B. Bonds which are reissued upon transfer, exchange, or other replacement shall bear interest from the most recent interest payment date to which interest has been fully paid or provided for in full or, if no interest has been paid, from the Series Date.

C. The principal of and interest on the Bonds due at maturity shall be payable to the registered owner thereof, as shown on the registration books kept by BOKF, NA as the registrar/paying agent (the "Registrar/Paying Agent") for the Bonds, upon maturity and upon presentation and surrender thereof at the principal office of the Registrar/Paying Agent. If any Bond shall not be paid upon such presentation and surrender at or after maturity, it shall continue to draw interest at the rate borne by the Bond until the principal thereof is paid in full. Payment of interest on the Bonds (other than at maturity) shall be made by check or draft mailed by the Registrar/Paying Agent (or by such other arrangement as may be mutually agreed to by the Registrar/Paying Agent and such registered owner), on or before each interest payment date (or, if such interest payment date is not a business day, on or before the next succeeding business day), to the registered owner thereof as of the close of business on the Record Date (defined below) at the address as it appears on the registration books kept by the Registrar/Paying Agent. All such payments shall be made in lawful money of the United States of America. The term "Record Date" as used herein with respect to any interest payment date shall mean the 15th day of the month preceding the interest payment date. The person in whose name any Bond is registered at the close of business on any Record Date with respect to any interest payment date shall be entitled to receive the interest payable thereon on such interest payment date notwithstanding any transfer or exchange thereof subsequent to such Record Date and prior to such interest payment date; but interest on any Bond which is not timely paid or duly provided for shall cease to be payable as provided above and shall be payable to the person in whose name such Bond is registered at the close of business on a special record date (the "Special Record Date") fixed by the

Registrar/Paying Agent for the payment of any such overdue interest. The Special Record Date shall be fixed by the Registrar/Paying Agent whenever moneys become available for payment of overdue interest, and notice of any such Special Record Date shall be given not less than ten days prior thereto, by first-class mail, to the registered owners of the Bonds as of the fifth day preceding the mailing of such notice by the Registrar/Paying Agent, stating the Special Record Date and the date fixed for the payment of overdue interest.

D. Except as may otherwise be provided in the Pricing Certificate, the Bonds maturing on and after July 1, 2032 shall be subject to prior redemption at the option of the County, in one or more units of principal of \$5,000 on and after July 1, 2031, in whole or in part at any time, in such order of maturities as the County may determine, for the principal amount of each \$5,000 unit of principal so redeemed plus accrued interest to the redemption date ("Optional Redemption"). Optional Redemption shall be made upon prior notice mailed to each registered owner of each bond selected for redemption as shown on the registration books kept by the Registrar/Paying Agent.

E. Notice of Optional Redemption and, if applicable, mandatory sinking fund redemption of the Bonds will be given by the Registrar/Paying Agent by sending a copy of such notice by first-class, postage prepaid mail not less than 30 days prior to the redemption date to the address shown as of the fifth day prior to the mailing of notice on the registration books by the Registrar/Paying Agent. The County shall give the Registrar/Paying Agent notice of the Bonds to be called for redemption at least 15 days prior to the date that the Registrar/Paying Agent is required to give owners notice of redemption, which notice shall specify the Bonds and the principal amount to be called for redemption and the applicable redemption dates. The Registrar/Paying Agent's failure to give such notice to the registered owner of any Bond, or any defect therein, shall not affect the validity of the proceedings for the redemption of any Bonds for which proper notice was given. The notice will specify the number or numbers and maturity date or dates of the Bonds to be redeemed (if less than all are to be redeemed) the principal amount of any Bond to be redeemed in part, the date fixed for redemption, and that on such redemption date there will become due and payable upon each Bond or part thereof to be redeemed, at the office of the Registrar/Paying Agent, the principal amount thereof to be redeemed plus accrued interest, if any, to the redemption date; and that from and after such date interest will cease to accrue on the principal amount redeemed. Such notice may be a conditional notice of redemption and the amount of money required to redeem the Bonds called for redemption need not be on deposit with the Registrar/Paying Agent at the time notice of redemption is given. If notice is given in the manner provided above, the Bond or Bonds or part thereof called for redemption will become due and payable on the redemption date designated and, if an amount of money sufficient to redeem all Bonds called for redemption is on deposit with the Registrar/Paying Agent on the redemption date, the Bonds or part thereof to be redeemed shall be deemed to be not outstanding and will cease to bear or accrue interest from and after such redemption date. Upon presentation of a Bond to be redeemed at the office of the Registrar/Paying Agent on or after the redemption date, the Registrar/Paying Agent will pay such Bond, or portion thereof called for redemption.

Section 5. The Bonds shall constitute the general obligation bonds of the County, payable from general *ad valorem* property taxes in amounts sufficient to meet the semi-annual payments of interest and annual payments of principal on the Bonds maturing in each year. The

full faith and credit of the County shall be, and hereby is, irrevocably pledged to the payment of the principal of and interest on the Bonds.

Section 6. The Bonds shall bear the manual or facsimile signature of the Chairperson of the Board and shall be attested by the manual or facsimile signature of the County Clerk. The Bonds shall be authenticated by the manual signature of an authorized officer of the Registrar/Paying Agent. The Bonds bearing the signatures or facsimile signatures of the officers in office at the time of the signing thereof shall be the valid and binding obligations of the County, notwithstanding that, before the delivery of the Bonds and payment therefor, or before the issuance thereof upon transfer or exchange, any or all of the persons whose signatures appear on the Bonds shall have ceased to fill their respective offices. The Chairperson of the Board and the County Clerk shall, by the execution of a signature certificate pertaining to the Bonds, adopt as and for their respective signatures the facsimiles thereof appearing on the Bonds; and, at the time of the execution of the signature certificate, the Chairperson of the Board and County Clerk may each adopt as and for his or her facsimile signature the facsimile signature of his or her predecessor in office in the event that such facsimile signature appears upon any of the Bonds. If required for execution of the Bonds, the Chairperson of the Board and the County Clerk, pursuant to Sections 6-9-1 through 6-9-6 NMSA 1978, shall each forthwith file his or her manual signature, certified by him or her under oath, with the Secretary of State of New Mexico, provided that such filing shall not be necessary for any officer where any previous filing shall have application to the Bonds.

No Bond shall be valid or obligatory for any purpose unless the certificate of authentication, substantially in the form hereinafter provided, has been duly executed by the Registrar/Paying Agent. The Registrar/Paying Agent's certificate of authentication shall be deemed to have been duly executed by it if signed by an authorized officer of the Registrar/Paying Agent, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 7.

A. Books for the registration and transfer of the Bonds shall be kept by the Registrar/Paying Agent, which is hereby appointed by the County as registrar and as paying agent for the Bonds, pursuant to the terms of the Registrar/Paying Agent Agreement, the form of which was presented to Board in connection with this Resolution, which is hereby approved. Upon the surrender for transfer of any Bond at the principal office of the Registrar/Paying Agent, duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing, the Registrar/Paying Agent shall authenticate and deliver, not more than three business days after receipt of the Bond to be transferred, in the name of the transferee or transferees, a new Bond or Bonds in fully registered form of the same aggregate principal amount of authorized denominations, and of the same maturity, interest rate and series, bearing a number or numbers not contemporaneously outstanding. Bonds may be exchanged at the principal office of the Registrar/Paying Agent for an equal aggregate principal amount of Bonds of other authorized denominations, and of the same maturity, series and interest rate. The Registrar/Paying Agent shall authenticate and deliver, not more than three business days after receipt of the Bond to be exchanged, a Bond or Bonds which the registered owner making the exchange is entitled to receive, bearing a number or numbers not contemporaneously outstanding. Exchanges and transfers of Bonds as herein provided shall be without charge to the owner or any transferee, but the Registrar/Paying Agent may require the payment by the owner of any Bond requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer.

B. The person in whose name any Bond shall be registered on the registration books kept by the Registrar/Paying Agent shall be deemed and regarded as the absolute owner thereof for the purpose of making payment thereof and for all other purposes, except as may otherwise be provided with respect to payment of overdue interest as is provided in Section 5(C) hereof; and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the registered owner thereof or his legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitations provided herein. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

C. If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar/Paying Agent shall, upon receipt of the mutilated Bond and such evidence, information or indemnity relating thereto as it may reasonably require and as may be required by law, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount of authorized denominations, and of the same maturity, interest rate and series, bearing a number or numbers not contemporaneously outstanding. If such lost, stolen, destroyed or mutilated Bond shall have matured, the Registrar/Paying Agent may pay such Bond in lieu of replacement.

D. The officers of the County are authorized to deliver to the Registrar/Paying Agent fully executed but unauthenticated Bonds in such quantities as may be convenient to be held in custody by the Registrar/Paying Agent pending use as herein provided.

E. Whenever any Bond shall be surrendered to the Registrar/Paying Agent upon payment thereof, or to the Registrar/Paying Agent for transfer, exchange or replacement as

provided herein, such Bond shall be promptly cancelled by the Registrar/Paying Agent, and counterparts of a certificate of such cancellation shall be furnished by the Registrar/Paying Agent to the County.

F. Notwithstanding the above provisions of this Section, the Bonds may be issued or registered, in whole or in part, in book-entry form from time to time with no physical distribution of bond certificates made to the public, with the Depository Trust Company of New York, New York (the "Depository"), acting as securities depository for the Bonds. A single certificate for each maturity date of the Bonds issued in book-entry form will be delivered to the Depository and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in authorized denominations, with transfer of ownership effected on the books of the Depository and its participants (the "Participants"). As a condition to delivery of the Bonds in book-entry form, the Purchaser will, immediately after acceptance of delivery thereof, deposit, or cause to be deposited, the Bond certificates with the Depository, registered in the name of the Depository or its nominee. Principal, premium, if any, and interest will be paid to the Depository or its nominee as the registered owner of the Bonds. The transfer of principal, premium, if any, and interest payments to Participants will be the responsibility of the Depository; the transfer of principal, premium, if any, and interest payments to the beneficial owners of the Bonds (the "Beneficial Owners") will be the responsibility of Participants and other nominees of Beneficial Owners maintaining a relationship with Participants (the "Indirect Participants"). The County will not be responsible or liable for maintaining, supervising or reviewing the records maintained by the Depository, Participants, or Indirect Participants.

If (i) the Bonds are not eligible for the services of the Depository, (ii) the Depository determines to discontinue providing its services with respect to the Bonds, or (iii) the County determines that a continuation of the system of book-entry transfers through the Depository ceases to be beneficial to the County or the Beneficial Owners, the County will either identify another similar depository to perform such functions or certificates for the Bonds will be delivered to the Beneficial Owners or their nominees, and the Beneficial Owners or their nominees, upon authentication of Bonds and registration of those Bonds in the Beneficial Owners' or nominees' names, will become the owners of the Bonds for all purposes. In that event, the County shall mail an appropriate notice to the Depository for notification to Participants, Indirect Participants, and Beneficial Owners of the substitute Depository or the issuance of bond certificates to Beneficial Owners or their nominees, as applicable.

Officers of the County, including the County Manager and Finance Division Director, are authorized to sign agreements with the Depository relating to the matters set forth in this Section; provided, however, that any such agreements must be approved as to form by the County Attorney or the County Attorney's designee.

Notwithstanding any other provision of this Resolution, so long as all of the Bonds are registered in the name of the Depository or its nominee, all payments of principal, premium, if any, and interest on the Bonds, and all notices with respect to the Bonds, shall be made and given by the Registrar/Paying Agent to the Depository as provided in this Resolution and by the Depository to its Participants or Indirect Participants in the manner provided in an agreement or letter of the County to the Depository.

Section 8. If the Registrar/Paying Agent initially appointed hereunder shall resign, or if the County shall reasonably determine that the Registrar/Paying Agent has become incapable of fulfilling its duties hereunder, the County may, upon notice mailed to each registered owner of the Bonds at the address last shown on the registration books, appoint a successor Registrar/Paying Agent. Every such successor Registrar/Paying Agent shall be a bank or trust company located in and in good standing in the United States and having a shareholder equity (e.g., capital stock, surplus and undivided profits), however denominated, of not less than \$10,000,000.

Section 9. Subject to the registration provisions hereof, the Bonds hereby authorized shall be fully negotiable and shall have all the qualities of negotiable paper, and the registered owner or owners thereof shall possess all rights enjoyed by the holders of negotiable instruments under the provisions of the Uniform Commercial Code.

Section 10. The Bonds shall be in substantially the following form:

This Resolution is hereby declared to be the certificate of the Board, as to the amount of taxes necessary to be levied for the purposes herein stated and said taxes shall be certified, levied, and extended upon the tax rolls and collected in the same manner, at the same time, and subject to the same penalties and interest as general state and county taxes are certified, levied, and collected. The taxes, when collected, shall be kept by the County in the County's interest and sinking fund for the County's general obligation bonds to be used solely for the purpose of paying the principal of and interest on the County's general obligation bonds as the same become due or mature; provided that nothing herein contained shall be so construed as to prevent the application of any other funds belonging to the County and available for that purpose, to the payment of the Bonds or the interest thereon, as the same become due and upon such payment the levy or levies of tax provided for in this Section may thereupon to that extent be diminished. If the taxes herein provided for shall not be levied or collected in time to pay the interest on or principal of the Bonds as the same become due or mature, then such interest or principal shall be paid from any other funds belonging to the County, which funds may be reimbursed from the taxes herein provided for when the same are collected.

**Section 13.** The Chairperson of the Board, County Clerk, County Treasurer, County Manager and other officers and employees of the County are hereby authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Resolution, including without limiting the generality of the foregoing, the preparation, posting and distribution of the Official Notice of Bond Sale and Official Bid Form, in substantially the forms set forth in Exhibit A-2 attached hereto, and a Preliminary Official Statement to such potential bidders on the Bonds as they may determine and to take all action necessary or appropriate to give effect to the provisions of this Resolution, including the printing of the Bonds, the execution of letters and agreements with the Depository, the execution of the Registrar/Paying Agent Agreement with BOKF, NA in substantially the form submitted to the Board in connection with this Resolution, the printing and execution of the Official Statement relating to the Bonds, the payment of the costs of issuance of the Bonds, and such certificates as may be required by the Purchaser or bond counsel relating to, among other things, the signing of the Bonds, the tenure and identity of County officials, the receipt of the purchase price of the Bonds from the Purchaser, the absence of litigation, pending or threatened, if in accordance with the facts, affecting the validity thereof, and the absence and existence of factors affecting the exclusion of interest on the Bonds from gross income for federal income tax purposes.

In order to assist the Purchaser in complying with Securities and Exchange Commission Rule 15c2-12(b)(5), at the time of delivery of the Bonds, the County will undertake, pursuant to a written continuing disclosure agreement, to provide annual financial information and notices of certain events as specified in that continuing disclosure agreement.

The Board hereby approves the Continuing Disclosure Responsibilities Procedures attached to this Resolution as Exhibit "B".

**Section 14.** The County covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary so that the Bonds will not constitute arbitrage bonds under Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"). The Chairperson of the Board, the County Treasurer and any other officer of the

County having responsibility for the issuance of the Bonds shall give an appropriate certificate of the County, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the County regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of interest on the Bonds.

The County covenants that it (a) will take or cause to be taken such actions which may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, and (b) will not take or permit to be taken any actions which would adversely affect that exclusion, and that it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield, as required, on investment property acquired with those proceeds, (iii) make timely rebate payments, if required, to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code. The Chairperson of the Board, Treasurer and other appropriate officers are hereby authorized and directed to take any and all actions, make calculations and rebate payments, and make or give reports and certifications, as may be appropriate to assure such exclusion of that interest.

Section 15. Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a "Defeased Bond") hereunder when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity, upon redemption, or other) either (a) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption), or (b) shall have been provided for on or before such due date by irrevocably depositing with or making available to a qualified depository for such payment (i) lawful money of the United States of America sufficient to make such payment or (ii) Government Obligations which mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment (as verified by a certified or registered public accountant), and when proper arrangements have been made by the County with a qualified depository for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of the *ad valorem* taxes herein levied and pledged as provided in this ordinance, and such principal and interest shall be payable solely from such money or Government Obligations.

Any moneys so deposited with the qualified depository may, at the written direction of the County, also be invested and re-invested in Government Obligations, maturing in the amounts and times required to make payments when due on the Defeased Bonds, and all income from such Government Obligations received by the qualified depository which is not required for the payment of the Defeased Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the County for use in accordance with law. The term "Government Obligations" means direct obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, which may be United States Treasury Obligations, such as its State and Local Government Series, and which may be in book-entry form.

Section 16. Moneys in any fund not immediately needed may be invested as provided by state law and applicable federal statutes and regulations, provided that the Board and the County hereby covenant to the purchasers and the holders of the Bonds from time to time that the County will make no use of the proceeds of the Bonds or any funds reasonably expected to be used to pay the principal of or interest on the Bonds which will cause the Bonds to be arbitrage bonds within the meaning of Section 148 of the Code, as amended, or which would adversely affect the tax status of interest on the Bonds under the Code. This covenant is for the benefit of the purchasers and the holders of the Bonds from time to time.

Section 17. After any of the Bonds have been issued, this Resolution shall constitute a contract between the County and the holder or holders of the Bonds and shall be and remain irrevocable and unalterable until the Bonds and the interest thereon shall have been fully paid, satisfied and discharged, defeased or until such payment has been duly provided for.

Section 18. All prior resolutions or other action of the Board inconsistent with the provisions of this Resolution are hereby repealed, but only to the extent of such inconsistency. If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

Section 19. The following notice shall be published one time in a newspaper having general circulation in the County as soon as is practicable following the adoption hereof:

to bid. Only NASD registered broker-dealers and dealer banks with DTC clearing arrangements will be eligible to bid. Bidders who have previously registered with Grant Street Group may call (412) 391-5555, x 370, attention John Carver, for their ID Number or password.

**Bidding Parameters.** Bidders are required to submit unconditional all-or-none bids specifying the rate of interest at which the bidder will purchase all of the 2025 Bonds. Interest shall be bid in multiples of 1/20<sup>th</sup> or 1/8<sup>th</sup> percentum and only one interest rate may be bid for each maturity of the 2025 Bonds. The maximum interest rate may not exceed 5% and the maximum interest rate specified for any maturity of the 2025 Bonds may not exceed the minimum interest rate specified for any maturity of the 2025 Bonds by more than 3 percent (3%). The maximum net effective interest rate of the 2025 Bonds shall not exceed ten percent (10%) per annum.

**The 2025 Bonds will not be sold at less than 100% of par.**

**Term Bonds.** A bidder may elect to have all or a portion of the 2025 Bonds scheduled to mature in consecutive years issued as one or more term bonds ("Term Bonds") scheduled to mature in the latest of the consecutive years and subject to mandatory redemption requirements consistent with the schedule of serial maturities set forth in the Preliminary Official Statement; however, not less than all 2025 Bonds of the same serial maturity shall be converted to Term Bonds with mandatory redemption requirements.

**Adjustment of principal amounts, modification or clarification prior to examination of bids.** The County Manager, in consultation with the County's financial and bond advisors, in the County Manager's sole discretion and prior to the examination of bids, may (i) adjust the aggregate principal amount set forth herein or may adjust the principal amount of each series without increasing the aggregate principal amount of the 2025 Bonds; (ii) adjust individual maturities, and/or (iii) modify or clarify any other term hereof, including the date on which bids for the 2025 Bonds will be received, by issuing a notification of the adjusted series, amounts, modification or clarification via Thomson Municipal News ("TM3") and/or Grant Street Group platform and/or Bloomberg Financial Services no later than 8:00 a.m., Mountain Time, on the Bid Date.

**Adjustments to principal amounts after determination of best bid.** The aggregate principal amount of the 2025 Bonds is subject to increase or reduction, and each scheduled maturity thereof is subject to increase or reduction, by the County Manager after the determination of the Best Bid (defined below). Such adjustments will be made within no more than two (2) hours after the end of the time of bid examination and will be in the sole discretion of the County. To cooperate with any adjustment in the principal amounts, the Purchaser is required to indicate by e-mail to Yvonne S. Herrera, County Finance Director, at [ysherrera@santafecountynm.gov](mailto:ysherrera@santafecountynm.gov) or such other address as may be indicated by the County Manager within one-half (1/2) hour after the end of the time of bid examination, the amount of any original issue discount or premium on any maturity of the 2025 Bonds, the initial offering price of each maturity, the cost of bond

insurance, if any, and the amount received from the sale of the 2025 Bonds to the public that will be retained by the Purchaser as its compensation.

The County Manager, in consultation with the County's financial and bond advisors, may change the dollar amount bid by the Purchaser if the aggregate principal amount of the 2025 Bonds is adjusted as described below, but the interest rates specified by the Purchaser for all maturities will not change. The County Manager, in consultation with the County's financial and bond advisors, will make every effort to ensure that the percentage net compensation to the Purchaser (i.e., the percentage resulting from dividing (i) the aggregate difference between the offering price of the 2025 Bonds to the public and the price to be paid to the County, less any bond insurance premium to be paid by the bidder, by (ii) the principal amount of the 2025 Bonds) does not increase or decrease from the amount of such compensation if no adjustment was made to principal amounts shown in the maturity schedule. The County will notify the Purchaser of the final principal amounts and the resulting adjusted prices no later than 12:00 p.m. prevailing Mountain Time on the day of the sale and award of the 2025 Bonds. THE PURCHASER MAY NOT WITHDRAW OR MODIFY ITS BID ONCE SUBMITTED TO THE COUNTY FOR ANY REASON, INCLUDING, WITHOUT LIMITATION, AS A RESULT OF ANY INCREASE OR DECREASE IN THE FINAL PRINCIPAL AMOUNTS AND THE AGGREGATE PURCHASE PRICE OF THE 2025 BONDS.

**Information Regarding Bids.** Bidders may change and submit bids as many times as they wish during the bidding; provided, however, that each bid submitted subsequent to a bidder's initial bid must result in a lower true interest cost ("TIC") with respect to a bid when compared to the immediately preceding bid of such bidder. During the bidding, no bidder will see any other bidder's bid, but each bidder will be able to see its own ranking (i.e., "Leader," "Cover," "3<sup>rd</sup>," etc.).

**Bids Constitute an Irrevocable Offer.** Each bid submitted through Grant Street Group shall be deemed an irrevocable offer to purchase the 2025 Bonds on the terms provided in this Official Notice of Bond Sale and shall be binding upon the bidder.

**Basis of Award.** The 2025 Bonds will be sold to the bidder or bidders offering to purchase the same at the lowest true interest cost. The actuarial yield on the 2025 Bonds using the true interest cost method will be computed at that yield which, if used to compute the present value of all payments of principal and interest on the 2025 Bonds as of the Bid Date (the "Sale Date"), produces an amount equal to the aggregate bid price. Such calculation will be made based upon a 360-day year and a semiannual interval for compounding.

The winning bid or bids will be indicated on Grant Street Group and the auction results, as posted on such website, will be subject to verification by the County. The County will verify the auction results immediately following the close of the bidding period and notice of confirmation by the County of the winning bidder or bidders will be made by a posting on Grant Street Group stating "Auction Results Verified and Confirmed."

An award may be made by the County to any bidder in a principal amount less than the principal amount of the 2025 Bonds for which the bid is submitted. Further, in the event of an award by the County for a principal amount less than the principal amount the bidder submitted, any premium bid shall be ratably reduced. If two or more bids have the same true interest cost,

the first bid submitted, as determined by reference to the time stamp displayed on Grant Street Group, shall be deemed to be the leading bid.

***Sale Reservations.*** The County reserves the right (a) to reject any and all bids for any 2025 Bonds, (b) to reoffer any 2025 Bonds for public sale, and (c) to waive any irregularity or informality in any bid.

***Good Faith Deposit Not Required to Bid.*** A good faith deposit will not be required in connection with the submission of any bid for the 2025 Bonds. The winning bidder will be required to submit a Bid Award Deposit (see “Bid Award Deposit” below).

***Bid Award Deposit.*** Not later than 12:00 p.m., prevailing Mountain Time on \_\_\_\_\_, 2025, the winning bidder is required to submit a Bid Award Deposit of \$420,500. All Bid Award Deposits must be made in good funds by wire transfer of the required amount to an account specified by the County Manager and provided to the winning bidder after the sale of the 2025 Bonds.

No interest will be paid by the County on the amount of the Bid Award Deposit. The proceeds of the Bid Award Deposit of the winning bidder will be applied to the purchase price of the 2025 Bonds, or in the event of the failure of a winning bidder to take up and pay for the 2025 Bonds in compliance with the terms of the bid, at the option of the County, its Bid Award Deposit may be retained as liquidated damages, as partial payment of actual damages or as security for any other remedy available to the County.

***Manner and Time of Delivery.*** The 2025 Bonds will be delivered to DTC for the account of the winning bidder or bidders at the expense of the County on \_\_\_\_\_, 2025, or such later date as the County and the winning bidder may agree. Payment of the purchase price due at delivery must be made in Federal Reserve funds for immediate and unconditional credit to the County.

***Continuing Disclosure Undertaking.*** The County has covenanted to provide, in a timely manner, on the Electronic Municipal Market Access (EMMA) Website maintained by the Municipal Securities Rulemaking Board notice of the occurrence of specified, material events. The County has not failed to comply with any of its previous undertakings under Rule 15c2-12, except as disclosed in the Preliminary Official Statement.

***State Securities Laws.*** The County has taken no action to qualify the offer or sale of the 2025 Bonds under the securities laws of any state. Should any such qualification be necessary, the County agrees to cooperate with the winning bidder in such matters, provided that the County reserves the right not to consent to service of process outside its boundaries and expenses related to any such qualification shall be the responsibility of the winning bidder.

***CUSIP Numbers.*** CUSIP numbers will be issued at the cost of the winning bidder, and printed on the 2025 Bonds at the expense of the County. Any error or omission in printing such numbers on the 2025 Bonds will not constitute cause for any winning bidder to refuse delivery of any 2025 Bond.

***Legal Opinion, Certificates and Transcript.*** The validity and enforceability of the 2025 Bonds will be approved by the County's Bond Counsel. A copy of the form of the opinion of Bond Counsel is attached as an exhibit to the Preliminary Official Statement.

The purchaser of the 2025 Bonds will receive a certified transcript of legal proceedings which will include, among other items:

- (a) a certificate of the County to the effect that, as of its date, the Preliminary Official Statement was deemed final within the meaning of Rule 15c2-12, except for the omissions permitted under Rule 15c2-12;
- (b) a certificate of the County to the effect that there is no litigation pending or, to its knowledge, threatened affecting the validity of the 2025 Bonds as of the date of their delivery; and
- (c) a certificate of the County to the effect that, as of the date of the Official Statement and at all times to and including the date of delivery of the 2025 Bonds, the Official Statement did not contain any untrue statement of a material fact or omit any statement of a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

***Establishment of Issue Price (Hold-the-Offering Price Rule May Apply if Competitive Sale Requirements are Not Satisfied):*** The winning bidder shall assist the County in establishing the issue price of the 2025 Bonds and shall execute and deliver to the County at closing an "issue price" or similar certificate, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the County, and Bond Counsel. All actions to be taken by the County to establish the issue price of the 2025 Bonds may be taken on behalf of the County by the County's municipal advisor identified herein and any notice or report to be provided to the County may be provided to the County's municipal advisor.

(a) The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the 2025 Bonds) will apply to the initial sale of the 2025 Bonds (the "competitive sale requirements") because:

- (i) the County shall disseminate a Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (ii) all bidders shall have an equal opportunity to bid;
- (iii) the County may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (iv) the County anticipates awarding the sale of the 2025 Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to the Notice of Sale shall be considered a firm offer for the purchase of the 2025 Bonds, as specified in the bid.

In the event that the competitive sale requirements described above in subparagraph (a) are not satisfied, the County shall so advise the winning bidder. The County may determine to treat (i) the first price at which 10% of each maturity of the 2025 Bonds is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of the 2025 Bonds as the issue price of that maturity (the "hold-the-offering-price rule"), in each case applied on a maturity-by-maturity basis. The winning bidder shall advise the County if any maturity of the 2025 Bonds satisfies the 10% test as of the date and time of the award of the 2025 Bonds. The County shall promptly advise the winning bidder, at or before the time of award of the 2025 Bonds, which maturities of the Bonds shall be subject to the 10% test or shall be subject to the hold-the-offering-price rule during the Holding Period, as defined in subparagraph (d)(i) below. Bids will not be subject to cancellation in the event that the County determines to apply the hold-the-offering-price rule to any maturity of the 2025 Bonds. Bidders should prepare their bids on the assumption that all of the maturities of the 2025 Bonds will be subject to the 10% test in order to establish the issue price of the 2025 Bonds.

(b) The County acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the 2025 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the 2025 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The County further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the 2025 Bonds.

(c) By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement, and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the 2025 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold 2025 Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the 2025 Bonds of that maturity or all 2025 Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and

(ii) any agreement among underwriters relating to the initial sale of the 2025 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the 2025 Bonds to the public to require each broker-dealer that is a party to

such retail distribution agreement to (A) report the prices at which it sells to the public the unsold 2025 Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the 2025 Bonds of that maturity or all 2025 Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

(d) The following terms are defined below:

(i) Hold-the-Offering-Price Maturity means a maturity of the 2025 Bonds of which less than 10% has been sold to the Public on the Sale Date.

(ii) Holding Period means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (a) the close of the fifth business day after the Sale Date, or (b) the date on which the winning bidder sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.

(iii) Maturity means 2025 Bonds with the same credit and payment terms. Bond with different maturity dates, or 2025 Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(iv) Public means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(v) Sale Date means the first day on which there is a binding contract in writing for the sale of a Maturity of the 2025 Bonds. The Sale Date of the 2025 Bonds is expected to be \_\_\_\_\_, 2025.

***Postponement of Sale.*** The County reserves the right to postpone the date and time established for the receipt of bids. Any such postponement will be announced by posting on Grant Street Group prior to commencement of the bidding. If any date and time fixed for the receipt of bids and the sale of the 2025 Bonds is postponed, an alternative sale date and time will be announced at least one business day prior to such alternative sale date. On any such alternative sale date and time, any bidder may submit bids electronically as described above for the purchase of the 2025 Bonds in conformity in all respects with the provision of this Official Notice of Bond Sale, except for the date and time of sale and except for any changes announced by posting on

Grant Street Group at the time the sale date and time are announced, or in accordance with the section of this Official Notice of Bond Sale entitled

**CONTINUING DISCLOSURE RESPONSIBILITIES OF SANTA FE COUNTY, NEW MEXICO IN CONNECTION WITH MUNICIPAL BONDS ISSUED BY THE COUNTY**

Santa Fe County, New Mexico (the "County") has entered into continuing disclosure undertakings (each a "CDU") pursuant to SEC Rule 15c2-12 in connection with general obligation bonds and revenue bonds issued by the County. The CDUs typically require:

- That the County disclose certain types of "Annual Financial Information" on an annual basis (typically by providing a copy of the County's audited financial statements for the most recently completed fiscal year); and
- That "Event Information" be reported within 10 business days after the occurrence of specific types of events which could affect the County's Bonds.

"Annual Financial Information," "Audited Financial Statements" and "Event Information" are terms defined in each CDU. Copies of the CDUs for the County's outstanding bonds are included in the bond transcript for each series of bonds and are also available upon request from the County's bond counsel.

Currently, any disclosure required by the CDUs is made by electronically posting the information on the Electronic Municipal Market Access website, known as "EMMA." The matrix appearing below identifies both the periodic and non-routine tasks required for compliance with the County's CDUs, and the County officials and consultants to which those responsibilities are nonexclusively assigned (each a "Responsible Officer"). Such Responsible Officers are authorized to delegate assigned tasks to persons they shall designate; provided, that such designation shall be in writing and shall be approved or ratified by the Board of County Commissioners of the County, as the case may be.
