If property taxes become delinquent because of an intent to defraud by the property owner, 50% of the property taxes due or $50.00, whichever is greater, shall be added as a penalty.

Remedies Available for Non-Payment of Taxes

Pursuant to Section 7-38-47 NMSA 1978, property taxes are the personal obligation of the person owning the property on the date on which the property was subject to valuation for property taxation purposes. A personal judgment may be rendered against the taxpayer for payment of taxes that are delinquent, together with any penalty and interest on the delinquent taxes.

Taxes on real property are a lien against the real property. A lien runs in favor of the State and secures the payment of property taxes and any penalty and interest until such payments are made. Such lien is a first lien and paramount to any other interest in the property, perfected or unperfected. Pursuant to Section 7-38-65 NMSA 1978, delinquent taxes on real property may be collected by selling the real property on which taxes are delinquent.

Pursuant to Section 7-38-53 NMSA 1978, delinquent property taxes on personal property may be collected by asserting a claim against the owner(s) of the personal property for which taxes are delinquent.

Protest

Pursuant to Section 7-38-39 NMSA 1978, after receiving his or her property tax bill and after making payment prior to the delinquency date of all property taxes due in accordance with the bill, a property owner may protest the value or classification determined for his or her property for property taxation purposes, the allocation of value of his or her property to a particular governmental unit, the application to his or her property of an administrative fee adopted pursuant to Section 7-38-36.1 NMSA 1978 or a denial of a claim for an exemption by filing a claim for refund in the district court. Pursuant to Section 7-38-41 NMSA 1978, the portion of any property taxes paid to the County Treasurer that is not admitted to be due and is the subject of a claim for refund is to be deposited in a “property tax suspense fund.” Moneys in the property tax suspense fund may not be used for the payment of debt service on the Bonds.

FINANCES OF THE COUNTY

Budget Process

The County’s budget is based on a fiscal year beginning July 1 and ending June 30 of the following year. The County Administration is responsible for preparing the budget. Prior to June 1, the Board is required to submit an interim budget to the Local Government Division of the State Department of Finance and Administration (the “Finance Department”) for its approval. By July 1 of the new fiscal year, the
Finance Department approves and certifies to the County the interim budget for use pending approval of the final budget. By July 31 of the new fiscal year, the County submits a final budget to the Finance Department for approval. Prior to the first Monday in September, the Finance Department certifies the final budget with any adjustments it deems necessary to comply with State statutes. Approval of the Finance Department is required for all budget increases, cash transfers between funds, and budget transfers between departments or between funds. Traditionally, the County uses excess prior year revenues that have accumulated in fund balances to fund the purchase of capital assets and other non-recurring expenditures. The County was awarded the National Government Finance Officers' Association award for its Fiscal Years 2012, 2013, 2014 and 2016 budget presentations.

Retirement Plan; Other Post-Employment Benefits

Public Employees Retirement Association

The County participates in a pension plan organized on a statewide basis and operated by the State of New Mexico. The Public Employees' Retirement Association of New Mexico (“PERA”), established by Section 10-11-1 et seq., NMSA 1978, as amended, requires contributions to its plan (the “Plan”), computed as a percentage of salary, from both employee and employer for all full-time employees. The majority of State and municipal employees in New Mexico participate in the Plan. As required by State law, the County contributes to the plan amounts which vary from 9.15% to 21.25% of eligible employees’ salaries. The County’s contractual obligation under the Plan is limited to the periodic employer contributions that it is required to make for its participating employees. The contribution requirements of the plan members and the County are established in State statute under Chapter 10, Article 11, NMSA 1978, County resolution, and collective bargaining agreements between the County and unions representing various bargaining units. The requirements may be amended by acts of the legislature. The County’s contributions to PERA for the fiscal years ended June 30, 2021, 2020 and 2019 were approximately $9.8 million, $10.4 million, and $10.3 million, respectively, which were equal to the amount of the contributions due for each year.

On June 25, 2012, the Governmental Accounting Standards Board approved Statement No. 68 which requires governments providing defined benefit pensions to recognize their long-term obligation for pension benefits as a liability for the first time, and to more comprehensively and comparably measure the
annual costs of pension benefits. Statement No. 68 requires governmental participants in cost-sharing multi-employer plans, such as the County, to record a liability and expense equal to their proportionate share of the collective net pension liability and expense for the cost-sharing plan. Statement No. 68 became effective for fiscal years beginning after June 15, 2014. As reported in the County’s fiscal year 2021 audited financial statements, the County’s proportionate share of PERA’s net pension liability was $120,178,424 at June 30, 2021. These amounts were reported in the County’s audited financial statements for Fiscal Year 2021 along with other information required by GASB Statement No. 68.

PERA issues a publicly available financial report that includes financial statements and additional information. A copy of this report can be obtained from PERA at www.nmpera.org/financial-overview.

The State Legislature enacted comprehensive pension reform legislation during the 2013 legislative session. Senate Bill 27 significantly amended the Public Employees’ Retirement Act by creating a new tier of reduced benefits for new hires. The law reduced the cost of living adjustments for all current and future retirees; delayed the application of cost of living adjustments for certain future retirees; suspended the cost of living adjustments for certain return-to-work retirees; provided for an increase in the statutory employee contribution rate of 1.5% (subject to certain requirements) for employees earning $20,000 or more in annual salary; provided for an increase in the statutory employer contribution of 0.4% beginning in fiscal year 2015; increased age and service requirements; lengthened the base average salary calculation amount from three to five years for future employees; increased the vesting period for employees from five to eight years for most members in 2020; lowered the annual service credit by 0.5% for most members; and made several other clarifying and technical changes. The Legislature enacted further pension reform legislation in 2020 through the passage of Senate Bill 72 which, among other things, suspended the accrual, payment of pension benefits, including cost-of-living adjustments, of retired PERA members who return to employment by an affiliated public employer for the duration of the post-retirement employment (with certain exceptions); modified age, service credit requirements, and employer and employee contribution requirements for various classes of covered public sector employees; and modified vesting periods.

In Fiscal Year 2021, PERA reported an audited Net Pension Liability (“NPL”) of $5,247,179,535, using methods and assumptions required under GASB Statement No. 67, the reporting standard applicable to pension plans. PERA annually prepares a “Schedule of Employer Allocations and Pension Amounts” that provides employer participants the information they need to comply with GASB Statement No. 68, including each employer’s proportionate share of the NPL. This schedule is audited by PERA’s independent auditors and is reviewed by the New Mexico Office of the State Auditor.
New Mexico Retiree Health Care Authority

The County contributes to the State-sponsored New Mexico Retiree Health Care Fund, a cost-sharing multiple employer defined benefit postemployment healthcare plan administered by the Retiree Health Care Authority ("NMRHCA"). The NMRHCA administers the New Mexico Retiree Health Care Act ("RHCA"), Sections 10-7C-1 through 10-7C-19 NMSA 1978, for the purpose of providing comprehensive group health insurance coverage for persons who have retired from certain public service in the State and eligible dependents. The RHCA plan is financed on a pay-as-you-go basis. The employer, employee and retiree contributions are required to be remitted to the RHCA on a monthly basis. The RHCA establishes the required contributions of participating employers. For employees who were members of an enhanced retirement plan during fiscal year 2015, the statute required each participating employer to contribute 2.50% of each participating employee’s annual salary, and each participating employee to contribute 1.25% of their salary. For employees that were not members of an enhanced retirement plan during fiscal year 2016, the statute required each participating employer to contribute 2.0% of each participating employee’s annual salary, and each participating employee to contribute 1.0% of their salary. The County’s contributions to the NMRHCA for the years ended June 30, 2021, 2020 and 2019 were $901,319, $923,783, and $1,633,628, respectively, which equal the required contributions for each of those years.

County Insurance Coverage

The County maintains insurance on its assets and operations as is customary and adequate, in its opinion, for similar entities insuring similar operations and assets. The County carries workers compensation, general liability, auto damage, errors and omissions coverage, emergency medical, and law enforcement liability primarily with the New Mexico County Insurance Authority and New Mexico Mutual, and accident coverage for volunteer fire fighters through a private carrier. In addition, the County maintains environmental pollution insurance for specified locations, and builders’ risk insurance through private carriers. The County is self-insured for medical malpractice. There can be no assurance, however, that the County will continue to maintain the present level of coverage or that the insurance maintained will be sufficient.

TAX EXEMPTION

In the opinion of Modrall, Sperling, Roehl, Harris & Sisk, P.A., Bond Counsel, to be delivered at the time of original issuance of the Bonds, under existing laws, regulations rulings and judicial decisions, and assuming compliance with covenants described herein, interest on Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference under Section 57 of the Code (as defined below) for purposes of the federal alternative minimum tax imposed on individuals. Bond Counsel is also of the opinion, based on existing laws of the State of New Mexico as enacted and construed, that interest on the Bonds is exempt from all taxation by the State of New Mexico or any political subdivision thereof.

The Internal Revenue Code of 1986, as amended (the “Code”), imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal tax purposes of interest on obligations such as the Bonds. The County has made various representations and warranties with respect to, and has covenanted in the resolution authorizing issuance of the Bonds and other documents, instruments and certificates to comply with the applicable provisions of the Code to assure that interest on the Bonds will not become includible in gross income. Failure to comply with these covenants or the inaccuracy of these representations and warranties may result in interest on the Bonds being included in gross income from the date of issue of the Bonds. The opinion of Bond Counsel assumes compliance with the covenants and the accuracy of such representations and warranties.

Although Bond Counsel has rendered an opinion that interest on the Bonds is excludable from gross income for federal income tax purposes, the accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of the recipient. The extent of these other tax consequences will depend upon the recipient’s particular tax status or other items of income or deduction. Bond Counsel expresses no opinion regarding any such consequences. Before purchasing any of the Bonds, potential purchasers should consult their tax advisors as to the tax consequences of purchasing or owning the Bonds.

The opinions expressed by Bond Counsel are based upon existing law as of the date of issuance and delivery of the Bonds, and Bond Counsel expresses no opinion as of any date subsequent thereto or with respect to any pending legislation.

From time to time, there are legislative proposals in Congress that, if enacted, could alter or amend the federal tax matters referred to above or adversely affect the market value of the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted, it would apply to Bonds issued prior to enactment. Each purchaser of the Bonds should consult his or her own tax advisor regarding any pending or proposed federal tax legislation. Bond Counsel expresses no opinion regarding any pending or proposed federal tax legislation.
Original Issue Discount

The Bonds may be offered at a discount ("original issue discount") equal generally to the difference between public offering price and principal amount. For federal income tax purposes, original issue discount on a bond accrues periodically over the term of the bond as interest. The amount of original issue discount deemed received by the holder is excludable from gross income of the holder for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. The accrual of original issue discount increases the holder’s tax basis in the bond for determining taxable gain or loss from sale or from redemption prior to maturity. Holders of Bonds offered at an original issue discount should consult their tax advisors for an explanation of the accrual rules.

Original Issue Premium

The Bonds may be offered at a premium ("original issue premium") over their principal amount. For federal income tax purposes, original issue premium is amortizable periodically over the term of a bond through reductions in the holders’ tax basis in the bond for determining taxable gain or loss from sale or from redemption prior to maturity. Amortizable premium is accounted for as reducing the tax-exempt interest on the bond rather than creating a deductible expense or loss. Holders of Bonds offered at an original issue premium should consult their tax advisors for an explanation of the amortization rules.

Internal Revenue Service Audit Program

The Internal Revenue Service (the “Service”) has developed an ongoing program auditing tax-exempt obligations to determine whether, in the view of the Service, interest on such tax-exempt obligations is includable in the gross income of the owners thereof for federal income tax purposes. No assurances can be given as to whether the Service will commence an audit of the Bonds. If an audit is commenced, under current procedures the Service will treat the County as the taxpayer and the Bond owners may have no right to participate in such procedure. Neither the initial purchasers of the Bonds nor Bond Counsel is obligated to defend the tax-exempt status of the Bonds. The County has covenanted in the Bond Resolution not to take any action that would cause the interest on the Bonds to lose its exclusion from gross income except to the extent described above for the owners thereof for federal income tax purposes. Neither the County, the Municipal Advisor nor Bond Counsel is responsible to pay or reimburse the costs of any Bond owner with respect to any audit or litigation relating to the Bonds.

CONTINUING DISCLOSURE INFORMATION

In connection with the issuance of the Bonds, the County will execute a Continuing Disclosure Undertaking, in the form attached hereto as Appendix D, under which it will agree for the benefit of the owners of the Bonds to provide audited annual financial statements of the County when available after the end of each Fiscal Year, and to provide certain annual financial information and operating data relating to the County and timely notice of certain events.

Compliance with Prior Undertakings

The County has previously entered into continuing disclosure agreements in accordance with SEC Rule 15c2-12. The County did not timely file a Moody’s rating change in August 2013 related to its County Gross Receipts Tax Bonds and Capital Outlay Gross Receipts Tax Bonds. The rating change resulted from a Moody’s surveillance rating process. The rating change was disclosed on EMMA immediately following the discovery that the rating change had not been filed. The County did not timely file audited financial statements for Fiscal Years 2012 through 2015 related to its Correctional System Revenue Bonds, Series 1997 and Gross Receipts Tax Revenue Bonds, Subordinate Series 1997A. The County filed the audited
financial statements for those years with respect to the Series 1997 Bonds and Subordinate Series 1997 Bonds on July 11, 2016, as well as a notice of failure to file. The County adopted a Continuing Disclosure compliance procedure policy on April 14, 2015. Except as indicated in this paragraph, the County believes that it has been in material compliance with the requirements of outstanding continuing disclosure agreements entered into in connection with bonds issued by the County over the past five years.

LITIGATION

At the time of the original delivery of the Bonds, the County will deliver a no-litigation certificate to the effect that no litigation or administrative action or proceeding is pending or, to the knowledge of the appropriate County officials, threatened, restraining or enjoining, or seeking to restrain or enjoin, the issuance and delivery of the Bonds, effectiveness of the Bond Resolution, or contesting or questioning the proceedings and authority under which the Bonds have been authorized and are to be issued, sold, executed or delivered, or the validity of the Bonds.

RATING

The Bonds have received a rating of _____ from Standard & Poor’s Ratings Services (“S&P”). An explanation of the significance of the rating given by S&P may be obtained from S&P at 55 Water Street, New York, New York 10041.

Such rating reflects only the views of S&P, and there is no assurance that such rating will continue for any given period of time after obtained or that such rating will not be revised downward or withdrawn entirely by the S&P if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Bonds. Neither the County (including its employees, advisors, and attorneys) nor the initial purchasers of the Bonds have undertaken any responsibility to bring to the attention of the owners of the Bonds any proposed change in or withdrawal of such rating once received or to oppose any such proposed revision.

MUNICIPAL ADVISOR

RBC Capital Markets, LLC (“RBC CM”) is employed as Municipal Advisor to the County in connection with the issuance of the Bonds. The Municipal Advisor’s fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery of the Bonds. RBC CM may also receive a fee for conducting a competitive bidding process regarding the investment of certain proceeds of the Bonds. RBC CM, in its capacity as Municipal Advisor, has relied on the opinion of Bond Counsel and does not assume any responsibility for the information, covenants and representations contained in any of the legal documents with respect to the federal income tax status of the Bonds, or the possible impact of any present, pending or future actions taken by any legislative or judicial bodies.

The Municipal Advisor to the County has provided the following sentence for inclusion in this Official Statement. The Municipal Advisor has reviewed the information in this Official Statement in accordance with, and as part of, its responsibilities to the County and, as applicable, to investors under the federal securities laws as applied to the facts and circumstances of this transaction. The Municipal Advisor is not obligated to undertake, and has not undertaken to make, an independent verification or to assume responsibility for the accuracy, completeness, or fairness of the information in this Official Statement.
LEGAL MATTERS

The legality of the Bonds will be approved by Modrall, Sperling, Roehl, Harris & Sisk, P.A., Albuquerque, New Mexico, Bond Counsel, whose unqualified opinion approving the legality of the Bonds will be furnished at the closing.

TRANSCRIPT AND CLOSING DOCUMENTS

A complete transcript of proceedings and a no-litigation certificate (described above under "LITIGATION") will be delivered by the County when the Bonds are delivered. The County will at that time also provide a certificate relating to the accuracy and completeness of this Official Statement.

Board of County Commissioners
APPENDIX A

OPINION OF BOND COUNSEL

____________, 2022

Board of County Commissioners
Santa Fe County, New Mexico

We have acted as bond counsel to Santa Fe County, New Mexico (the "County") in connection with the issuance of its $13,500,000 General Obligation Refunding Bonds, Series 2022 (the "Bonds") dated __________, 2022, with interest payable on July 1, 2022, and semi-annually thereafter on each January 1 and July 1 until maturity, and being bonds in registered form maturing on July 1 in the years 2021 through 20__, inclusive.

The Bonds will be issued for the purpose of refunding, refinancing, paying and redeeming, on July 1, 2022, the County's General Obligation Improvement Bonds, Series 2013 maturing on and after July 1, 2023, outstanding in the amount of $13,125,000, and to pay costs of issuance of the Bonds.

We have examined the transcript of proceedings (the "Transcript") relating to the issuance of the Bonds and the law under authority of which the Bonds are issued. Based on our examination, we are of the opinion that, under the law existing on the date of this opinion, subject to the provisions of federal bankruptcy law and other laws affecting creditors’ rights:

1. The Bonds constitute valid and binding general obligations of the County, and the principal of and interest on the Bonds, unless paid from other sources, are to be paid from the proceeds of the levy of ad valorem taxes on all property within the County subject to ad valorem taxes levied by the County, which levy is unlimited as to rate or amount.

2. Under existing laws, regulations, rulings and judicial decisions, interest on the Bonds is excludable from gross income for federal income tax purposes. We are also of the opinion that interest on the Bonds is not a specific preference item for purposes of calculating the alternative minimum tax imposed on individuals under provisions contained in the Internal Revenue Code of 1986, as amended (the "Code"). Although we are of the opinion that interest on the Bonds is excludable from gross income for federal income tax purposes, the accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of the recipient. The extent of these other tax consequences will depend upon the recipient’s particular tax status or other items of income or deduction. We express no opinion regarding any such consequences.

3. The Bonds and the income from the Bonds are exempt from all taxation by the State or any political subdivision of the State.

The opinions set forth above in paragraph 2 are subject to continuing compliance by the County with covenants regarding federal tax law contained in the proceedings and other documents relevant to the issuance by the County of the Bonds. Failure to comply with these covenants may result in interest on the Bonds being included in gross income retroactive to their date of issuance.

The opinions expressed herein are based upon existing laws as of the date of issuance and delivery of the Bonds. We express no opinion as of any date subsequent hereto, and our engagement with respect to the Bonds has concluded with their issuance. We disclaim any obligation to update this opinion.

A-1
The obligations of the County related to the Bonds are subject to the reasonable exercise in the future by the State and its governmental bodies of the police power inherent in the sovereignty of the State and to the exercise by the United States of the powers (including bankruptcy powers) delegated to it by the United States Constitution. The obligations of the County and the security provided therefor, as contained in the Bond Resolution, may be subject to general principles of equity which permit the exercise of judicial discretion and are subject to the provisions of applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting the enforcement of creditors’ rights generally, now or hereafter in effect.

The foregoing opinions represent our legal judgment based upon a review of existing legal authorities that we deem relevant to render such opinions and are not a guarantee of result. We express no opinion with respect to any pending legislation.

We are passing upon only those matters set forth in this opinion and are not passing upon the accuracy or completeness of any statement made in connection with any sale of the Bonds or upon any tax consequences arising from the receipt or accrual or interest on, or the ownership of, the Bonds except those specifically addressed in paragraphs 2 and 3 above.

Respectfully,
APPENDIX B

AUDITED FINANCIAL STATEMENTS – JUNE 30, 2021

The County has not requested the consent of REDW, LLC, which performed the audit of the County’s Financial Statements, to the inclusion of the audit report and excerpts thereof in this Official Statement, and the auditor has not conducted a post-audit review of those Financial Statements.

**Bidding Parameters.** Bidders are required to submit unconditional all-or-none bids specifying the rate of interest at which the bidder will purchase all of the 2022 Bonds. Interest shall be bid in multiples of
1/20th or 1/8th percentum and only one interest rate may be bid for each maturity of the 2022 Bonds. The maximum interest rate may not exceed 5% and the maximum interest rate specified for any maturity of the 2022 Bonds may not exceed the minimum interest rate specified for any maturity of the 2022 Bonds by more than 3 percent (3%). The maximum net effective interest rate of the 2022 Bonds shall not exceed ten percent (10%) per annum.

The 2022 Bonds will not be sold at less than 100% of par.

Term Bonds. A bidder may elect to have all or a portion of the 2022 Bonds scheduled to mature in consecutive years issued as one or more term bonds (“Term Bonds”) scheduled to mature in the latest of the consecutive years and subject to mandatory redemption requirements consistent with the schedule of serial maturities set forth in the Preliminary Official Statement; however, not less than all 2022 Bonds of the same serial maturity shall be converted to Term Bonds with mandatory redemption requirements.

Adjustment of principal amounts, modification or clarification prior to examination of bids. The County Manager, in consultation with the County’s financial and bond advisors, in the County Manager’s sole discretion and prior to the examination of bids, may (i) adjust the aggregate principal amount set forth herein or may adjust the principal amount of each series without increasing the aggregate principal amount of the 2022 Bonds; (ii) adjust individual maturities, and/or (iii) modify or clarify any other term hereof, including the date on which bids for the 2022 Bonds will be received, by issuing a notification of the adjusted series, amounts, modification or clarification via Thomson Municipal News (“TM3”) and/or Grant Street Group platform and/or Bloomberg Financial Services no later than 8:00 a.m., Mountain Time, on the Bid Date.

Adjustments to principal amounts after determination of best bid. The aggregate principal amount of the 2022 Bonds is subject to increase or reduction, and each scheduled maturity thereof is subject to increase or reduction, by the County Manager after the determination of the Best Bid (defined below). Such adjustments will be made within no more than two (2) hours after the end of the time of bid examination and will be in the sole discretion of the County. To cooperate with any adjustment in the principal amounts, the Purchaser is required to indicate by e-mail to Yvonne S. Herrera, County Finance Director, at ysherrera@sanjaccountnm.gov or such other address as may be indicated by the County Manager within one-half (1/2) hour after the end of the time of bid examination, the amount of any original issue discount or premium on any maturity of the 2022 Bonds, the initial offering price of each maturity, the cost of bond insurance, if any, and the amount received from the sale of the 2022 Bonds to the public that will be retained by the Purchaser as its compensation.

The County Manager, in consultation with the County’s financial and bond advisors, may change the dollar amount bid by the Purchaser if the aggregate principal amount of the 2022 Bonds is adjusted as described below, but the interest rates specified by the Purchaser for all maturities will not change. The County Manager, in consultation with the County’s financial and bond advisors, will make every effort to ensure that the percentage net compensation to the Purchaser (i.e., the percentage resulting from dividing (i) the aggregate difference between the offering price of the 2022 Bonds to the public and the price to be paid to the County, less any bond insurance premium to be paid by the bidder, by (ii) the principal amount of the 2022 Bonds) does not increase or decrease from the amount of such compensation if no adjustment was made to principal amounts shown in the maturity schedule. The County will notify the Purchaser of the final principal amounts and the resulting adjusted prices no later than 12:00 p.m. prevailing Mountain Time on the day of the sale and award of the 2022 Bonds. THE PURCHASER MAY NOT WITHDRAW OR MODIFY ITS BID ONCE SUBMITTED TO THE COUNTY FOR ANY REASON, INCLUDING, WITHOUT LIMITATION, AS A RESULT OF ANY INCREASE OR DECREASE IN THE FINAL PRINCIPAL AMOUNTS AND THE AGGREGATE PURCHASE PRICE OF THE 2022 BONDS.
Information Regarding Bids. Bidders may change and submit bids as many times as they wish during the bidding; provided, however, that each bid submitted subsequent to a bidder’s initial bid must result in a lower true interest cost (“TIC”) with respect to a bid when compared to the immediately preceding bid of such bidder. During the bidding, no bidder will see any other bidder’s bid, but each bidder will be able to see its own ranking (i.e., “Leader,” “Cover,” “3rd,” etc.).

Bids Constitute an Irrevocable Offer. Each bid submitted through Grant Street Group shall be deemed an irrevocable offer to purchase the 2022 Bonds on the terms provided in this Official Notice of Bond Sale and shall be binding upon the bidder.

Basis of Award. The 2022 Bonds will be sold to the bidder or bidders offering to purchase the same at the lowest true interest cost. The actuarial yield on the 2022 Bonds using the true interest cost method will be computed at that yield which, if used to compute the present value of all payments of principal and interest on the 2022 Bonds as of ______, 2022 (the “Sale Date”), produces an amount equal to the aggregate bid price. Such calculation will be made based upon a 360-day year and a semiannual interval for compounding.

The winning bid or bids will be indicated on Grant Street Group and the auction results, as posted on such website, will be subject to verification by the County. The County will verify the auction results immediately following the close of the bidding period and notice of confirmation by the County of the winning bidder or bidders will be made by a posting on Grant Street Group stating “Auction Results Verified and Confirmed.”

An award may be made by the County to any bidder in a principal amount less than the principal amount of the 2022 Bonds for which the bid is submitted. Further, in the event of an award by the County for a principal amount less than the principal amount of the bidder submitted, any premium bid shall be ratably reduced. If two or more bids have the same true interest cost, the first bid submitted, as determined by reference to the time stamp displayed on Grant Street Group, shall be deemed to be the leading bid.

Sale Reservations. The County reserves the right (a) to reject any and all bids for any 2022 Bonds, (b) to reoffer any 2022 Bonds for public sale, and (c) to waive any irregularity or informality in any bid.

Good Faith Deposit Not Required to Bid. A good faith deposit will not be required in connection with the submission of any bid for the 2022 Bonds. The winning bidder will be required to submit a Bid Award Deposit (see “Bid Award Deposit” below).

Bid Award Deposit. Not later than 12:00 p.m., prevailing Mountain Time on ______, 2022, the winning bidder is required to submit a Bid Award Deposit of $270,000.00. All Bid Award Deposits must be made in good funds by wire transfer of the required amount to an account specified by the County Manager and provided to the winning bidder after the sale of the 2022 Bonds.

No interest will be paid by the County on the amount of the Bid Award Deposit. The proceeds of the Bid Award Deposit of the winning bidder will be applied to the purchase price of the 2022 Bonds, or in the event of the failure of a winning bidder to take up and pay for the 2022 Bonds in compliance with the terms of the bid, at the option of the County, its Bid Award Deposit may be retained as liquidated damages, as partial payment of actual damages or as security for any other remedy available to the County.

Manner and Time of Delivery. The 2022 Bonds will be delivered to DTC for the account of the winning bidder or bidders at the expense of the County on May 5, 2022, or such later date as the County
and the winning bidder may agree. Payment of the purchase price due at delivery must be made in Federal Reserve funds for immediate and unconditional credit to the County.

**Continuing Disclosure Undertaking.** The County has covenanted to provide, in a timely manner, on the Electronic Municipal Market Access (EMMA) Website maintained by the Municipal Securities Rulemaking Board notice of the occurrence of specified, material events. The County has not failed to comply with any of its previous undertakings under Rule 15c2-12, except as disclosed in the Preliminary Official Statement.

**State Securities Laws.** The County has taken no action to qualify the offer or sale of the 2022 Bonds under the securities laws of any state. Should any such qualification be necessary, the County agrees to cooperate with the winning bidder in such matters, provided that the County reserves the right not to consent to service of process outside its boundaries and expenses related to any such qualification shall be the responsibility of the winning bidder.

**CUSIP Numbers.** CUSIP numbers will be issued at the cost of the winning bidder, and printed on the 2022 Bonds at the expense of the County. Any error or omission in printing such numbers on the 2022 Bonds will not constitute cause for any winning bidder to refuse delivery of any 2022 Bond.

**Legal Opinion, Certificates and Transcript.** The validity and enforceability of the 2022 Bonds will be approved by the County’s Bond Counsel. A copy of the form of the opinion of Bond Counsel is attached as an exhibit to the Preliminary Official Statement.

The purchaser of the 2022 Bonds will receive a certified transcript of legal proceedings which will include, among other items:

(a) a certificate of the County to the effect that, as of its date, the Preliminary Official Statement was deemed final within the meaning of Rule 15c2-12, except for the omissions permitted under Rule 15c2-12;

(b) a certificate of the County to the effect that there is no litigation pending or, to its knowledge, threatened affecting the validity of the 2022 Bonds as of the date of their delivery; and

(c) a certificate of the County to the effect that, as of the date of the Official Statement and at all times to and including the date of delivery of the 2022 Bonds, the Official Statement did not contain any untrue statement of a material fact or omit any statement of a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

**Establishment of Issue Price (Hold-the-Offering Price Rule May Apply if Competitive Sale Requirements are Not Satisfied):** The winning bidder shall assist the County in establishing the issue price of the 2022 Bonds and shall execute and deliver to the County at closing an “issue price” or similar certificate, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the County, and Bond Counsel. All actions to be taken by the County to establish the issue price of the 2022 Bonds may be taken on behalf of the County by the County’s municipal advisor identified herein and any notice or report to be provided to the County may be provided to the County’s municipal advisor.

(a) The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the 2021 Bonds) will apply to the initial sale of the 2022 Bonds (the “competitive sale requirements”) because:
(i) the County shall disseminate a Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;

(ii) all bidders shall have an equal opportunity to bid;

(iii) the County may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

(iv) the County anticipates awarding the sale of the 2022 Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to the Notice of Sale shall be considered a firm offer for the purchase of the 2022 Bonds, as specified in the bid.

In the event that the competitive sale requirements described above in subparagraph (a) are not satisfied, the County shall so advise the winning bidder. The County may determine to treat (i) the first price at which 10% of each maturity of the 2022 Bonds is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of the 2022 Bonds as the issue price of that maturity (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis. The winning bidder shall advise the County if any maturity of the 2022 Bonds satisfies the 10% test as of the date and time of the award of the 2022 Bonds. The County shall promptly advise the winning bidder, at or before the time of award of the 2022 Bonds, which maturities of the Bonds shall be subject to the 10% test or shall be subject to the hold-the-offering-price rule during the Holding Period, as defined in subparagraph (d)(i) below. Bids will not be subject to cancellation in the event that the County determines to apply the hold-the-offering-price rule to any maturity of the 2022 Bonds. Bidders should prepare their bids on the assumption that all of the maturities of the 2022 Bonds will be subject to the 10% test in order to establish the issue price of the 2022 Bonds.

(b) The County acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires,
(ii) in the event a selling group has been created in connection with the initial sale of the 2021 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the 2022 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The County further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the 2022 Bonds.

(c) By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement, and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the 2021 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold 2022 Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the 2022 Bonds of that maturity or all 2022 Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case for so long as directed by the winning bidder and as set forth in the related pricing wires, and

(ii) any agreement among underwriters relating to the initial sale of the 2022 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the 2022 Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold 2022 Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the 2022 Bonds of that maturity or all 2022 Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

(d) The following terms are defined below:
(i) Hold-the-Offering-Price Maturity means a maturity of the 2022 Bonds of which less than 10% has been sold to the Public on the Sale Date.

(ii) Holding Period means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (a) the close of the fifth business day after the Sale Date, or (b) the date on which the winning bidder sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.

Postponement of Sale. The County reserves the right to postpone the date and time established for the receipt of bids. Any such postponement will be announced by posting on Grant
Street Group prior to commencement of the bidding. If any date and time fixed for the receipt of
bids and the sale of the 2022 Bonds is postponed, an alternative sale date and time will be
announced at least one business day prior to such alternative sale date. On any such alternative
sale date and time, any bidder may submit bids electronically as described above for the purchase
of the 2022 Bonds in conformity in all respects with the provision of this Official Notice of Bond
Sale, except for the date and time of sale and except for any changes announced by posting on
Grant Street Group at the time the sale date and time are announced, or in accordance with the
section of this Official Notice of Bond Sale entitled Adjustment of principal amount,

EMMA. The County may adjust the Report Date if the County changes its fiscal year by providing written notice of the change of fiscal year and the new Report Date to EMMA, provided that the new Report Date shall be 270 days after the end of the new fiscal year and provided further that the period between the final Report Date relating to the former fiscal year and the initial Report Date relating to the new fiscal year shall not exceed one year in duration. Section 5. Termination of Continuing Disclosure Obligation. The continuing obligation hereunder of the County to provide Annual Financial Information, Audited Financial Statements, if any, and Event Notices shall terminate immediately once Bonds no longer are Outstanding. This undertaking or any provision hereof, shall be null and void in the event that the County delivers to EMMA an opinion of nationally recognized bond counsel to the effect that those portions of the Rule which require this undertaking, or any such provision, are invalid, have been repealed retroactively or otherwise do not apply to the Bonds. This undertaking may be amended without the consent of the Owners, but only upon the delivery by the County to EMMA of the proposed amendment and an opinion of nationally recognized bond counsel to the effect that such amendment, and giving effect thereto, will not adversely affect the compliance of this undertaking by the County with the Rule.

Section 6. Beneficiaries. This agreement shall inure solely to the benefit of the County and the Owners from time to time of the Bonds, and shall create no rights in any other persons or entity.

Section 7. Enforcement. Each Owner is authorized to take action to seek specific performance by court order to compel the County to comply with its obligations under this Agreement, which action will be the exclusive remedy available to it or any other Owner. The County's breach of its obligations under this Agreement will not constitute an event of default under the Bond Resolution, and none of the rights and remedies provided by the Bond Resolution will be available to the Owners with respect to such a breach.

Section 8. Term. Section 9. Amendments. The County may amend this Agreement from time to time, without the consent of any Owner, upon the County's receipt of an opinion of independent counsel experienced in federal securities laws to the effect that such amendment:

(a) is made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in the identity, nature or status of the County;

(b) this Agreement, as amended, would have complied with the Rule at the time of the initial issue and sale of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any changes in circumstances; and

(c) the amendment does not materially impair the interests of the Owners.

Any Annual Financial Information containing amended operating data or financial information will explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided. If an amendment changes the accounting principles to be followed in preparing financial statements, the Annual Financial Information and Audited Financial Statements for the year in which the change is made will present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 10. Governing Law. This Agreement is governed by and is to be construed in accordance with the law of the State.

Section 4.

(a) On July 1, 2022, the Escrow Agent shall transfer immediately available funds to the County, as paying agent for the Refunded 2013 Bonds, to fully pay the principal of and interest on the Refunded 2013 Bonds to be paid and redeemed, as shown on Exhibit II.

(b) On July 1, 2022, after the payments described in Section 4(a) above are made, the Escrow Agent shall remit all moneys (expected to be $0) then remaining in the Refunding Escrow for payment of the Refunded 2013 Bonds to the County for deposit in the debt service fund created in the Bond Legislation for the Refunding Bonds.

Section 5. The escrow created hereby shall be irrevocable and the holders of the Refunded 2013 Bonds shall have an express lien on, and are hereby granted a security interest in, all moneys and Federal Securities, including the interest earned thereon of the Refunding Escrow until paid, used and applied in accordance with this Escrow Agreement.

Section 6. The Escrow Agent shall hold any uninvested moneys in the Refunding Escrow in cash, except as otherwise permitted by Section 17(c) hereof.

Section 7. The Escrow Agent shall not be liable or responsible for any loss resulting from any investment made pursuant to this Escrow Agreement and made in compliance with the provisions hereof. The Escrow Agent has received all compensation to which it is entitled by virtue of this Escrow Agreement.

Section 8. If the Escrow Agent fails to account for any of the moneys and the Federal Securities received by it, such moneys and the Federal Securities shall be and remain the property of the County in trust for the holders of the Refunded 2013 Bonds, and if for any reason such moneys and the Federal Securities cannot be identified, the holders of the Refunded 2013
Bonds shall have and retain a preferred claim and first lien thereon and the proceeds thereof wherever located.

Section 9. The Escrow Agent shall immediately notify the County Manager of the County by telephone and by registered, first-class mail, postage prepaid, whenever for any reason the moneys and Federal Securities on hand in the Refunding Escrow will be insufficient to pay the principal of and interest on the Refunded 2013 Bonds to be paid from the Refunding Escrow as the same become due and payable, and the County Manager of the County shall forthwith cause to be deposited into the Refunding Escrow such additional funds as may be required to pay in full the amount of principal and interest prior to the date on which it becomes due and payable.

Section 10. The Escrow Agent, within fifteen (15) days after July 1, 2022, shall forward by first-class mail to the Finance Director of the County, a statement with respect to the Refunded 2013 Bonds stating in detail the income, investments, if any, and withdrawals of moneys from the Refunding Escrow in connection with the Refunded 2013 Bonds.

Section 11. The County covenants and agrees that it will restrict the use of the moneys at any time in the Refunding Escrow in such manner and to such extent, if any, as may be necessary so that the Refunding Bonds and the Refunded 2013 Bonds will not constitute arbitrage bonds under Section 148 of the Internal Revenue Code of 1986, as amended, and the rules and regulations promulgated thereunder in effect at the time of such use and applicable to the Refunding Bonds and the Refunded 2013 Bonds. In furtherance of the covenant and agreement of the County set forth in this section, the Escrow Agent covenants and agrees it will follow all instructions set forth in this Agreement and other instructions of the County necessary to prevent the Refunding Bonds and the Refunded 2013 Bonds from constituting arbitrage bonds.
Section 12.

(a) The County has irrevocably elected and does hereby declare its intent to exercise, on behalf of and in the name of the County, its option to redeem on July 1, 2022, all of the outstanding Refunded 2013 Bonds maturing on and after July 1, 2023, at a redemption price equal to the principal amount of the Refunded 2013 Bonds plus accrued interest to July 1, 2022.

(b) Notice of Redemption of the Refunded 2013 Bonds shall be posted electronically on EMMA and distributed by the Escrow Agent, for and on behalf of the County, as paying agent for the Refunded 2013 Bonds, by mailing a copy of the Notice of Redemption by first class mail, postage pre-paid, to the registered owners of the Refunded 2013 Bonds and by posting the notice on EMMA no later than June 1, 2022. The form of such notice of redemption is attached hereto as Exhibit III. Notice of Defeasance and Redemption of the Refunded 2013 Bonds shall be posted on EMMA and mailed by first-class, postage prepaid mail to each registered owner of the Refunded 2013 Bonds as soon as possible after issuance of the Refunding Bonds. The form of such notice of defeasance and redemption is attached hereto as Exhibit IV.

Section 13. Time shall be of the essence in the performance of the obligations from time to time imposed upon the Escrow Agent and the County by this Agreement.

Section 14. The duties and responsibilities of the Escrow Agent are limited to those expressly and specifically stated in this Agreement. The Escrow Agent shall not be personally liable for any act which it may do or omit to do hereunder, while acting with reasonable care, except for duties expressly imposed upon the Escrow Agent hereunder or as otherwise expressly provided herein. The Escrow Agent shall be under no obligation to inquire into or be in any way responsible for the performance or non-performance by the County of any of its obligations, nor
shall it be responsible in any manner for the recitals or statements contained herein, in the Bond Legislation, in the Refunding Bonds, in the Refunded 2013 Bonds or in any proceedings taken in connection therewith, such recitals and statements being made solely by the County. Nothing in this instrument creates any obligation or liabilities on the part of the Escrow Agent to anyone other than the County and the holders of the Refunded 2013 Bonds.

Section 15. The Escrow Agent may not resign from the trust hereby created except with the prior written consent of the County, which consent shall not be unreasonably withheld.

Section 16. If any section, paragraph, subdivision, sentence, clause or phrase hereof shall for any reason be held illegal or unenforceable, such decision shall not affect the validity of the remaining portions hereof. The parties hereby declare that they would have executed this Agreement and each and every other section, paragraph, subdivisions, sentence, clause or phrase hereof, irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases hereof may be held to be illegal, invalid or unenforceable. If any provision hereof contains any ambiguity which may be construed as either valid or invalid, the valid constructions shall be adopted.

Section 17.

(a) The Federal Securities initially deposited in the Escrow Funds pursuant to this Agreement may be exchanged for or substituted by direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America and which are not callable prior to maturity by the issuer of such obligations ("Substitute Securities") upon delivery to the Escrow Agent of (i) a new verification report (calculated upon the assumption that such substitution will be made) from a nationally recognized firm of certified public accountants verifying the sufficiency of the Substitute
Securities to provide for the payments required by Section 4 of this Agreement, (ii) an opinion of bond counsel to the effect that such substitution will not affect the tax-exempt status of interest on the Refunding Bonds or the Refunded 2013 Bonds, and (iii) written instructions to proceed with such substitution from the Finance Director of the County.

(b) Upon written direction from the Finance Director of the County, the Escrow Agent shall reinvest, to the extent possible, moneys not required to pay the Refunded 2013 Bonds in Substitute Securities purchased by the Escrow Agent for the account of the County which mature on or prior to the next required payment of the Refunded 2013 Bonds, for which they are required, do not cause the Refunded 2013 Bonds to be diminished in rating from a rating previously accorded by each rating agency then rating the Refunded 2013 Bonds, and have a yield lower than ____ %, the federal arbitrage yield of the Refunding Bonds. In the event that such Substitute Securities are state and local government series securities ("slgs") purchased by the Escrow Agent for the account of the County directly from the United States Government, the Escrow Agent agrees to comply with Part 344 of Title 31, Code of Federal Regulations and with such other regulations of the United States Treasury, Bureau of Public Debt, as are from time to time in effect in subscribing for and purchasing such slgs, including without limitation requirements with respect to submitting subscriptions to a Federal Reserve Bank or Branch in advance of the date of purchase of the slgs.

(c) Except as set forth in the preceding paragraphs, the Escrow Agent shall not otherwise invest surplus cash which it holds from time to time in the Refunding Escrow unless it receives an opinion of bond counsel as to the legality of any such investment and its effect, if any, on the tax exemption of the interest on the Refunding Bonds and the Refunded 2013 Bonds and it makes such investment in accordance with the provisions of this Section.
(d) Except as provided in this Section 17, and except for the purpose of curing any ambiguity herein, or to make minor corrections not inconsistent with the terms of the Bond Legislation, or for further assuring the security and rights hereunder of the owners of the Refunded 2013 Bonds, this Agreement shall not be modified, altered or amended by the parties hereto without the prior written consent of the owners of all of the outstanding Refunded 2013 Bonds. The County shall send a copy of any such modification, alteration or amendment to each rating agency then rating the Refunded 2013 Bonds.

Section 18. The Escrow Agent shall establish a subaccount of the Refunded 2013 Bonds Account of the Escrow Fund for deposit of proceeds of the Bonds allocated for payment of costs of issuance of the Bonds (the “Costs of Issuance Subaccount”). Moneys in the Costs of Issuance Subaccount shall remain uninvested and shall be disbursed by the Escrow Agent at the written direction of the County’s Finance Division Director within 30 days of the date of this Agreement.

Section 19. This Agreement shall be governed exclusively by the provisions hereof and by the applicable laws of the State of New Mexico. This Agreement expresses the entire understanding and all agreements of the parties hereto with each other with respect to the subject matter hereof and no party hereto has made or shall be bound by any agreement or any representation to any other party which is not expressly set forth in this Agreement.

Section 20.

(a) Whenever in this Agreement the County or the Escrow Agent is named or is referred to, such provision is deemed to include any successor of the County or the Escrow Agent, respectively, immediate or intermediate, whether so expressed or not.
(b) All of the stipulations, obligations and agreements by or on behalf of, and other provisions for the benefit of, the County or the Escrow Agent contained in this Agreement:

(1) shall bind and inure to the benefit of any such successor; and

(2) shall bind and inure to the benefit of any officer, board, agent or instrumentality to whom or to which there shall be transferred by or in accordance with law any relevant right, power or duty of the County or the Escrow Agent, respectively, or of its successor.
