II. INTRODUCTION

A. **PURPOSE OF THIS REQUEST FOR PROPOSAL**

The County is seeking a consultant to prepare three studies that are required for the Board of County Commissioners (BCC) to consider an amendment to Ordinance 1995-04 Imposing Fire and Rescue Impact Fees. These studies are to help formulate the Land Use Assumptions, Impact Fee Capital Improvement Plans and, the Nexus Study, all collectively referred to in this Request for Proposal as the “Impact Fee Studies”.

B. **BACKGROUND**

The overall purpose of the Impact Fee Studies are to project the estimated demand for various types of development in Santa Fe County for the following five years, determine the capital improvements that are necessary to support the anticipated development, and recommend an impact fee for each type of development so the impact of the new development does not exceed the minimum level of service (LOS) for each type of capital improvement within the designated service area. Each study must be completed according to the requirements of the State of New Mexico Development Fees Act. The types of capital improvements to be considered in the Impact Fee Studies are:

1. Water supply and delivery
2. Wastewater collection and treatment
3. Storm drainage facilities
4. Roads, bridges, bus bays, right of ways, traffic signals, and landscaping
5. Bicycle and pedestrian paths
6. Parks and open space
7. Fire, police and rescue services and essential equipment

The Board of County Commissioners (BCC) adopted Ordinance 1995-04 (Exhibit A) in 1995, imposing an impact fee exclusively for fire and emergency services. Since its adoption, the ordinance has not been amended. Pursuant to the Development Fees Act, the BCC appointed citizens to serve on the Capital Improvements Advisory Committee (CIAC), whose primary role is to provide recommendations to the BCC regarding Ordinance 1995-04 and any proposed amendments.

In 2015, the BCC adopted the Sustainable Growth Management Plan (SGMP) as the County’s General Plan. The SGMP states the overall purpose of an impact fee ordinance: *“The goal of an impact fee program is to equitably distribute the costs of serving new development while achieving sufficiency of capital improvement revenues.”*

On October 10, 2023, through Resolution 2023-05 (Exhibit B), the BCC determined it would not pursue amendments to Ordinance 1995-04 for an additional five years, at which time reconsideration will again be required. Subsequently, in May 2025, the BCC approved

the Capital Improvements Advisory Committee's (CIAC) recommendation to move forward with completing the Impact Fee Studies.

The County completed a draft Land Use Assumptions Report 2020-2030 (Exhibit C), a 2020 Impact Fee Nexus Study (Exhibit D), and a Housing Study 2020. Each contains data that the consultant should leverage to complete the Impact Fee Studies.

C. SCOPE OF WORK

We are seeking a consultant to prepare three studies. The studies shall, at minimum, include but not limited to the following:

1. Land Use Assumptions Study

The Land Use Assumptions will provide an estimate of the anticipated demand for new development within Santa Fe County within the following five years. Development projections should analyze the supply and demand for single family residential, multi-family residentials, retail, office, lodging, industrial, and institutional land uses. This will be concluded when the BCC approves the Land Use Assumptions. The consultant will also recommend the service area to be considered for each type of capital improvement and/or service.

2. Impact Fee Capital Improvement Plan

The Impact Fee Capital Improvement Plan will recommend the size, level of service, cost estimates and other requirements for capital improvements that are necessitated by the new development identified in the final and formally adopted Land Use Assumption.

3. Nexus Study

The Nexus Study will recommend an impact fee for each type of development estimated in the Land Use Assumptions and the Impact Fee Capital Improvement Plan. The Nexus Study must satisfy the rational nexus and rough proportionality test for the proposed impact fee(s) to be assessed to each unit of development generated by the new development anticipated in the Land Use Assumptions and the Impact Fee Capital Improvement Plan.

4. A draft and final amendment to Ordinance 1994-04 based on the requirements of the Development Fees Act and the findings of the Impact Fee Studies.

The consultant will deliver draft and final versions of the Land Use Assumptions Study, Impact Fee Capital Improvement Plan, Nexus Study, and an amendment to Ordinance 1995-04, each accompanied by presentations to staff, the CIAC, the Planning Commission and the BCC.

D. INSURANCE REQUIREMENTS

The insurance required by Offeror are listed below.

1. General Conditions. Contractor shall submit evidence of insurance as is required herein. Policies of insurance shall be written by companies authorized to write such insurance in New Mexico.
2. General Liability Insurance, Including Automobile. Contractor shall procure and maintain during the life of this Agreement a comprehensive general liability and automobile insurance policy with liability limits in amounts not less than \$1,000,000 combined single limits of liability for bodily injury, including death, and property damage for any one occurrence. Said policies of insurance shall include coverage for all operations performed for County by Contractor; coverage for the use of all owned, non-owned, hired automobiles, vehicles and other equipment, both on and off work; and contractual liability coverage under which this Agreement is an insured contract. County of Santa Fe shall be a named additional insured on the policy.
3. Workers' Compensation Insurance. Contractor shall comply with the provisions of the Workers' Compensation Act.
4. Increased Limits. If, during the life of this Agreement, the Legislature of the State of New Mexico increases the maximum limits of liability under the Tort Claims Act (NMSA 1978, Sections 41-4-1 through 41-4-29, as amended), Contractor shall increase the maximum limits of any insurance required herein.

Application of a resident contractor preference for any Offeror requires the Offeror to provide a copy of a valid and current certificate as a resident contractor. Certificates are issued by the state taxation and revenue department.

If an Offeror submits with its proposal a copy of a valid and current in-state resident contractor certificate, 8% of the total weight of all evaluation factors used in the evaluation of proposals may be awarded or added to the Offerors score.

OR

b. New Mexico Resident Veteran Preference or Native American Resident Veteran Preference

New Mexico law, Section 13-4-2 NMSA 1978, provides a preference in the award of a public works contract for a “**resident veteran contractor**”. Certification by the department of taxation and revenue for the resident veteran business requires the Offeror to provide evidence of annual revenue and other evidence of veteran status.

An Offeror who wants the veteran contractor preference to be applied to its proposal is required to submit with its proposal the certification from the department of taxation and revenue and the sworn affidavit attached hereto as Appendix C.

If an Offeror submits with its proposal a copy of a valid and current veteran resident contractor certificate, 10% of the total points will be awarded or added to the Offeror's score.

The resident contractor preference is not cumulative with the resident veteran contractor preference.

OR

c. Santa Fe County Business Preference

Santa Fe County Ordinance 2012-4 provides for a **County preference** for a "Santa Fe County business." Application of the County preference in procurement requires an Offeror to obtain and provide a Santa Fe County Business Certificate issued by the Santa Fe County Procurement Manager. Certification by the Procurement Manager takes into consideration the business' corporate standing in the state, business licensure or registration, the duration of the business' primary office location and the payment of taxes.

If an Offeror submits with its proposal a copy of its Santa Fe County Business Certificate issued by the Purchasing Manager, 5% of the total points will be awarded to the Offerors score.

The Resident Business, Resident Veteran Business or Santa Fe County Business preferences do not apply to procurement of services or goods involving federal funds or federal grant funds.

All submitted bids/proposal documents shall be double-sided, pursuant to Santa Fe County Resolution 2013-7, Adopting Sustainable Resource Management Principles, Section 2. A. 2. The Procurement Specialist may contact the Offeror for clarification of the response as specified in Section III, Paragraph B.7.
3. The Evaluation Committee may use other sources of information to perform the evaluation as specified in Section III, Paragraph C.18.
4. Responsive proposals will be evaluated on the factors in Section V that have been assigned a point value. The responsible Offerors with the highest scores will be selected as finalist Offerors 'shortlisted' based upon the proposals submitted. If an oral presentation is recommended, the 'shortlisted' firms will be provided questions by the Selection Committee for their "Oral Presentations." Each presentation will be evaluated by the Selection Committee. The oral presentation that receives the highest points and is most advantageous to the County, taking into consideration the evaluation factors in Section VI, will be recommended for contract award as specified in Section III, Paragraph B.11. Only the points from the Oral Presentation will be calculated for most & highest qualified firms. Points from the "shortlisted" evaluations will only be used if there is a tie resulting from the Oral Presentations. Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score.
5. Past performance in a project for the County (See Section V.C.3 above) is a significant consideration of the evaluation and poor performance on a prior County project may result in a lower number of points awarded to a proposal for this element of the evaluation.
