If an Offeror submits with its proposal a copy of a valid and current in-state resident business certificate, 5% of the total weight of all evaluation factors used in the evaluation of proposals may be awarded or added to the Offerors score.

Certification by the department of taxation and revenue for the resident contractor takes into consideration such activities as the business or contractor’s payment of property taxes or rent in the state and payment of unemployment insurance on employees who are residents of the state.

OR

b. New Mexico Resident Veteran Preference

New Mexico law, Section 13-1-22 NMSA 1978, provides a preference in the award of a public works contract for a “**resident veteran business**”. If an Offeror submits with its proposal a copy of a valid and current veteran resident business certificate, 10% of the total weight of all the evaluation factors used in the evaluation of proposals may be awarded or added to the Offeror’s score, depending on the business’ annual revenue.

The resident business preference is not cumulative with the resident veteran business preference.

OR

Native American Preference

Native American member-owned resident veteran business, Native American resident contractor or Native American resident veteran contractor certificate issued by the State Taxation and Revenue Department, under law, will receive either eight or ten percent equivalent based on whether they are also a veteran-owned business.

If an Offeror submits with its proposal a copy of its Santa Fe County Business Certificate issued by the Purchasing Manager, 5% of the total weight of all the evaluation factors used in the evaluation of proposals may be awarded to the Offerors score.

The in-state, veteran or County preferences do not apply to procurement of services or goods involving federal funds or federal grant funds.

26. Double-Sided Documents

All submitted bids/proposal documents shall be double-sided, pursuant to Santa Fe County Resolution No. 2013-7, Adopting Sustainable Resource Management Principles, Section 2. A. VI. EVALUATION

A. EVALUATION SCORING

The County will evaluate responsive proposals and assign a numerical score in each category, not to exceed the maximum allowed score for that category, as determined through the Offeror’s attention to the factor detailed in the following sections. The amount of discussion to be applied to each listed topic is an individual choice of the Offeror; however, discussion should be detailed enough to inform and educate the Evaluation Committee Members.

Proposals will be scored based upon a comparison of the information submitted by each Offeror against the evaluation factors outlined below. Each Evaluation Factor is assigned the follow points:

- 1. Introduction..... 100 points
- 2. Professional Competence & Specialized Experience..... 300 points
- 3. Evidence of Understanding Scope of Work 350 points
- 4. Capacity & Capability 150 points
- 5. Past Performance 100 points

- TOTAL POINTS 1000 points**

PREFERENCES

If a proposal contains an ID-State Resident Business Certificate or Resident Veterans Business Certificate and/or Santa Fe County Business Certificate, the applicable preference will be applied:

- 6. NM State Resident Business Certificate**50 points**

Or

- 7. Resident Veteran Business Certificate**100 points**

Or

Native American Preference/ Native American Veteran Business

And

- 8. Santa Fe County Business Certificate.....**50 points**

B. EVALUATION PROCESS

The evaluation process will follow the steps listed below:

1. All Offeror proposals will be reviewed for compliance with the mandatory specifications stated within the RFP. Proposals deemed non-responsive will be eliminated from further consideration.
2. The Procurement Specialist may contact the Offeror for clarification of the response as specified in Section III, Paragraph B.7.
3. The Evaluation Committee may use other sources of information to perform the evaluation as specified in Section III, Paragraph C.18.
4. Responsive proposals will be evaluated on the factors in Section V that have been assigned a point value. The responsive Offerors with the highest scores will be selected as finalist Offerors 'shortlisted' based upon the proposals submitted. If an oral presentation is recommended the 'shortlisted' firms will be provided questions by the Selection Committee for their "Oral Presentations". Each presentation will be evaluated by the Selection Committee. The oral presentation that receives the highest points and is most advantageous to the County, taking into consideration the evaluation factors in Section VI, will be recommended for contract award as specified in Section III, Paragraph B.11. Only the points from the Oral Presentation will be calculated for most and highest qualified firms. Points from the 'shortlisted' evaluations will only be used if there is a tie resulting from the Oral Presentations. Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score.
5. Past performance in a project for the County (See Section V.C.3 above) is a significant consideration of the evaluation and poor performance on a prior County project may result in a lower number of points awarded to a proposal for this element of the evaluation.
