II. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSAL

Santa Fe County Community Services Department (CSD) is seeking proposals from qualified local providers to implement a Children's Mobile Response and Stabilization Service (CMRSS). CMRSS is a service that will be available to young people under the age of 21 who are facing escalating emotional symptoms, behaviors, or traumatic circumstances that have affected their ability to function normally in their family, living situation, school, or community. The CMRSS is a service that offers immediate response and intervention, 24/7/365, for up to 72 hours to de-escalate crises defined by the family, and prevent future crises or out-of-home placement. It also offers up to eight weeks of stabilization services to eligible youth and their caregivers, which include connecting them to natural and community-based support systems, increasing their skills to navigate child-serving systems, and providing access to a wide range of behavioral health services in their community.

The purpose of the mobile crisis response team is to help individuals in crisis get the support they need without having to rely on hospitals, emergency departments, and jails. Additionally, the team aims to help children stabilize in their current living arrangements and return to their routine functioning. By doing so, the team can effectively reduce the overuse and misuse of these services and better serve people in crisis. The team also helps to prevent fatalities from suicide, drug overdose, and other mental health and substance use emergencies.

As a result of the RFP for these services, the selected Offeror will focus on various aspects of CMRSS implementation, such as organizational planning, policy development, process and protocol development, hiring, training, community readiness work, referral source development, and marketing tools development. It is important to note that this contract does not include direct CMRSS services. The funding for this contract will be available for a maximum period of one year, during which time the successful Offeror will collaborate with both CSD and the State Children Youth and Families Department (CYFD) in the planning and preparation phases.

VI. EVALUATION

A. EVALUATION SCORING

The County will evaluate responsive proposals and assign a numerical score in each category, not to exceed the maximum allowed score for that category, as determined through the Offeror’s attention to the factor detailed in the following sections. The amount of discussion to be applied to each listed topic is an individual choice of the Offeror; however, discussion should be detailed enough to inform and educate the Evaluation Committee Members.

Proposals will be scored based upon a comparison of the information submitted by each Offeror against the evaluation factors outlined below. Each Evaluation Factor is assigned the follow points:

- 1. Introduction..... 150 points
- 2. Professional Competence & Specialized Experience..... 300 points
- 3. Evidence of Understanding Scope of Work 350 points
- 4. Capacity & Capability 200 points

- TOTAL POINTS..... 1000 points**

PREFERENCES

If a proposal contains an ID-State Resident Business Certificate or Resident Veterans Business Certificate and/or Santa Fe County Business Certificate, the applicable preference will be applied:

- 6. NM State Resident Business Certificate**50 points**

- Or

- 7. Resident Veteran Business Certificate**100 points**

- And

- 8. Santa Fe County Business Certificate.....**50 points**

B. EVALUATION PROCESS

The evaluation process will follow the steps listed below:

1. All Offeror proposals will be reviewed for compliance with the mandatory specifications stated within the RFP. Proposals deemed non-responsive will be eliminated from further consideration.
2. The Procurement Specialist may contact the Offeror for clarification of the response as specified in Section III, Paragraph B.7.
3. The Evaluation Committee may use other sources of information to perform the evaluation as specified in Section III, Paragraph C.18.
4. Responsive proposals will be evaluated on the factors in Section V that have been assigned a point value. The responsive Offerors with the highest scores will be selected as finalist Offerors ‘shortlisted’ based upon the proposals submitted. If an oral presentation is recommended the ‘shortlisted’ firms will be provided questions by the Selection Committee for their “Oral Presentations”. Each presentation will be evaluated by the Selection Committee. The oral presentation that receives the highest points and is most advantageous to the County, taking into consideration the evaluation factors in Section VI, will be recommended for contract award as specified in Section III, Paragraph B.11. Only the points from the Oral Presentation will be calculated for most and highest qualified firms. Points from the ‘shortlisted’ evaluations will only be used if there is a tie resulting from the Oral Presentations. Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score.
5. Past performance in a project for the County (See Section V.C.3 above) is a significant consideration of the evaluation and poor performance on a prior County project may result in a lower number of points awarded to a proposal for this element of the evaluation.
