**DETAILED CERTIFICATE FOR RECOMMENDED BUDGET EXPENSE**

(If applicable, cite the following authority: State Statute, grant name and award date, other laws, regulations, etc.)

1 Please summarize the request and its purpose in the area below.

Local DWI (LDWI) funds provide the majority of the funding for the Santa Fe County DWI Program. These funds are generated from the excise tax on alcohol sales, collected by the New Mexico Department of Taxation and Revenue and administered by the New Mexico Department of Finance and Administration (DFA). The Special Application Grant (#26-D-G-27) allows Santa Fe County to apply for LDWI unspent funds that have reverted back to DFA from DWI programs across the state. Through this process, Santa Fe County was awarded a total of \$177,405, requiring a budget increase of \$145,905 to supplement the initial funding of \$31,500 awarded on July 1, 2025.

County staff developed the application and incorporated input from both program staff and the DWI Planning Council. This resolution has been reviewed and endorsed by the DWI Planning Council

**EXHIBIT "A"****PROGRAM DESCRIPTION**

**Name of Grantee: Santa Fe County**  
**Grant No.: 26-D-G-27**  
**Grant Amount: \$177,405.00**

**Grantee will provide DWI program activities in the following areas:****1. Community Wellness & Outreach**

Programs and services in this component play a pivotal role in improving the community's health and safety by promoting knowledge, healthy practices, resilience, and well-being.

Prevention programs shall focus on the prevention of alcoholism, alcohol abuse, underage drinking, alcohol related domestic violence and DWI. Prevention activities funded with LDWI funds should be either evidence-based or promising activities. DWI programs must be able to document compliance with this requirement. Activities funded by LDWI will be shown to increase life skills and/or decrease risk factors that positively impact the rates of DWI and/or alcohol abuse through assessment, capacity, planning, implementation, and evaluation.

Overtime for law enforcement officers to support DWI operations such as sobriety checkpoints, directed patrols, warrant round ups and underage drinking enforcement may be supported through the LDWI program.

Teen Court is a nationally recognized early intervention and restorative justice program for juveniles (ages 12-18), giving the offender a second chance while holding them accountable for their actions. The Teen Court program serves as a community-based intervention/diversion program designed to provide an alternative response for the juvenile justice system. The goal of the Teen Court Program is to interrupt developing patterns of criminal behavior by promoting feelings of self-esteem, motivation for self-improvement, and a healthy attitude toward authority. Teen Court is limited to \$40,000 of LDWI funds.

The LDWI funding supports evaluation of the progress and impact of this component.

**2. Treatment**

The LDWI funding supports outpatient and/or jail-based treatment services for offenders with alcohol related convictions. LDWI funds may also support preventative treatment services and education for any community member. All treatment services shall reduce the incidence of DWI, alcoholism, alcohol abuse, alcohol misuse and alcohol-related domestic violence.

Treatment providers must be licensed to practice in the State of New Mexico and must follow evidence-based treatment practices. The Children, Youth and Families Department (CYFD) has the statutory authority to oversee the Court Ordered Domestic Violence Offender Treatment and Intervention Programs (DVOTI). Any LDWI program funds used to supplement county DVOTI programs must adhere to the CYFD rule on DVOTI's, NMAC 8.8.7. DVOTI funded programs/personnel must participate in LDWI Planning Council meetings and coalition meetings.

The LDWI funding supports evaluation of the progress and impact of this component.

### **3. Alternative Sentencing**

LDWI funds support alternatives to traditional incarceration including, screening, compliance monitoring, tracking, alcohol or electronic monitoring, and Problem-Solving Courts.

The LDWI funding requires all programs to use the DFA-approved screening to addresses all municipal, metropolitan, district, and magistrate court referrals related to DWI. The program must use screening fees to self-fund the screening costs to the fullest extent possible. The screening shall not be administered by an alcoholism treatment program serving the judicial districts involved in order to avoid conflict of interest or screening bias. See NMSA 1978, § 43-3-11(D).

LDWI funds may support compliance monitoring/tracking of alcohol related offenders to assist courts in the monitoring of compliance with court-imposed sentencing (i.e., screening, treatment, ignition interlock, DWI School, etc.). All programs must use the DFA approved tracking instrument. Programs that fund misdemeanor compliance programs must follow the Misdemeanor Compliance Program Guidelines issued by the Administrative Office of the Courts (AOC).

LDWI funds may support electronic monitoring, alcohol monitoring, community custody programs, community service programs, and Problem-Solving Courts, including DWI Court. All Problem-Solving Courts must follow AOC specialty court guidelines.

The LDWI funding supports evaluation of the progress and impact of this component.
