Re: Ambulance Donation

The EMS program at Santa Fe Community College would be grateful to receive a donation of a functional ambulance for use in the education of our students. The donation will allow us to enhance the realism of the training we offer to students and better prepare them for their eventual work in EMS.

If you have an ambulance to donate, we will put it to good use.

If you have questions, please let me know.

Thank you for your consideration.

Re: Vehicle Donation

Dear Sir:

It was a pleasure speaking with you today with regards to the vehicle that the Santa Fe County Fire Department is donating to the automotive program at Santa Fe Community College. Donations, such as this, gives our students the opportunity to increase/improve their technical skills.

As Director for the Automotive Program - we will accept this donation. I have also attached documents that the county will need to fill out and bring to the college when the vehicle is delivered. The Foundation will send you a formal letter acknowledging the receipt of your gift.

If you have any questions, please feel free to contact me at any time. Thank you for your donation.
