SFC CLERK RECORDED 06/06/2023

March 21, 2023,

Dear Matthew Harding,

I received word from State Fire Marshall staff, about your Department having a fire truck that you would like to pass on to another Department. I contacted you and you give me information on it.

Rosebud is a very small department in rural Northeast NM. We cover a large area. About 1500 square miles. We are classified as a ISO 9. With our ISO 9 departments don't receive a big fire fund. So we relay on used trucks to keep our department running.

I appreciate your Department for offering this truck for donation to help other who are in need.

Robert L. Casados

Rosebud Fire Chief.
