This project is referred to throughout the remainder of this Agreement as the "Project"; the information contained in Article I(A) is referred to collectively throughout the remainder of this Agreement as the "Project Description." Optional Attachment A sets forth additional or more stringent requirements and conditions, which are incorporated by this reference as if set forth fully herein. If Optional Attachment A imposes more stringent requirements than any requirement set forth in this Agreement, the more stringent requirements of Attachment A shall prevail, in the event of irreconcilable conflict. The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

(i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and

(ii) The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third-Party Obligation(s), as defined in subparagraph iii of this Article II(A); and

(iii) The Grantee's expenditures were made pursuant to the State Procurement Code and execution of binding written obligations or purchase orders with Third-Party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third-Party Obligations"; and

   b. if no oversight entity is required to approve the transaction, the Department must approve the transaction as complying with law.

Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(v)(a) and II(A)(v)(b) herein, the Department may, in its sole and absolute discretion and unless inconsistent with State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures

incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

(vi) The Grantee's submission of documentation of all Third-Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:

a. The Grantee shall submit to the Department one copy of all Third-Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third-Party **but prior to execution by the Grantee.**

b. Grantee acknowledges and agrees that if it chooses to enter into a Third-Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such obligations.

c. The Department may, in its sole and absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third-Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 2.

d. The date the Department signs the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third-Party Obligation and request the Third-Party to begin work. Payment for any work performed or goods received prior to the effective date of the Notice of Obligation is wholly and solely the obligation of the Grantee.

B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

(iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, and conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. Early Termination Before Reversion Date Due to Non-appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to in Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, and such termination shall be effective as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

SFC CLERK RECORDED 04/27/2022

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its sole and absolute discretion, to provide written notice to the Grantee to suspend entering into new and further obligations. Upon the receipt of such written notice by the Grantee:

(i) The Grantee shall immediately suspend entering into new or further written obligations with third parties; and

(ii) The Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and

(iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its sole and absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

A. Database Reporting

The Grantee shall report monthly Project activity by entering such Project information as the Department and the Department of Finance and Administration may require, such information entered directly into a database maintained by the Department of Finance and Administration (http://cpms.dfa.state.nm.us). Additionally, the Grantee shall certify on the Request for Payment form (Exhibit 1) that updates have been maintained and are current in the database. The Grantee hereby acknowledges that failure to perform and/or certify updates into the database will delay or potentially jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report.

Monthly reports shall be due on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of the final request for reimbursement for the Project.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

(i) request such additional information regarding the Project as it deems necessary; and

(ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 1. Payment requests are subject to the following procedures:

(i) The Grantee must submit a Request for Payment; and

(ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee showing that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee for services rendered by a Third-Party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.

(iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a Third-Party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing. The Grantee is required to certify to the Department proof of payment to the Third-Party contractor or vendor within ten (10) business days from the date of receiving reimbursement from the Department.

B. The Grantee must obligate 5% of the Adjusted Appropriation Amount within six months of acceptance of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation Amount six months prior to the reversion date.

C. **Deadlines**

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

(i) Immediately as they are received by the Grantee but at a minimum thirty (30) days from when the expenditure was incurred or liability of the Grantee was approved as evidenced by an unpaid invoice received by the Grantee from a Third-Party contractor or vendor; or

(ii) July 15 of each year for all unreimbursed expenditures incurred during the previous fiscal year; or

(iii) Twenty (20) days from date of Early Termination; or

(iv) Twenty (20) days from the Reversion Date.

SFC CLERK RECORDED 04/27/2022

D. The Grantee's failure to abide by the requirements set forth in Article II and Article IX herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third-Party Obligations and the Deadlines set forth in Article IX herein. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

A. The following general conditions and restrictions are applicable to the Project:

(i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code (or local procurement ordinance, where applicable).

If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. B. The Grantee hereby represents and warrants the following:

(i) The Grantee has the legal authority to receive and expend the Project's funds.

(ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.

(iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which the Grantee is subject.

(iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.

(v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.

(vi) The Grantee shall abide by New Mexico laws regarding conflicts of interest, governmental conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during their tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed or goods to be received, pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

(vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third-Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all sub awards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
3. timely submit all required financial reports to its budgetary oversight agency (if any); and
4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

ARTICLE XVIII. SEVERANCE TAX BOND AND GENERAL OBLIGATION BOND PROJECT CLAUSES (Applicable only if the appropriation is funded by Severance Tax Bonds or General Obligations Bonds).

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, and that the associated bond proceeds are administered by the New Mexico State Board of Finance (SBOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole and absolute responsibility to determine through SBOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform

SFC CLERK RECORDED 04/27/2022

Grantee of a SBOF imposed condition does not affect the validity or enforceability of the condition; (iii) the SBOF may in the future impose further or different conditions upon the Project; (iv) all SBOF conditions are effective without amendment of this Agreement; (v) all applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current SBOF conditions being satisfied.

B. Grantee acknowledges and agrees that the SBOF may in its sole and absolute discretion remove a project's assigned bond proceeds if the project doesn't proceed sufficiently. Entities must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by the grantee in the Bond Questionnaire and Certification documents submitted to the SBOF. Failure to comply may result in the bond proceeds reassignment to a new ready project. If this should occur this grant agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, NMAC 2.61.6, as may be amended or re-codified. The rule provides definitions and interpretations of grant language for the purpose of determining whether a particular activity is allowable under the authorizing language of the agreement.

NMED ATTACHMENT B – NMENV TECHNICAL REQUIREMENTS
TO
STATE OF NEW MEXICO
CAPITAL APPROPRIATION FUND AGREEMENT

ARTICLE 1 REVIEW

Upon execution of the agreement, the Grantee will follow the procedures listed below unless waived in writing by the New Mexico Environment Department (NMED) (payment may be withheld if any of these procedures are not followed by the Grantee).

A. The Grantee must submit a detailed project description to NMED Construction Programs Bureau prior to committing to expenditures from these funds. The detailed description will be provided on the Attachment A form. The Grantee must submit copies to NMED of all executed contracts entered into by the Grantee prior to this agreement, that are related to the project, for review and, if appropriate, approval.

B. If these grant funds are to be used for engineering and/or other professional services, the hiring process for engineering services and/or other professional services must be performed in compliance with the New Mexico Procurement Code [Sections 13-1-21 et seq. NMSA 1978]. If, for any one circumstance, engineering fees will exceed $60,000, excluding gross receipt taxes, the Grantee is also required to contact the Professional Technical Advisory Board (PTAB) for assistance in the preparation of the RFP package. (PTAB: phone (505) 888-6161 and e-mail ptab@acecnm.org.)

C. If these grant funds are to be used for engineering and/or other professional services, the Grantee must submit a copy of any engineering agreement and/or other professional services contract, or a letter certifying that the Grantee's staff will be used for design, to NMED for review **prior to** executing the agreement/contract or using Grantee's staff. The required engineering agreement format is the "Publicly Funded Project" form prepared by NMED and posted on the website at www.nmenv.state.nm.us/cpb/cpbtop.html.

D. A preliminary engineering report (PER) or study by a registered New Mexico Professional Engineer may be required. The Grantee must submit the final PER and/or study to NMED for review and approval before preparation of plans and specifications. The purpose of the PER and/or study is to analyze and choose the most technically feasible and cost effective solution for the project. The PER must follow USDA RUS Bulletin 1780-2.

E. Grantee agrees not to start the preparation of plans and specifications until NMED approval of the PER, study, or waiver of the report requirement has been received.

F. If the grant funds are to be used for engineering design or for construction, the Grantee must submit all plans, specifications, and any addenda for this project (prepared by a registered New Mexico Professional Engineer) to NMED for review and approval **before** the project is advertised for construction bids.

G. The Grantee must submit all work related to easements, rights-of-ways, other property rights, and financing provisions associated with the project to NMED for review **prior to** advertising for construction. A site certificate certifying that all necessary easements and/or property upon or through which the project is being constructed have been obtained must be submitted prior to the advertisement

SFC CLERK RECORDED 04/27/2022

for bid of the project. The Site Certificate must be signed by an attorney, engineer, surveyor, or title abstractor.

H. The Grantee must submit the recommendation of award, certified bid tabulation, a copy of bid bond for the selected contractor and evidence of full project financing to NMED for review and approval **prior to** awarding the contract. Grantee shall not award the contract until NMED has concurred in writing with the award. Competitive bidding, in accordance with applicable state laws (including local wage determinations as provided for in Section 13-4-11 NMSA 1978), will be used for awarding construction contracts. Contracts will be awarded to the responsive, responsible bidder who submits the lowest acceptable bid, or as provided for by State Law.

I. Following NMED approval of the proposed award, the Grantee will submit the notice of the award and the minutes of the meeting in which the award was made, the notice of a pre-construction conference, a copy of the executed construction contract documents (including payment and performance bonds), and the notice to contractor to proceed to NMED for review. The selected contractor will be required to post a performance and payment bond in accordance with requirements of Section 13-4-18 NMSA 1978.

J. The selected contractor will submit a construction schedule to the Grantee and NMED if requested at the pre-construction conference with a copy to NMED. The Grantee will submit all modifications to plans and contract by change orders to the NMED project manager promptly for review and approval **prior to** implementation of such modification or change. The decision by NMED will be rendered promptly in writing to the Grantee. In cases necessitating immediate action, a verbal decision will be rendered by NMED and followed by a written confirmation to the Grantee.

K. The Grantee will provide a full-time construction inspector during construction of the project unless NMED determines that part time inspection is adequate for the project. This must be requested and approved by NMED prior to the start of construction. The Grantee will be required to submit the inspector's résumé to NMED for review and approval. All daily inspection reports shall be made available to the NMED Project Manager upon request.

L. All daily inspection reports shall be made available to the NMED Project Manager upon request.

M. Notwithstanding the inspections performed by the Grantee and its engineer, NMED will have the right to examine all installations comprising the project, including materials delivered and stored on-site for use on the project. Such examinations will not be considered an inspection for compliance with contract plans, but will be a general NMED review as described in Article 2 below.

N. If applicable, the Grantee (or the system owner) will employ qualified utility operators and will comply with all provisions of the New Mexico Utility Operators Certification Act, Section 61-33-1 et seq. NMSA 1978.

O. NMED will reimburse the grantee its actual costs when NMED determines, in its sole discretion, that expenditures were appropriate under the terms of the Agreement and that the expenditures were properly documented.

ARTICLE 2 NMED OVERSIGHT

NMED inspection, review and approval are only for purposes of compliance with applicable state grant requirements, procedures, statutes and regulations. NMED approval will not be interpreted as any warranty or

guarantee of any kind. Approval of plans and design of the project means only that plans are in compliance with applicable state grant requirements, procedures and regulations. NMED will bring to the Grantee's attention, any obvious defects in the project's design, materials or workmanship, but all such defects and their correction will be the responsibility of the Grantee and its contractors and consultants. Any questions raised by NMED during its inspections and reviews shall be resolved exclusively by the Grantee. The Grantee and its contractors and consultants will remain responsible for the completion and success of the project. Approval does not relieve the owner or engineer of legal responsibilities for the overall integrity of the project, adequacy of the design, safety, or compliance with all applicable regulations.

ARTICLE 3 CLOSEOUT

A. The project will not be considered complete until the work as defined in this agreement has been fully performed, and finally and unconditionally accepted by the Grantee and NMED.

B. If the grant funds are to be used for preparation of a PER, a study, or plans and specifications, final payment will be made after approval by NMED of the PER, study, or plans and specifications. Payments do not constitute approval of any of these documents.

C. If the grant funds are to be used for purchase of equipment, final payment will be made after approval by NMED of receipt of equipment title and appraisal reports for used equipment.

D. If the grant funds are to be used for construction, final payment will be made after the final inspection has been conducted by NMED and the following items, unless waived by NMED, have been provided to NMED, and have been reviewed and approved by NMED:

i. Operation and maintenance manuals or a letter from the owner certifying receipt and acceptance of the operation and maintenance manuals;

ii. A final reimbursement request including the final certified construction pay request prepared by the Grantee's project engineer and approved by the Grantee;

v. Certification letter by the Grantee that the Labor Standards Contract Provisions have been met;

vi. Record drawings prepared by the Grantee's project engineer or a letter from the owner certifying receipt and acceptance of the record drawings;

In lieu thereof and as approved by the Grantee, contractor(s) may furnish receipts or releases in full; an affidavit of contractor that the releases and receipts include labor, services, materials, and equipment for which a lien could be filed and that all payrolls, material and

SFC CLERK RECORDED 04/27/2022

equipment bills, and other indebtedness connected with the work for which the Grantee or its property might in any way be responsible, have been paid or otherwise satisfied;

viii. A written consent of the surety, if any, to final payment; and

ix. Grantee's ledger sheets including all payments made by the Grantee may be requested with the final reimbursement request and before the final reimbursement request can be processed by NMED.

With the exception of easements (See Article 1.G above), when real property is acquired by the Grantee, either through purchase or donation as a part of this project and within the project period, the Grantee will submit documentation of the acquisition to NMED, including a legal description of the property, the date the property will be acquired, evidence of clear title, and an appraisal report prepared by a qualified appraiser who was selected through applicable procurement procedures. These documents must be reviewed and approved by NMED **prior to** the acquisition of any real property.
