31. **Preferences in Procurement:**

A. *New Mexico In-state Preference.*

Application of a resident business preference requires the bidder to provide a copy of a valid and current certification as a resident business. Certificates are issued by the State Taxation and Revenue Department.

If a bidder submits with its bid a copy of a valid and current in-state resident business certificate, the bidder’s bid will be deemed to be 5% lower than the bid actually submitted.

Certification by the Department of Taxation and Revenue takes into consideration such activities as the business’ payment of property taxes or rent in the state, and payment of unemployment insurance on employees who are residents of the state.

OR

B. *New Mexico Resident Veteran Preference.*

New Mexico law, Section 13-1-22 NMSA 1978, provides a preference in the award of a public works contract for a “**resident veteran business**”.

Certification by the Department of Taxation and Revenue for the resident veteran business requires the bidder to provide evidence of annual revenue and other evidence of veteran status.

A bidder who wants the veteran business preference to be applied to its bid is required to submit with its bid the certification from the Department of Taxation and Revenue and the sworn affidavit attached hereto as Appendix D.

If a bidder submits with its bid a copy of a valid and current veteran resident business certificate, the bidder's bid will be deemed to be 10%, 8% or 7% lower than the bid actually received, depending on the business' annual revenue.

The resident business preference is not cumulative with the resident veteran business preference.

The in-state, veteran or County preferences do not apply to procurement of services or goods involving federal funds or federal grant funds.

Additional information about obtaining the certificate as a resident contractor and resident veteran contractor may be found at:

3. **Inspection of Work (If Applicable):** Representatives of the Santa Fe County Purchasing Division shall have access, at any reasonable time, to the Bidder's and manufacturer's facilities for the purposes of inspection during the agreement period, to inspect the facility during its normal working hours. The costs associated with such inspection trips shall be borne by the County.
4. **Payment or Acceptance Not Conclusive:** No payment made under this Agreement shall be conclusive evidence of the performance of the Price Agreement, either in whole or in part, and that no payment made for the delivery of the services in whole or in part shall be construed as an acceptance of defective work or improper materials, and shall not relieve the Bidder from the obligations to correct defects. The final acceptance shall not be binding upon the County or conclusive, should it subsequently develop that the Bidder furnished inferior items or departed from the specifications and/or the terms of the Price Agreement. Should such conditions become evident, the County shall have the right, notwithstanding final acceptance and payment, to cause the materials and services to be properly furnished in accordance with the specifications (and drawings, if any) at the cost and expense of the Bidder.

Should the bidder object to any of the County's Terms and Conditions, as stipulated throughout this Invitation, that Bidder must propose specific alternative language. The County may or may not accept the alternative language. General references to the Bidder's terms and conditions or attempts at complete substitutions are not acceptable to the County and will result in disqualification of the Bidder's bid. Bidders must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

7. **Sufficient Appropriation**: The County reserved the right to terminate any Price Agreement awarded as a result of this IFB if sufficient appropriations or authorizations do not exist. Such termination will be effected by sending written notice to the contractor. The County's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.
8. **Escalation Clause**: In the event of a product cost increase, an escalation request will be reviewed by the County on an individual basis. This measure is not intended to allow any increase in profit margin, only to compensate for an actual cost increase.

Effective dates for increase will not be any sooner than thirty days from the date the written request is received by this office. To facilitate prompt consideration, all requests for price increase must include all information listed below:

- Price Agreement Item Number
- Current item Price
- Proposed New Price

THIS AGREEMENT is made and entered into this ____ day of _____ 2018 by and between **Santa Fe County**, a New Mexico political subdivision, (hereinafter referred to as “the County”) and _____, located at _____, a corporation authorized to do business in the State of New Mexico, (hereinafter “**Contractor**”).

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. DEFINITIONS

- A. “Using Department or Department” shall mean a Department or elected official’s office of Santa Fe County.
- B. “Purchase Order” shall mean a fully executed Purchase Document issued by the Using Department that specifies the services to be provided by the Contractor under the terms and prices of this Price Agreement.
- C. “Price Agreement” means this indefinite quantity Price Agreement which requires the Contractor to provide road striping services to a Using Department which issues a Purchase Order.
- D. “Completion Date” means a date certain for completion of a road striping project by the Contractor as indicated by the Using Department in a Purchase Order.

2. SERVICES TO BE PROVIDED

A. **Materials and Services on Exhibit A.** The Using Department may request Contractor’s services which are the subject of this Price Agreement. **The services ordered must be a service listed as a bid item on Exhibit A to this Agreement and all services must meet the Specifications for Materials and Application which is attached to Exhibit A.** All orders issued hereunder must bear the purchase order number and number of this Price Agreement #2015-0005-PW/PL.

B. **Quantities.** It is understood that this is an indefinite quantity Price Agreement and the County may purchase any quantity of the services listed on Exhibit A on an as-needed basis. No guarantee or warranty is made or implied, by either the County or the Using Department that any order for any minimum, maximum or otherwise definite quantity will be issued under this Price Agreement. Quantities of service may vary depending on the season. When the Using Department requests services and a Purchase Order is issued, the Contractor is required to accept the order and furnish and complete the services as requested at the prices listed on Exhibit A, subject to any applicable percentage price reductions or liquidated damages.

C. **Specifications.** The services and materials furnished hereunder shall conform to the requirements of the technical specifications and standards indicated in Exhibit A. Orders issued pursuant to this Price Agreement must show the applicable Price Agreement service, quantity and price. Any materials used in providing the services under this Price Agreement must meet or exceed the manufacturer's specifications.

D. **Time for Completion; Liquidated Damages.** Time is of the essence for the purposes of this Price Agreement. In the event the Contractor fails to complete a road stripping project by the Completion Date indicated, and as may be amended, by the Using Department, the Contractor shall incur liquidated damages in the amount of One Hundred Dollars (\$100.00) per calendar day from the Completion Date until the date the Contractor completes the road stripping project.

3. COMPENSATION AND INVOICING

A. In consideration of its obligations under this Agreement the Contractor shall be compensated as follows:

- 1) County shall pay to the Contractor in full payment for services satisfactorily performed and all costs and expenses shall be in accordance with Exhibit A.
- 2) The total amount payable to the Contractor under this Agreement shall not exceed _____ (\$_____) exclusive of gross receipts tax. Any New Mexico gross receipts tax levied on the amounts payable under this Agreement shall be paid by the County to the Contractor.
- 3) This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Agreement shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. The County will notify the Contractor when the services provided under this Agreement reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Agreement being amended in writing.

B. The Contractor shall submit a written request for payment to the County when payment is due under this Agreement. Upon the County's receipt of the written request, the County shall issue a written certification of complete or partial acceptance or rejection of the contractual items or services for which payment is sought. The Contractor acknowledges and agrees that the County may not make any payment hereunder unless and until it has issued a written certification accepting the contractual items or services. Within thirty (30) days of the issuance of a written certification accepting the contractual items or services, the County shall tender payment for the accepted items or services. In the event the County fails to tender payment within thirty (30) days of the written certification accepting the items or services, the

County shall pay late payment charges of one and one-half percent (1.5%) per month, until the amount due is paid in full.

C. In the event the Contractor breaches this Agreement, the County may, without penalty, withhold any payments due the Contractor for the purpose of set-off until such time as the County determines the exact amount of damages it suffered as a result of the breach.

D. Payment under this Agreement shall not foreclose the right of the County to recover excessive or illegal payment.

4. PAYMENT

All payments under this Price Agreement are subject to the following provisions:

A. Inspection. Inspection and acceptance of all materials and services ordered may be made prior to Contractor's commencement of services, during Contractor's performance, or at the completion of Contractor's performance of services. Materials or services rejected for non-conformance with specifications shall be removed at the Contractor's risk and expense promptly after notice of rejection and re-completed, or in the event of non-conforming materials and application, the Using Department may impose a percentage reduction in the price.

B. Acceptance. In accordance with NMSA 1978, Section 13-1-158, the Using Department shall determine if the materials and services meet specifications, and may accept the services if all components of the service meet specifications. No payment shall be made for any service until the completed service has been accepted in writing by the Using Department. Unless otherwise agreed upon between the Using Department and the Contractor, within thirty (30) days from the Contractor's completion of services, the Using Department shall issue a written certification of complete or partial acceptance or rejection of the materials or services. The time period shall begin at the time Contractor notifies the Using Department that services are complete and Contractor has achieved substantial completion. Unless the Using Department gives notice of rejection within the specified time period, the materials and services will be deemed to have been accepted.

C. Issuance of Orders. Only written, signed and properly executed Purchase Orders are valid under this Price Agreement.

D. Invoices. Depending on the number of working days scheduled for completion of a road striping project, the Contractor may submit invoices for payment no more frequently than weekly, monthly, or upon completion of services. The Contractor's invoice shall be submitted in triplicate, duly certified and shall contain the following information: order number; description of supplies of services; quantities; unit price; and extended totals. Separate invoices shall be rendered for each road striping project. Invoices must be submitted to the Using Department. All prices and charges by the Contractor shall be consistent with the prices indicated in Exhibit A.

E. Payment of Invoices. Upon written certification from the Using Department that completion of road striping services has been completed and accepted, payment shall be tendered

to the Contractor within net thirty (30) days. If the payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. After the thirtieth day from the date that written certification of acceptance is issued, late payment charges shall be paid on the unpaid balance on undisputed amounts due according to the Price Agreement at a rate of 1.5% per month. Payment shall be made to the Contractor's designated mailing address.

F. Taxes. For each invoice submitted to the Using Department, Contractor shall indicate applicable gross receipts taxes or local option taxes on the invoice and tax should be shown as a separate item to be paid. The payment of taxes for any money received under this Agreement shall be the Contractor's federal and State of New Mexico tax identification number(s). If the Using Department is exempt from payment of New Mexico gross receipts tax or local option taxes, the Using Department shall provide the Contractor with written evidence of such exemption.

5. EFFECTIVE DATE AND TERM

This Agreement shall become effective on the date first written above and shall terminate four (4) years later, unless earlier terminated pursuant to Section 5 (Termination) or Section 6 (Appropriations and Authorizations).

6. DEFAULT

A. The failure of the Contractor to perform and/or complete services as requested by the Using Department shall constitute a default under this Price Agreement. The County reserves the right to cancel all or any part of any orders placed under this Price Agreement without cost to the County if the Contractor's materials or services fails to meet the specifications or requirements of this Price Agreement. The Contractor may be excused from performance under this Price Agreement if the Contractor's failure to perform or complete services are the result of causes beyond the control and without the fault or negligence of the Contractor, such causes include, but are not limited to, acts of God or public enemy, acts of the County or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the County shall determine that the materials or services to be furnished by the subcontractors were obtainable from other sources in sufficient time to permit the Contractor and subcontractor to meet the required schedule.

B. The County shall cancel all or any part of any order without cost to the County if the Contractor fails to meet material provisions of an order.

7. TERMINATION

A. Termination of Agreement for Cause. Either party may terminate the Agreement based upon any material breach of this Agreement by the other party. The non-breaching party shall give the breaching party written notice of termination specifying the grounds for the termination. The termination shall be effective thirty (30) days from the breaching party's receipt of the notice of termination, during which time the breaching party shall have the right to

cure the breach. If, however, the breach cannot with due diligence be cured within thirty (30) days, the breaching party shall have a reasonable time to cure the breach, provided that, within thirty (30) days of its receipt of the written notice of termination, the breaching party began to cure the breach and advised the non-breaching party in writing that it intended to cure.

B. Termination for Convenience of the County. The County may, in its discretion, terminate this Agreement at any time for any reason by giving the Contractor written notice of termination. The notice shall specify the effective date of termination, which shall not be less than fifteen (15) days from the Contractor's receipt of the notice. The County shall pay the Contractor for acceptable work, determined in accordance with the specifications and standards set forth in this Agreement, performed before the effective date of termination but shall not be liable for any work performed after the effective date of termination.

8. APPROPRIATIONS AND AUTHORIZATIONS

This Agreement is contingent upon sufficient appropriations and authorizations being made for performance of this Agreement by the Board of County Commissioners of the County and/or, if state funds are involved, the Legislature of the State of New Mexico. If sufficient appropriations and authorizations are not made in this or future fiscal years, this Agreement shall terminate upon written notice by the County to the Contractor. Such termination shall be without penalty to the County, and the County shall have no duty to reimburse the Contractor for expenditures made in the performance of this Agreement. The County is expressly not committed to expenditure of any funds until such time as they are programmed, budgeted, encumbered and approved for expenditure by the County.
