SANTA FE COUNTY
RFP NO. 2024-0145-CORR/JL
ADULT DETENTION FACILITY PRESCRIPTION SERVICES

ADDENDUM #1

Dear Proponents,

This addendum is issued to reflect the following immediately. It shall be the responsibility of interested Offerors to adhere to any changes or revisions to the RFP as identified in this Addendum No. 1. This documentation shall become permanent and made part of the departmental files.

ATTACHMENT A: PRE-PROPOSAL SIGN IN SHEET

ATTACHMENT B: REVISED COST PROPOSAL SHEET

**ATTACHMENT C: CORRECTED PROCUREMENT SPECIALIST CONTACT
INFORMATION**

Question No. 1: In order to ensure a fair and equitable evaluation of pricing on the exact same medications, would the County consider updating the cost proposal and include an exact list of your current Top 50 formulary and Top 50 non-formulary medications along with an exact metric quantity for each to be priced by Offerors? Additionally, and for consistency, are potential Offerors to quote their medication acquisition cost only on these respective lists; or is the quoted price to include any markups and/or dispensing fees in the price represented?

Answer No. 1: A list of current medications for the facility is attached. Pricing of medications must be all inclusive of markups and/or dispensing fees. Please see Attachment B.

Question No. 2: Will you require bidders to submit the name and license of the New Mexico licensed wholesaler they will utilize for stock distribution of house stock, at the time of their proposal submittal, so your evaluation team will have this information for verification prior to making an award?

Answer No. 2: No.

Question No. 3: Will you require bidders to submit the name and repackaging license of the FDA Registered Repackager they will utilize for repackaging services, at the time of their proposal submittal, so your evaluation team will have this information for verification prior to making an award?

Answer No. 3: No.

Question No. 4: Will failure to provide this information at the time of proposal submittal deem a potential Offeror as non-responsive and therefore ineligible for an award?

Answer No. 4: No

Question No. 5: Who is your current provider of pharmaceutical services for the jail?

Answer No. 5: Diamond Pharmacy Services

Question No. 6: In order to provide a thorough drug utilization review, would the County please provide one month's worth of invoicing for pharmaceuticals depicting line-item transactions?

Answer No. 6: The County will provide this information to the selected Offeror.

Question No. 7: How is the County currently submitting pharmacy orders?

Answer No. 7: Fax, Telephone or web site.

Question No. 8: What is the current pharmacy pricing model and the rates associated with this model?

Answer No. 8: This information is not related to this RFP utilization

Question No. 9: What is the current credit policy at Santa Fe County?

Answer No. 9: The County does not currently offer credit transactions.

Question No 10: What is the current cut-off time for all orders for your facility?

Answer No. 10: All orders via any manner to the contractor by 2:30 PM (Mountain Time) Monday through Friday will be filled and delivered the next day. All orders faxed before 10:00 AM (Mountain Time) on Saturday will be filled and delivered Monday. Therefore, delivery will be available six (6) days per week to the County Corrections Facility

Question No. 11: Does the Santa Fe County Corrections Department have 24/7 Nursing?

Answer No. 11: Yes

Question No. 12: What licenses does the Santa Fe County Corrections Department hold? Clinical or DEA?

Answer No. 12: Clinic B1 License, DEA license and Controlled Substance Registration certificate.

Question No. 13: Who are the Para sources and what is their mix?

Answer No. 13: Unclear what this question is asking.

Question No. 14: Do they require E-Kits?

Answer No. 14: No

Question No. 15: Do they require IV Kit and will they require IV starter Kits?

Answer No. 15: We do not require IV or IV Starter Kits. We utilize IV medication on a case by case basis and they are not per individual.

Question No. 16: Do they utilize EMAR/EHR systems?

Answer No. 16: Santa Fe County utilizes Sapphire EMR for all charting.

Question No. 17: What is the billing structure for Bureau of Indian Affairs? Do these patients require going to IHS?

Answer No. 17: Per our most recent contract with BIA, these inmates are not required to go to IHS, but we shall give a preference when it is possible and appropriate.

Question No. 18: Exhibit D instructs bidders to provide at least 50 commonly ordered formulary and at least 50 commonly ordered non-formulary medications, and to provide the pricing. Would the County consider providing the list of medications so that all bidders are pricing the same items?

Answer No. 18: See answer number 1.

Question No. 19: Would the County provide the most recent six months of utilization data?

Answer No. 19: See answer to number 1, the list is inclusive for monthly ordering with total number of capsules/tablets/vials for each drug.

Question No. 20: What pricing methodology does the County prefer (e.g. Cost-Plus Dispensing Fee, Cost-Plus Management Fee, AWP Minus Discount, other pricing methodologies, etc.)?

Answer No. 20: The County doesn't have a preference.

Question No. 21: What is the average census of inmates for the Santa Fe Adult Detention Center over the last 12 months?

Answer No. 21: On average daily population for the last 12 months is 254 inmates

Question No. 22: What is the total number of pharmacy fills each month, over the last 12 months?

Answer No. 22: Pharmacy orders are filled 8 times a month and on an as needed for patient specific medications. If medication utilization increases medication may be additionally ordered.

Question No. 23: Does Santa Fe Adult Detention Center administer medications primarily from stock supply or does the current pharmacy provide patient-specific fills?

Answer No. 23: Yes, medications are administered primarily from stock, patient specific medications are less than 10% of medication utilization.

Question No. 24: Please provide the top 50 drugs by cost over the last 12 months.

Answer No. 24: See answer to number 1, the list is inclusive for monthly ordering with total number of capsules/tablets/vials for each drug.

Question No. 25: Please indicate whether health and behavioral care is provided by Santa Fe County staff or a contracted vendor.

Answer No. 25: All Medical, Behavior Health and Psychiatry care is provided by County staff.

Question No. 26: How many medication carts are provided by the current pharmacy service provider?

Answer No. 26: 5 medication carts are currently in use but the number is based on identified need.

Question No. 27: Who is the current pharmacy service provider?

Answer No. 27: See answer number 5.

Question No. 28: Does Santa Fe Adult Detention Center use an electronic health record system? If yes, what is the name of the system?

Answer No. 28: See answer number 16.

Question No. 29: Is it the ADC's intention for the contracted pharmacy service to provide printed paper medication administration records (MARs) each month?

Answer No. 29: No

Question No. 30: Who is your current pharmacy vendor(s)?

Answer No. 30: See answer number 5.

Question No. 31: How long has this contract been in effect?

Answer No. 31: 4 years

Question No. 32: What is the monthly average daily population for the last 6 months?

Answer No. 32: See answer number 21.

Question No. 33: What percentage of medications administered are Keep on Person (KOP) vs. Restricted or Pill Pass (DOT or Direct Observation Treatment)?

Answer No. 33: KOP % - $253/26061 = 0.1\%$ of medications are KOP, 99.09% of drugs are DOT.

Question No. 34: How many days' supply of prescription medications typically supplied upon release of an inmate?

Answer No. 34: 30 days' worth of medication is supplied via script to an outside pharmacy. The County currently utilizes a bridge program for billing to the county if the inmate does not have Medicaid or private insurance in place prior to release.

Question No. 35: How many US Marshall's Service Lives are serviced by the County and what is that monthly average for the last 6 months?

Answer No. 35: We have not had any US Marshall inmates in the last 6 months. Potential is approx. 50 inmates per month.

Question No. 36: How may Bureau of Indian Affairs (BIA) Lives are serviced by the County and what is that monthly average for the last 6 months?

Answer No. 36: BIA inmates have only been serviced for the last 3 months, the average per month is 20 at this time. Which keep in mind is constantly revolving.

Question No. 37: How many US Immigration and Enforcement (ICE) lives are serviced by the County and what is that monthly average for the last 6 months?

Answer No. 37: 0 inmates

Question No. 38: Is the billing for USM, BIA, and ICE separated out from the County Population numbers?

Answer No. 38: Yes

Question No. 39: Is a special service, facilitator, or third party vendor used for billing of USM, BIA, or ICE for either your current pharmacy vendor or your county billing department?

Answer No. 39: No

Question No. 40: What is the average number of patients on HIV treatment for the last 6 months?

Answer No. 40: 2 inmates

Question No. 41: What is the average number of patients on Hepatitis C treatment for the last 6 months?

Answer No. 41: None

Question No. 42: Does the county currently have: 340B Programs?

Answer No. 42: No

Question No. 43: Does the county have or support any Medication Assisted Treatment (MAT) programs for Opioid Use Disorder (OUD)?

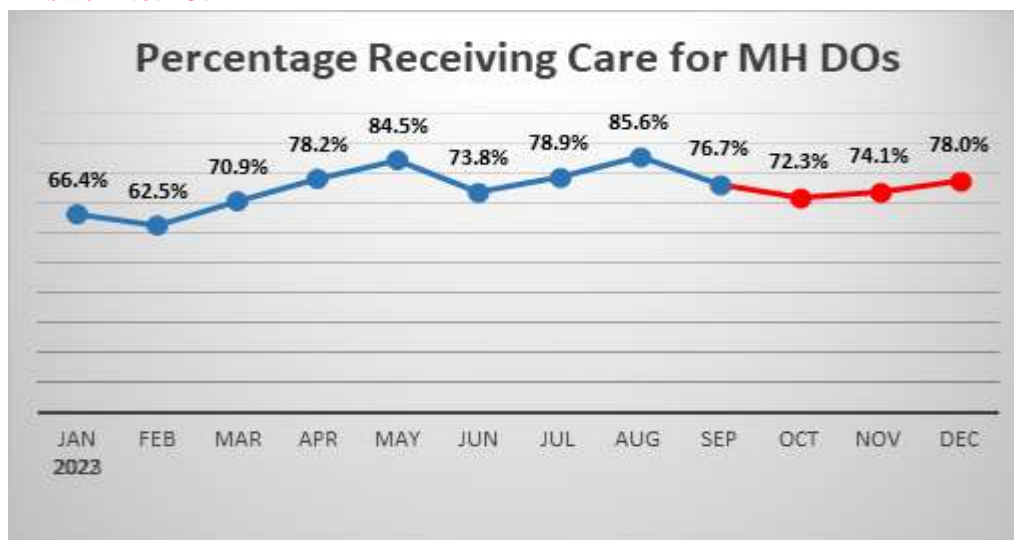

Answer No. 43: The county utilizes Naloxone and Vivitrol for MAT.

Question No. 44: What are your enrollment figures (# of lives) for any MAT programs?

Answer No. 44: 168 people were enrolled as of 2023.

Question No. 45: What percentage of your population receive care/treatment for Mental Health disorders?

Answer No. 45:

Question No. 46: Does your facilities have a DEA License? To whom is it issued (Institution or Healthcare Professional)?

Answer No. 46: See answer number 12.

Question No. 47: What is the name or vendor for your current Electronic Health Record (EHR) or Electronic Medication Record (eMAR)?

Answer No. 47: See answer number 16.

Question No. 48: What inter connectivity properties does your EHR/eMar product currently have? Does it support HL7 interface? Other connectivity?

Answer No. 48: Yes, we are currently utilizing HL7 interfacing with our EHR.

Question No. 49: What parameters are in place for internet security?

Answer No. 49: Two lays of security with a Cisco Fire wall and an umbrella filter.

Question No. 50: Does the County Currently incur any added fees or costs related to eMAR or EHR use?

Answer No. 50: Yes

Question No. 51: Are paper MAR's supplied monthly in lieu of an electronic eMAR? Is so, how are they supplied and utilized on site?

Answer No. 51: No, we utilize electronic MARS only

Question No. 52: Does your current pharmacy provider offer drug destruction for outdated/expired drugs?

Answer No. 52: Yes, however we do utilize a third party for controlled drug destruction.

Question No. 53: Providing physician stock in a jail correctional setting is essential. The FDA and state pharmacy regulations allow pharmacies and wholesalers to provide this service within their normal scope of business. Therefore, a FDA repackager's license is not required. Other vendors may inaccurately state that it is a requirement in order to eliminate competition. Does the county agree to allow the bidders to practice pharmacy according to federal and state laws, including NMAC 16.19.6.30?

Answer No. 53: Yes

Question No. 54: Please provide the number (and percentage) of inmates on prescription medications per month for the last three years.

Answer No. 54: This information will be provided to the awarded offeror.

Question No. 55: By facility, please describe if medications are administered at a central location or delivered to housing units?

Answer No. 55: Delivered to each of the housing units, there are 4 units Alpha, Bravo, Charlie and Delta with 6 pods in each unit.

Question No. 56: By facility, please detail how many medication passes there are per day?

Answer No. 56: There are 3 med passes per day not including diabetics which take up 2 additional med passes.

Question No. 57: Please provide the total number of prescriptions written in the last 12 months

Answer No. 57: 26,061 prescriptions written in 2023 by facility providers.

Question No. 58: Can you please provide the total number of patients per year who have received factor drugs for the last 24 months?

Answer No. 58: Unclear what you mean by factor.

Question No. 59: What is the total spend per month on pharmaceuticals for the last three years?

Answer No. 59: Total annual cost for 2121 \$194,475.00, 2022 \$138,728.00, 2023 \$113,616.00

Question No 60: Please provide the number and percentage of inmates on Hepatitis C medication in the last 12 months. Also, how many patients tested positive for HCV in the last year, whether treated or untreated?

Answer No. 60: 1 inmate was treated for Hep C in 2023, 15 inmates tested positive.

Question No. 61: Does the facility have its own DEA number?

Answer No. 61: See answer number 12.

Question No. 62: Does the facility hold a State issued pharmacy license or State issued Control Substance license?

Answer No. 62: See answer number 12.

Question No. 63: What is the current number of medication carts? Are all current carts in good working condition? How many would possibly need to be replaced if in poor condition?

Answer No. 62: See answer number 26, these carts are on loan from the current pharmacy vendor and will need to be replaced should we change vendors.

Question No. 63: Other than the licenses being excluded from the 20-page limit, are any other pages or sections of the proposal excluded? Specifically, are the following included in the 20-page limit? Letter of Transmittal, Table of Contents, insurance certificate, other supporting material, cost proposal, campaign contribution disclosure statement.

Answer No. 63: The twenty (20) page limit is only for the reposes to the Evaluation Factors ONLY, all other supporting documents do not count toward this page limit.

Question No 64: Please describe the current method for medication order entry

Answer No. 64: See answer number 16. All medication order entry is electronic.

Question No. 65: What is the medication duration required to be dispensed to the patient upon discharge from the facility?

Answer No. 65: See answer number 34.

Question No. 66: The requirement addresses Medication Administration Records (MAR's). Does the county currently use an eMAR to document medication administration? If so, what eMAR is used? Are there any initiatives to change the eMAR vendor? The requirement mentions the EHR of the County's choice. What is that EHR?

Answer No. 66: See answer number 16, the EHR/eMAR is one in the same and is contracted which we are currently under contract.

Question No. 67: The Letter of Transmittal requires the acknowledgement and acceptance of the terms and conditions in the agreement as attached in Appendix F. Appendix F is not included in the original RFP. Please provide Appendix F.

Answer No. 67: This was a typo and is Appendix A on page 28.

Question No. 68: What % of meds are taken from stock versus given from patient specific supplied meds? The requirement of the RFP says to provide 50 formulary and 50 non-formulary medications. Will the County consider providing a list for the bidders to price so that everyone is pricing the same medications so that the pricing will be comparable and standard from all bidders?

Answer No. 68: See answer number 1 and attached list of medications utilized.

Question No. 69: Who is the current pharmacy vendor?

Answer No. 69: See answer number 5.

Question No.70: Does the Invoice constitute the written request for payment to the County? How long after receiving written notice does it take the County to Issue a certificate of completion?

Answer No. 70: Yes, within 30 days from invoice date.

Please add this Addendum #1 to the original proposal documents and refer to proposal documents, hereto as such. This and all subsequent addenda will become part of any resulting contract documents and have effects as if original issued. All other unaffected sections will have their original interpretation and remain in full force and effect. Responders are reminded that any questions or need for clarification must be addressed to Jack Love, Procurement Specialist Senior at jalove@santafecountynm.gov.
