IMPORTANT UPDATE

Santa Fe County has taken preventative measure to insure the safety of its staff and the public. In an effort to combat the spread of the recent COVID-19 Pandemic, the Bid Opening will be held via teleconference. A toll-free teleconference line is available at 1-877-820-7831; the guest passcode is 445752.

The bid opening will occur in the conference room of the Finance Department, 2nd Floor, 142 W. Palace Avenue, Santa Fe, NM. If the firm submitting a bid chooses to stay for the bid opening, only ONE (1) person representing the firm may be in the conference room. Arms-length distance will be maintained during the opening and hand sanitizer will be available, all surfaces will be wiped down with disinfectant. If you plan on attending in person please e-mail me at kkemery@santafecountynm.gov.

A clarification question:

1. It shows 1250gpm at 165TDH. There is no 6” pump that can meet that curve. It would be an 8”x6” pump. A 6” pump would be around 1,100gpm at 80’ TDH. Will an 8” suction be requested or will the 1,100 gpm at 80’ TDH be enough?

Answer: It should read 1000 - 1200gpm at 80’ TDH.

Please add this Addendum #2 to the original bid documents and refer to bid documents, hereto as such. This and all subsequent addenda will become part of any resulting contract documents and have effects as if original issued. All other unaffected sections will have their original interpretation and remain in full force and effect.

Bidders are reminded that any questions or need for clarification must be addressed to Karen K. Emery, Senior Procurement Specialist at kkemery@santafecountynm.gov.
