II. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSAL

The purpose of this Request for Proposal (RFP) is to solicit qualified firms to provide arbitrage rebate compliance services for Santa Fe County's outstanding and future bond issues. The selected firm will perform required arbitrage calculations, prepare associated IRS filings, and provide guidance to ensure the County remains in full compliance with federal tax laws and regulations.

B. BACKGROUND

As an issuer of tax-exempt debt, the County is required to comply with federal arbitrage rebate regulations, including the calculation, reporting, and payment of any rebate or yield reduction liability. To ensure continued compliance with Section 148(f) of the Internal Revenue Code and applicable Treasury Regulations, the County seeks professional services from a qualified firm to perform arbitrage rebate calculations, prepare required IRS filings, and provide related technical guidance for its outstanding and future bond issues.

C. SCOPE OF WORK

1. Maintain and update an annual arbitrage compliance schedule for all active bond issues and advise the County on upcoming deadlines and required actions.
2. Review each bond issue annually to determine rebate and yield-restriction applicability under federal tax regulations.
3. Conduct all necessary arbitrage rebate, yield-restriction, and related calculations and provide complete supporting worksheets and documentation.
4. Analyze investment earnings for each issue, compare them to allowable bond yields, and identify any potential rebate liabilities or compliance risks.
5. Prepare all IRS forms, certifications, and compliance documents required for rebate or yield-restriction reporting and submit them to the County for filing.
6. Prepare and deliver a written report for each computation period summarizing methodologies, assumptions, results, conclusions, and overall regulatory compliance status.
7. Monitor changes in federal tax law, Treasury regulations, and IRS guidance affecting arbitrage compliance and promptly notify the County of any impacts.

8. Consult with County staff, bond counsel, financial advisors, trustees, and other parties as needed to address compliance matters or calculation requirements.
9. Assist the County in responding to any IRS inquiries, audits, examinations, or requests for documentation related to arbitrage or yield-restriction issues.
10. Maintain all project files and records electronically in an organized manner that supports audit readiness and County retention requirements.
11. Perform services using environmentally sustainable practices when practical, including electronic reporting and reduced paper usage.

25. Preferences in Procurement by Santa Fe County

a. *New Mexico In-state Preference.*

New Mexico law, Section 13-4-2 NMSA 1978, provides a preference in the award of a procurement contract for an "**in-state resident contractor**" or "**Native American resident contractor**". Application of a resident or

Native American contractor preference for any Offeror requires the Offeror to provide a copy of a valid and current certificate as a resident or Native American resident contractor. Certificates are issued by the state taxation and revenue department.

If an Offeror submits with its proposal a copy of a valid and current in-state resident or Native American resident contractor certificate, 8% of the total weight of all evaluation factors used in the evaluation of proposals may be awarded or added to the Offerors score.

Certification by the department of taxation and revenue for the resident or Native American resident contractor takes into consideration such activities as the business' payment of property taxes or rent in the state and payment of unemployment insurance on employees who are residents of the state.

OR

b. *New Mexico Resident Veteran or Native American Resident Veteran Preference.*

New Mexico law, Section 13-4-2 NMSA 1978, provides a preference in the award of a procurement contract for a “resident veteran contractor” or “Native American resident veteran contractor”. Certification by the department of taxation and revenue for the resident veteran business and Native American resident veteran requires the Offeror to provide evidence of annual revenue and other evidence of veteran and Native American status.

An Offeror who wants the veteran or Native American veteran contractor preference to be applied to its proposal is required to submit with its proposal the certification from the department of taxation and revenue and the sworn affidavit attached hereto as Appendix C.

If an Offeror submits with its proposal a copy of a valid and current veteran resident contractor certificate, 10%, of the total weight of all the evaluation factors used in the evaluation of proposals may be awarded or added to the Offeror's score.

The resident or Native American resident contractor preference is not cumulative with the resident veteran or Native American resident veteran contractor preference.

AND

c. *Santa Fe County Business Preference*

Santa Fe County Ordinance 2012-4 provides for a **County preference** for a “Santa Fe County business.” Application of the County preference in procurement requires an Offeror to obtain and provide a Santa Fe County Business Certificate issued by the Santa Fe County Procurement Manager. Certification by the Procurement Manager takes into consideration the business’ corporate standing in the state, business licensure or registration, the duration of the business’ primary office location and the payment of taxes.

If an Offeror submits with its proposal a copy of its Santa Fe County Business Certificate issued by the Purchasing Manager, 5% of the total weight of all the evaluation factors used in the evaluation of proposals may be awarded to the Offerors score.

The Resident Business, Resident Veteran Business or Santa Fe County Business preferences do not apply to procurement of services or goods involving federal funds or federal grant funds.

26. Double-Sided Documents

Pursuant to Santa Fe County Resolution 2013-7, Adopting Sustainable Resource Management Principles, Section 2. A. Waste Reduction and Reuse...” the County prefers that all documents/proposals be double-sided, including those that are generated by outside entities using County funds and by consultants and contractors doing business with the County”, except for electronic submittals.
